

Amendment to Pension System on date 16/07/2010

The system is hereby amended to authorize all left employees/heirs of applicant. The applicant whether self or heir should use CPF Number of Employee to login to the system. Password need not be entered. GAD personnel authorized specifically by CPF section can enter details for all employees. He/she can enter/edit only the details of application for pension claim. The applicant should follow the instructions given to enable them to run the program on their PC using internet. The applicant need only to print Form-10D and Descriptive Roll of self and his/her eligible Pensioner. This entry should not be considered by the applicant that the application is done. This is just a way of filling up the form for Pension and printing at applicant end. The usual procedure of attaching documents with Form-10D should be followed.
