## CORRIGENDUM

The post of **Superintending Engineer (Civil)** was erroneously published for “SC” category vide Advt. No. - 4/2010 instead of “**OPEN**” category.

As per the Provision in Classification & Recruitment Regulation – 2005, the method of filling of the post Superintending Engineer (Civil) is 50% by way of Direct Recruitment and 50% by way of Departmental Promotion. As such two posts were earmarked for Departmental Promotion and one post earmarked for Direct Recruitment for one post reservation is not applicable.

All concerned are requested to note that the post is for “**OPEN**” category. The other terms and conditions of the Advertisement remain unchanged.
