

**No. PR.3/Tariff/43598**

**Dated: 13/12/2007**

**Commercial Circular No. 72**

**Sub:** Application of appropriate tariff to H.T. connections of Educational Institution, Hotels etc. .

At present there is no separate categorization to the HT connections of Educational Institutions, Hotels & other similar type of connections. Hence in absence of this, the HT connections of Educational Institutions & Hotels are categorised as HT – I Industries.

The commission in its Clarificatory Order dt. 24.08.2007 has clarified that the tariff applicable for religious places of worship supplied at HT voltage will be the same as that applicable for such consumers who are supplied at LT voltages.

Hon,ble Commission vide its Clarificatory Order dt. 24.08.07 in Case No. 26 of 2007 & Case No. 65 of 2006, has further stated that - -

“ The commission also observes that similar problems exist for other categories like Hospitals, Educational Institutions, etc. supplied on HT voltages, but which are currently being charged industrial tariffs, due to the absence of any categorization for such consumers, MSEDCL is directed to collect the data of all such consumer sub-categories that are supplied at HT voltages, and are currently being charged Industrial tariff, though they should not be strictly classified under industrial category. The segregated data on such consumer sub-categories such as number of consumers and consumption should be submitted at the time of submission of Annual Performance Review. ”

The data desired by Hon.ble Commission is called from field offices vide T.O.L.No.P-Com/ MERC/ MYT/ Compliance/36713 dt. 01.10.07. However, complete data is yet not received from field offices & hence till the receipt of this data & a decision thereon, the Competent Authority has decided as follows :-

- 1) The tariff of H.T. connections of Hotels are to be changed as per HT VI – Commercial Complex.
- 2) The tariff of H.T connections of Educational Institutions are to be changed as under.
  - a) Educational Institutions managed by Government recognized Educational/Registered Charitable Institutions, are to be billed as per HT VI Group Housing Society Category.
  - b) Educational Institutions which are run purely on Commercial basis managed by private Engineering/ Medical Colleges as such are to be billed as per HT VI- Commercial Complex category.

The above two categories (a & b) of H.T. are in line with L.T.-I Domestic & L.T.-II Non-domestic tariff categories of L.T. supply as the purpose of use is same.

All field officers are requested to take necessary action accordingly.
