No. SE/OS'BAD/TS/

DATE

To,
All Prospective Bidders for tender No.,
SE/OSBD/TS/10-11/T-01 to T-18.

Subject: - Addendum to bidding document tender No. SE/OSBD/TS/10-11/T-01 to T-18 for
Ag energisation works in various units under Osmanabad circle.

The pre-bid meeting in respect of above tenders floated by this office was held on 03.09.2010 at office of the undersigned. The following addendum to the bidding documents is issued, in compliance to points raise by prospective bidders during the meeting,

1) Partial Modification in clause 12 - Bid Prices.

- The Employer will reimburse the cost of any VAT Taxes due to the Government at their actual cost during execution on the value of the goods supplied under the Contract which are procured in Maharashtra.

- The Bidders should note that the Central Sales Tax shall be applicable @ 3% against issuance of "C" Form by MSEDCL to the contractor w.e.f 1st April 2007. The MSEDCL being registered dealer, the concept of a "subsequent sale" by a registered dealer to another registered dealer shall be applicable as per Section 6(2) (b) of the Central Sales Tax Act, 1956. Thus the provisions of the "subsequent sale" under the following provision would be exempted from tax provided the contractor directly endorses or transfers title to the goods brought by him (if he is not a manufacturer) from outside the state of Maharashtra to MSEDCL. The title should be transferred by the endorsement of the delivery documents (lorry receipt/railway receipt/etc) in favor of MSEDCL. It should also be noted that MSEDCL would give a "C" form to the contractor; the contractor will give a "C" form to the supplier; and the supplier would issue E-1 form to the contractor.

2) Inclusion of extra item in Activity –I of Supply, Erection, Testing & Commissioning of LT line 3 Phase 4 Wire on 8Rmt PSC poles.

- LT Bracket 3Ph 4W is included in schedule. The estimated rate of one bracket is Rs.213.01. The cost & overheads, MVAT & Service tax will be paid on that. The amount against the item will be paid as per actual uses & measurements.

The estimates cost of the each tender will remain same.

The bidders may note that if any of the conditions mentioned/clarified on this Addendum are in conflict with corresponding conditions stipulated in other volumes of the bidding documents the former conditions(i.e. as per this addendum) shall prevail.

Prospective bidders are requested to keep visiting company's website for any updates in this regards.

Superintending Engineer,
MSEDCLO&M Circle, Osmanabad
