- 2.4) While uploading Bids on our website, Technical Bid and Price Bid should be uploaded separately. In Price Bid only Price Bid pages duly filled, signed & stamped should be uploaded.
- 2.5) It is not necessary to upload all tender booklet on web site.
- 2.6) Attempt should be made to upload tenders well in advance of deadline. If any bidder is unable to upload tender due to Internet congestion, slow website or any other problem, MSEDCL will not be responsible for the same.

Section– II

GENERAL TERMS AND CONDITIONS OF TENDER AND QUALIFYING REQUIREMENTS

1) Background And Scope of Bid:

Meter reading of consumers, Bill Printing and Bill Distribution up to consumers/consumer premises is a crucial activity carried out in MSEDCL every month to collect the revenue for supply of Electricity to various categories of consumers grouped into basic Billing units (BU) or Subdivisions coming under Divisions , Circles , Zones and Regions of MSEDCL.

The Executing Agency also referred to as “Employer” in this Tender invites bids from eligible bidders for meter reading of LT consumers, Bill printing and Bill Distribution as per scope of work detailed in **Section-III**. The successful bidder will have to execute the work every month for the consumers of the area coming under the jurisdiction of the Subdivision office of MSEDCL as per Tender detail. Refer **section VIII** for terms and definitions of the Tender.

2) Technical & Financial Qualifying Requirement of Bidder:

This invitation of Tender is open to eligible bidders having experience in work of Meter reading, Bill Printing and Bill Distribution and having registered on MSEDCL E-tendering portal. The intending bidders shall be required to meet the Qualifying Requirements in Tender (Minimum Eligibility Criteria) mentioned at **clause no. 2 and 3 of section-II**.

2.1) General Work Experience:

- 2.1.1 Single Bidder or Bid submitted by a Joint Venture (JV) having not more than two partners with one partner as lead partner (whether Proprietary, Partnership, Private Limited or Limited, Registered Co-operative societies, etc.) with independent or joint past experience of carrying out work of Meter Reading, Bill Printing & Distribution for any utility - for example electricity, gas, water which may be Government owned public utility or private sector service industry. Bidder should submit documentary evidence of registered office Address or Principal place of Business. Upon Award of work in Tender, the Bidder will agree to set up an office anywhere within the Subdivision/Division for carrying out the Tender work. One of the member of the JV firm shall be its Lead partner who shall have a majority at least 51% share of interest in the JV firm. The other members shall have a share of not less than 20%. Both partners in Joint venture shall be jointly and severally liable for execution of contract as per terms and conditions of Tender.
- 2.1.2 Bidder must submit List of all self-certified orders executed in last 3 years indicating order details, order value, details of work carried out and period of order execution. Bidder must submit order copies and work completion certificate from concerned Order issuing authority related to specific Experience orders required as per clause 2.2.

In case of JV, lead partner and other partner must submit their self-certified list of orders of last 3 years separately.
- 2.1.3 Bidder/s must not be debarred in MSEDCL / public utility / any Ministry of Government of India or Government of Maharashtra.
- 2.1.4 The Proprietor/Partner/Director of Bidder firm must not be stake holder in any other debarred/blacklisted firm.

2.2) Specific Work Experience:

2.2.1. Meter reading:

- a) Bidder should submit Meter Reading experience of any consumer utility for example- Electricity, gas, water , etc pertaining to Govt. owned public utility or private sector service Industry : –
 - i) One executed work order / contract equivalent to at least 20% of estimated average 1 year cost of Tender **or**
 - ii) Two executed work orders/contracts together equivalent to at least 30% of estimated average 1 year cost of Tender **or**

- iii) Three executed work orders / contracts together equivalent to at least 40% of estimated average 1 year cost of Tender.

Bidder should note that work orders executed during financial years 2015-16, 2016-17, 2017-18 or latest 2018-19 shall be considered.

- b) Bidder should submit Performance certificates of having carried out Monthly meter reading of at least 90% of Tender consumer count for subdivision's Reading work for consecutive 6 months in any year of last 3 years with 92% correct & normal status of reading (Normal +Faulty +Lock) issued by Executive Engineer (O&M) of MSEDCL or equivalent authority if Certificate is from other utility.

2.2.2 Bill Printing:

No condition of minimum order value and performance certificate to be applicable for Bill Printing work. If agency has its own set up or in agreement with printing agency (i.e. JV) the necessary documentary evidence of certificate by concerned EE in case of own set up or agreement copy in case of JV to be submitted in tender.

2.2.3 Bill Distribution:

There will be no condition of minimum order value and performance certificate to be applicable for Bill Distribution work except that Bidder will deploy sufficient trained manpower for Bill distribution work after carrying out initial survey of Tender work area on its own

If sufficient number of Bidders are not meeting the Technical Qualifying requirement, MSEDCL reserves the right to relax the Tender conditions or cancel the Tender.

3) Financial Qualifying Requirement:-

The Minimum Average annual turnover of **last 3 consecutive financial** years 2015-16, 2016-17, 2017-18 or **latest 2018-19** should be **equal** to or above 30% of Total Estimated cost of tender. In case of JV, Lead partner and other partner should jointly and together meet Turnover requirement.

- 4) Bidder will submit Division wise information of Contracts Awarded that are under execution and Tenders participated for similar Tender activity in MSEDCL or other public utility in proforma **Annexure-A** of Tender, Table in proforma is shown below:

At Present we are executing orders or participating in Tender of similar tender activity as follows:

Sr. No.	Name of Division /Subdivision of MSEDCL or other Public Utility	Type of work /contractual activity	Details of order/contract no. under execution and Contract period up to	Detail of Tender no. in which participated or Submitting bid and Tender opening date
1				
2				
3				

- 5) The bidder participating in Tender will submit list of on-going orders for meter reading, Bill printing and Bill Distribution for MSEDCL with list of manpower and machinery engaged for them. At submission of Tender, Bidder should declare the balance available manpower, machinery and facilities if sufficient to carry out the Tender work, or submit Business proposal plan to execute the Tender work.

6) Submission of Technical bid (Part I) : – (To be uploaded on E-Tendering portal only).
This part shall contain all technical and commercial aspects of the bid scanned and digitally signed documents supporting the same as mentioned below, except the Price Bid. Bidder shall upload the Qualifying Requirement documents and following documents:-

- 6.1) Tender Schedule, Annexures, forms duly filled stamped and signed & all supporting documents attested, signed by Tenderer and digitally uploaded.
- 6.2) Scanned copy of E.M.D. paid vide DD / B.G. should be uploaded. (Original DD/B.G. should be submitted to this office before due date of Tender submission if not paid online)
- 6.3) Registration certificate as per status Proprietary, Partnership, Private Limited, Public Limited, Registered Co-operative societies, Shop & Establishment License.
- 6.4) Joint venture Agreement as per pro-forma in **Annexure B** (for Joint venture only)
- 6.5) Turn-over for the last 3 years certified by Registered Chartered Accountant. The partners in JV must submit their individual CA certified Turnover certificate for last 3yrs.
- 6.6) Registration under Labour Contract Act / Works contract Act, If Applicable, If bidder is not registered under work contract act with MSEDCL as a principal employer then he will be required to do the same before award of contract.
- 6.7) Employee Provident Fund (EPF), Employees State Insurance Corporation (ESIC) Registration Certificate as applicable
- 6.8) GST Registration Certificate
- 6.9) Pan Card /Pan Registration of Bidder / JV partners under Income Tax department of India
- 6.10) PAN card of Proprietor /Partners/Director/ Authorised Executing Authority of Agency
- 6.11) Income Tax Return Certificate for last three years
- 6.12) Balance sheet & Profit loss certificate duly audited & certified by C.A. for last three years. Bidders must submit statutory provisions if Audited Balance sheets and Profit & Loss Accounts of last three years are not applicable.
- 6.13) Valid Registration under shop & Establishment Act and proof of registered office location in Maharashtra, In case registered office is located outside Sub-Division, submit Undertaking to set up office in jurisdiction of Sub-Division upon award of order.
- 6.14) Details of number of qualified / trained manpower, number of Smart Mobiles with Camera of 5.0 Megapixel or above, Computers & Printers with advanced feature other allied equipment's required for the execution of work mentioned in this Tender. Internet Connectivity like GPRS, EDGE, 3G, Wi-Fi, 4G etc.
- 6.15) Aadhar Number of all Meter Readers and Bill Distributors
- 6.16) Contractors All Risk (CAR) Insurance/ Erection All Risk (EAR) / Transit Cum Erection (TCE) obtained from Director of Insurance, Government of Maharashtra if applicable.
- 6.17) Self Certified List of all orders executed in last 3 years indicating order details, order value, details of work carried out and period of order execution as per clause 2.1.2 of **section II.**

7) Submission of Price Bid (Part II) : – (To be uploaded on e-Tendering only.)

The Price Bid must be strictly in the prescribed format filled in both figures and words and duly stamped, signed in ink and scan, uploaded with digital signature on e-tendering portal. Price Bid uploaded with conditions different from the tender specification and as mentioned in the '**Price Bid Schedule B**' will be rejected. In case of difference in rates mentioned in figures and words, the rates favourable to MSEDCL will be considered.

Bidder must fill their offered rate in terms of percentage of Schedule rate given by MSEDCL for Tender work for each year of the three year contract in figures as well as in words to overall work in Tender i.e. sr. no. "1" to "6" mentioned in the 'Price Bid **Schedule B**' for the Tender activities of

"Sr. no. "1 to 4" - Mobile App Reading, IR/RF reading by HHU,

"Sr. no. "5" - Bill Printing on Pre-printed stationary provided by MSEDCL,

"Sr. no. "6". - Bill Distribution to consumer/consumer premises,

The rate quoted by the bidder shall be inclusive of all costs except the GST applicable. The rates quoted by the bidder shall be firm and not subject to price variation during the subsistence of the contract period /year on account of cost escalation and changes in statutory / non-statutory levies, duties, cess, etc.

The example for Price Bid is as under:-

Sr. No.	Description of work	Schedule rate in Rs exclusive of applicable GST	Offered rate in % over Schedule rate in figures & words		
			1st Year	2nd Year	3 rd year
1	Work indicated at sr. no.1 to sr. no.6 of all types of Meter Reading, Bill Printing and Bill Distribution for LT consumers of Subdivision.	As per schedule of rate table indicated at Sr. no.1 to Sr. no.6 in Price Bid	<u>98%</u>	<u>102%</u>	<u>105%</u>

[Note: Above given percentage numerical figures indicated for 1st, 2nd, 3rd year is for example purpose only]

Bidder will indicate rate of GST in _____ percentage and HSN code = _____. Bidder should submit the Government notification for the GST applicable.

The Lowest L-1 Bidder will be determined in Tender on the basis of NPV @10% discounted factor. Detailed sample calculation for determining L-1 is shown at clause 32 in this section.

8) One Bid per Bidder:

Each bidder shall submit only one bid for one tender even in case of Joint venture. Submission of more than one bid will be considered as disqualification for Tender.

9) Cost of Bidding:

The bidder shall bear all costs associated with the preparation and submission of his bid and the Employer will in no case be responsible or liable for those costs.

10) Survey of Area and Site:

The Bidder is advised to survey or get acquainted with the Project area, site conditions and routes/approach roads, where consumer meter reading and bill distribution is to be carried out to assess the extent of Tender work, costs and manpower required before submitting Tender. After awarding of Tender no extra time will be given for survey.

11) Contents of Bidding Documents:

The Bidder is expected to examine and study all instructions, terms and conditions, forms and specifications in bidding document and fully inform himself to all the conditions and matters which may in any way affect the works or the cost thereof.

12) Clarification of Tender:

A prospective bidder requiring any clarification of the Tender documents may notify the Employer in writing before Tender opening or in Pre- Bid meeting.

13) Preparation of Bids:

All documents relating to the bid shall be in the English language only. Partial bids, or bids which do not cover the entire scope of the works will be treated as incomplete and not responsive to the terms and conditions of bidding and are liable to be rejected. Alternative proposals shall not be considered.

14) Bid Validity:

Bids shall remain valid for a period of 90 days from the Tender opening. Bid valid for a shorter period shall be rejected by MSEDCL. In some circumstances MSEDCL may solicit Bidder's consent to extend the period of validity. The consent for extension, if any shall be given in writing by bidder. The EMD provided shall also be suitable extended

15) Earnest Money Deposit (EMD):-

- a) The tenderer should pay the Earnest Money Deposit at 1% of the Total Estimated Average One year cost of tender amount in Rs. unless exempted on account of statutory directives. Earnest Money deposit shall be paid online or by way of Demand Draft /Pay Order/Bank guarantee drawn in favour of The Superintending Engineer, Nagpur Urban Circle, MSEDCL, Nagpur on any Nationalized / Scheduled Bank payable at Nagpur valid for 90 days before the due date and time of the tender. The relevant amount and receipt No. should be mentioned in the tender.
- b) If the EMD is in form of BG, then Irrevocable Bank Guarantee of any Nationalized Bank having Branch at Nagpur in favour of The Superintending Engineer, Nagpur Urban Circle, MSEDCL, Nagpur. The format of Bank Guarantee is enclosed.
- c) Any bid not accompanied with adequate E.M.D. will not be considered for evaluation.
- d) The E.M.D. of the unsuccessful bidders will be returned by RTGS in case of online /DD mode or release of Bank guarantee as soon as possible after finalization of Tender. The Bidder has to submit application for return of the E.M.D. to this office.
- e) The E.M.D. of the successful bidder will be returned by RTGS or release of Bank guarantee when the bidder has signed the Contract Agreement and submitted performance security deposit.
- f) No interest shall be payable on the EMD.
- g) The EMD will be forfeited if the bidder withdraws his bid during the period of bid validity, or in case of successful bidder if he fails to sign the contract Agreement within specified time limit.
- h) Bidders claiming exemption from payment of EMD shall give valid documentary proof of exemption from Government Authority.

16A) Submission of Bids:

The tender is to be submitted on E-tendering portal on or before the due date and time for submission of Tender. It is advisable to submit the digitally signed Technical Bid and Price Bid sufficiently in advance of due date and time so as to avoid last minute trafficking at server. Any complaint for delay in submission of the bid due to any technical reason will not be entertained. The bidder shall scan all the documents forming part of the bidder's Technical bid and Price Bid, and convert the same into PDF format. The size of the individual documents of Technical bid and Price Bid in PDF format shall not exceed 5 MB. In case the size of the PDF document exceeds 5 MB, the PDF document shall be split up into suitable number of files of size of 5 MB or less each. There after each file shall be numbered as "Tech_ (Number & Name of Document).pdf". Then these files shall be digitally signed using the software provided by MSEDCL during registration of the bidder. The digitally signed document files shall be uploaded by the bidder on the "e-tendering" portal of MSEDCL.

16B) Amendment to Tender document:

At any time prior to the deadline for submission / opening of bids, MSEDCL may for any reason, whether at its own initiative or in response to a clarification requested by any prospective bidder, modify the Bid documents by issuing Amendment/Addendum. Any Amendment or addendum thus issued subsequently to Tender notice shall be treated as part of the Bid documents and shall be communicated through the Notice and Amendment to Tender on E-tendering portal.

17) Deadline for Submission Bids:

The Employer may extend the deadline for submission of bids by issuing an amendment /addendum notice on E-tendering portal. The Employer also reserves the right to extend the bid submission date without assigning any reason. In such case(s) all rights and obligations of the Employer and the bidders previously subject to the original deadline will then be subject to the new deadline.

18) Date and Time of Opening of Bid:

Tender shall be opened on the due date and time of Opening of Technical Bid vide e-Tendering portal in the presence of the bidders/ authorized representatives who may be present. If the due date of opening / submission of tender document is declared as holiday by Central / State Govt. or local Administration, it will be automatically shifted to the next working day, for which no prior intimation shall be given.

19) Opening of Technical Bid and Tender Evaluation:

The Employer will first open the Technical bid vide e-Tendering portal on date of Tender opening and examine payment of EMD (physical submission of DD or BG).

For Evaluation of Tender, Employer will carry out scrutiny of the online submitted/uploaded documents in accordance with the requirements of the Tender document. For qualification of bids, all qualifications mentioned are essential. If any of the documents is found to be not complying with the qualifying condition of Tender the bid will be decided as Not Qualified. Price Bid (part II) of the Not Qualified bidder will not be opened.

20) Clarification of Technical Bid Deviations:

Only bids conforming to minimum eligibility criteria and found to be technically responsive will be taken up for further evaluation. During evaluation of Technical bids the Employer may, at its discretion, ask any bidder in writing for clarification of their bid but no change in price or substance of the bid shall be sought, offered, or permitted except to confirm the correction of arithmetic or grammatical errors discovered by the Employer in the evaluation of the bids.

21) Price Bid opening:

The price bids of only technically qualified bidders will be opened after notification by the Employer to attend the online opening of the Price Bid of the bids.

22) Process to be Confidential:

Information relating to the examination, clarification, evaluation and comparison of bid and recommendations for the award of a contract shall not be disclosed to bidders or any other persons not officially concerned with such process until the award to the successful bidder has been announced. Any effort by a bidder to influence the Employer's processing of bids or award decisions shall result in the rejection of his bid.

23) Prohibition for Post tender Correspondence:

The Bidder should note that no correspondence shall be entertained or considered after the due date and time of submission of tender unless otherwise sought by the Employer.

24) Employer's right to accept or reject, any or All Bid(s):

The Employer does not bind itself to accept the lowest or any bid, neither will any reason be assigned for the rejection or part of bid. It is also not binding on the Employer to disclose any analysis report on bids.

25) Award of Contract:

Subject to qualification of bidder as specified the Employer will award the Contract to the bidder whose bid has been determined to be substantially responsive to the bidding documents and who has offered the Lowest Evaluated Bid Price, provided that such bidder has been determined to be eligible in accordance with provisions specified in Tender.

26) Agreement:

Upon Notification of Award, the successful bidder would have to execute an agreement as per company's rules, within 14 days of the intimation being given to him regarding acceptance of his bid, for successful completion of the work.

In the event of acceptance of particular bid for award of Contract, the Agency will have to execute a written agreement on the prescribed standard form as per MSEDCL's Rules. The regular stamp duty, etc necessary for completing the agreement shall have to be borne by the Agency.

27) TIME: The Essence of Contract:

The Agency shall begin the Works on the Stated Date and is to carry out the Works in accordance with the program issued to them by executing officer time to time. Detailed Work-Order will be issued after signing of agreement and submission of security deposit.

28) Scope of work:

The detail Scope of work & Technical specification is given in **section III** of the Tender document.

29) Jurisdiction:

Regarding any dispute, the decision of Employer / Tender Authority is final binding on the Bidder/Agency. Any disputes or difference arising under, out of or in connection with this tender or contract if concluded, shall be subject to the exclusive jurisdiction of the "Courts" in District / City nearest to Division or Area of work Specified in Tender and Contract.

30) Interested Concerns / Conflict Of Interest:

No two or more concerns in which an individual is interested as a proprietor and/ or partner shall tender for execution of same work. If Bidder (s) is found to be in conflict of interest, they shall be disqualified. Please furnish the undertaking /declaration towards absence of conflict of interest with other bidders participating in the Tender as given in **Annexure H**.

31) Unsatisfactory Past Performance:

Even on fulfilment of all the Tender criteria it may please be noted that:

- a) Offers of those bidders, who have been debarred/black listed for future business with our Company/ other DISCOM of India may be summarily rejected.

- b) In case of those bidders whose past performance has not been satisfactory against previous tenders / work contract of MSEDCL/ MSEB, they may not be considered for order.
Following shall attribute to poor performance of a bidder: -
(i) Non-execution of previous order(s)/ work contract
(ii) Inordinate delay in services.
- c) If Bidder has engaged in corrupt or fraudulent practices in competing for Tender or in executing any previous contract.

32) Criteria for Placement of Order:

The Lowest L-1 Bidder will be determined in Tender on the basis of Net Present Value (NPV) @10% discounted factor. **Sample working sheet is as follows:**

Sr. No.	Particulars	Bidder – 1			Bidder – 2			Bidder - 3		
		1st Year	2nd Year	3rd year	1st Year	2nd Year	3rd year	1st Year	2nd Year	3rd year
1	Year wise Rate quoted in % of Schedule rate given in Tender.	100	102	105	97	100	104	99	103	105
2	Aggregate of 3 yrs Rate in %	307			301			307		
3	Net present value factor (NPV) @10% = $1/(1.1)^n$ where n=no of years	0.909	0.826	0.751	0.909	0.826	0.751	0.909	0.826	0.751
4	Discounted rate as per NPV [row1X row 3]	90.909	84.298	78.888	88.182	82.645	78.137	90.000	85.124	78.888
5	Aggregate discounted % rate of 3 years (Consolidated Rate)	254.095			248.963			254.012		
		L-3			L-1			L-2		

The Order shall be placed on the accepted Eligible L-1 Bidder who has offered lowest consolidated rate for the Tender work. (Consolidated Rate is worked out at Row sr. no. 5 above on NPV basis @10%.)

Tender will be awarded to successful L-1 rate Bidder for contract period of 3 years on the year-wise rate accepted in Tender. No price variation will be applicable on the accepted Tender rates. GST as per prevailing statutory rates will be applicable. The performance of the Agency that is awarded the Tender will be reviewed every month.

However, MSEDCL reserves the undisputed right to split the scope in any number of contracts or may award contract for partial scope of work.

After completion of every year, review of year's performance will be taken and subject to satisfactory performance, contract will continued for next year.

However upon poor performance at any time during contract, the contract will be terminated as per Tender clause no 14 for Termination of Contract and clause 15 for Debar Action policy and procedure of MSEDCL in **Section IV** of Tender.

33) Purchaser's Right to obtain Matching Rate:

Matching of L-1 rate may be considered in Tender in view of:

- (i) stand-by Agency in case of non-response by L1 Bidder.
- (ii) Government of Maharashtra GR from Industries , Energy & Labour Department Case no 8494, dtd 31-07-2003 towards Financial empowerment of Berojgar Seva Sahakari Sanstha, etc. who are not financially capable.

Bidders may submit their consent of matching with L-1 rate as per proforma (given below) in clause 33 Section –II when called separately in Matching Bid and the matching offer must be valid for complete work period of Tender (3 years or 1 year as per the Tender). The Matching bid obtained from Bidders will be considered by sole decision of MSEDCL as per rank in Price bid next to L-1 in the event when L1 disagrees to accept & execute order or fails in performance of the Tender contract.

Matching Bid Proforma .

CONFIRMATION FOR ACCEPTING ORDER BY MATCHING RATES WITH LOWEST ACCEPTABLE TENDERER .

1	Column-A	Column-B			Column-C	Column-D
2	Name of Bidder Agreed for Matching Bid	Lowest Accepted rate in Tender in percentage of Schedule rate (declared by MSEDCL after Price Bid and Negotiation in Tender)			Whether Agreed to Match with L-1 Rate	Validity of Matching Bid offer for entire Tender work period One /Three years beyond Tender validity period.
		Year -1	Year-2	Year-3		
3		XXX *	XXX	XXX	Yes/No	Yes /No

*XXX – Prices obtained from L-1 Bidder after Price Bid and Negotiation in Tender for respective year 1 , 2 and 3 .

Note :

- 1) In the above confirmation, if the tenderer indicates any rate, then the confirmation given by the tenderer will not be considered as valid.
- 2) Above confirmation for the Quantity (Number of consumers) less than in Price Bid Schedule “B” of the Tender shall not be acceptable.
- 3) The prices indicated in the original offer shall not be considered as valid once offer for acceptance of order by matching rates is given. In the event of withdrawal of offer by matching rates within the Tender validity period, the entire offer against the tender shall become invalid and shall be summarily rejected and the earnest money paid by the tenderer shall be forfeited.
- 4) A tenderer will not be entitled to the benefit of offers by matching rates and will not be considered for orders if his original offer is rejected on the ground of ambiguity or because of not accepting/non compliance of the terms & conditions of the tender.

Section – III

Scope of Work And Technical specifications in Tender

1) Scope of Meter Reading work:

Meter Reading is to be carried out for LT consumers by methods as follows:

- (i) Static type meter and Electromagnetic meter by Mahavitaran Mobile App.
- (ii) Infra-Red (IR) and Radio Frequency (RF) communication mode meters by HHU.

- 1.01 The meter reading procedure is explained in this section from point nos. 2 to 17.
- 1.02 The scope of work of meter reading is governed by Centralized billing system which is started in MSEDCL from 1.08.2018. Under centralized billing the reading date of consumer is fixed.
- 1.03 The Centralized Billing system of MSEDCL includes **Meter reading, Validation of reading & Bill generation** is detailed below.
- 1.04 Readings of all consumers of Sub-Division to be completed within date 1 to 25th of every month including Sundays except 26th January, 1st May, 15th August, Holi festival and if required some Important public holidays as intimated in advance by MSEDCL.
- 1.05 The master data for schedule date wise reading job is prepared considering static changes such as Meter replacement, Disconnection type TD/PD, reconnection, NSC, Change of name, etc. fed into system up to one day prior to reading date.
- 1.06 Meter reading agency will be given date wise, time slot wise reading job one day before reading date through web console (e.g. reading job for 1st day of month will be given on prior one day in evening).
- 1.07 SMS regarding Meter reading date and time slot will be communicated to consumer on registered mobile nos. one day prior to reading date. Agency will have to carry out meter reading accordingly without deviation, except when allowed in exceptional cases on next day of reading date.
- 1.08 Meter reading agency has to complete reading of assigned job in next two days i.e. scheduled reading date +1day. This reading job will get automatically closed on next date of scheduled reading date. (e.g. reading job for 1st day of month will be automatically closed on 2nd day of month.)
- 1.09 All the reading captured in day should be uploaded on server on the same day. **Bulk uploading of reading is not allowed, Meter reader will have to upload the reading data on real time basis immediately after taking reading** otherwise penalty is applicable as per **section –V** for delay in uploading of reading data.
- 1.10 SMS regarding details of meter reading and consumption is given to consumer after meter reading is uploaded to server.
- 1.11 IT System will check and validate the readings uploaded by meter reader at the end of first day. On 2nd day, the exceptional reading (mobile App meter readings that do not meet validation conditions in IT system) will be verified with photo of meter reading by outsourced validation team set up by Head office (HO). If reading is corrected as per photo,

revalidation will be done otherwise reading will be sent to Subdivision. On 3rd and 4th day of meter reading, Subdivision will verify reading and if required carry out check reading and upload it on MSEDCL which will be revalidated on end of 4th day. Thus Centralized Billing processes of validation, verification and submission of check reading before Bill generation on 5th day will reduce the cases of Incorrect billed and Average billed consumers.

- 1.12 On day 2, SMS is send to the consumer whose meter reading is not made available by Meter reader or reading not taken (RNT) then these consumers are allowed to upload self-reading to server through Mahavitaran Mobile App within 48 hours.(e.g. on 3rd and 4th day of month).
- 1.13 All readings received through Meter reader agency or Subdivision validation or self-reading from Consumers is taken up for processing in billing system on 5th day.
- 1.14 The bills of all consumer in date wise reading job is generated on 5th and 6th day of scheduled reading date and consumer bill date will be 6th day of schedule reading date.
- 1.15 Centralized Billing system will upload the subdivision wise daily Bill printing files on the web console with access given to Contractor for downloading the bill printing file. Agency has to print generated bills on the same day or within 24 Hrs. whichever is earlier. (e.g. on 6th day of month)
- 1.16 The Tracking of daily Bill printing will be monitored by concerned subdivision through Mobile App of which report will be accessible on web console for viewing by Division, Circle & Zone. Report will be used for counting delay in printing.
- 1.17 Agency has to start distribution of bills to consumers immediately after printing on 6th day of scheduled reading date and complete Distribution of bills within **next 2 days** for Urban area and within **next 3 days** for Rural from bill date. (e.g. 7th and 8th day of month for Urban area and 7th, 8th and 9th day for Rural area.)
- 1.18 Under Centralized Billing system reading of all Residential, Commercial, Public services, Public water works, Streetlight, Others is carried out except LT Ag, LT Industrial >20KW consumers and HT consumers.

In this Tender scope of work will include following LT consumer up to 20kW.

Sr. no.	LT consumer category up to 20 KW	Type of meter for recording consumption of Electricity.	Meter reading By Method	Bill Printing	Bill Distribution
1	All categories except Ag. (Division office will not consider the count of below 20 KW consumers of subdivision which are currently read through MRI.)	Static & Electromagnetic	Mahavitaran Mobile App	Yes	Yes
		Infra-Red (IR) communication mode	HHU for IR meter		
		Radio Frequency (RF) communication mode	HHU for RF meter		
2	Ag Metered Urban coming under jurisdiction of Municipal corporation, Municipal Council, Nagar Parishad and Nagar Panchayat where monthly reading is carried out.	Static, Electromagnetic, IR and RF	Mahavitaran Mobile App, HHU for IR meter And HHU for RF meter	Yes	Yes

2) Reading of Non- IR/Non-RF meters through Mahavitaran Mobile App: -

MSEDCL has introduced Mobile App for meter reading from September 2016 for reading of Static and Electromagnetic meters.

2.1 The process of Mahavitaran Mobile App reading is as follows:-

2.1.1 Meter reader visits the consumer premises and the App captures the location data and ensures that meter reader has physically visited the consumer's premises for taking the meter reading.

2.1.2 Meter reader captures the photo of meter through mobile App and immediately punches the meter reading on mobile App and directly uploads to central IT server immediately.

2.1.3 Inform Theft of Electricity :

Meter reader / Employee can submit the theft information along with geo-co-ordinate and photograph of theft cases in Mahavitaran Meter reading Mobile App. The meter reader should capture photo/video of the theft or tamper of meter case and submit the same to concerned officer of subdivision/Division.

The App is to be used along with a web portal, i.e.

"[http://console.mahadiscom.in/Mobile App Web Console](http://console.mahadiscom.in/MobileAppWebConsole)" with user id's for MSEDCL employees and Agency users (supervisors and meter readers) for meter reading job creation, validation & reporting activities. While using app, it is necessary to enable data service & GPS services of mobile handset.

3) Specifications of Mobile phone for Mahavitaran Mobile App meter reading:

The agency should provide following facilities to their meter reader for Reading through Mobile App.

- (i) A smart phone with Android Operating System (OS 6.0 or above).
- (ii) Internet connectivity like GPRS/EDGE/3G/Wi-Fi/4G etc.

The Mobile Camera to be used for this operation should be 5.0 Mega Pixel or above. **Minimum specification for smart phone** for using MSEDCL App- Android OS version- Android 6.0+, Processor- 1.0 GHz+, Rear Camera- 5MP+, Internal Memory(ROM)- 4 GB+, RAM- 1GB Minimum, Expandable Memory (SD Card Memory) or equivalent additional internal memory(ROM) - 8 GB minimum for meter reading application. The successful Bidders must ensure that sufficient numbers of smart phones with good quality should be provided. Mahavitaran Mobile App (Meter Reading) must be run on handset.

Update of mobile specifications to be taken from MSEDCL before submitting Tender and as per revisions from time to time.

Meter reader and Bill Distributor who are registered on web console by Agency will be allowed the facility to avail the Mobile services plan provided to MSEDCL employees that is call & data plan having free data usage up to 5GB limit as per Circular CEC/Bandra/Mobility Services/1314 dated 27-09-2018 if they wish to avail of it in their individual capacity. MSEDCL will not take any responsibility of such connections and their payments.

4) Reading of IR/RF METERS: The reading of IR/RF meters invariably carried out through hand held unit (HHU). HHU will be provided to Meter reading Agency by MSEDCL Subdivision. After visiting consumer premises and taking the readings for the day through HHU, meter reader of Agency has to up load IR/RF reading to MSEDCL web console on same day.

It is allowed to take RF reading through Mobile App till the said RF meter is read through RF-DCU.

- 5) **Training to Meter Readers:** Suitable training will be given by the IT and O&M Division /Subdivision staff of MSEDCL to the representatives, supervisors, meter readers of successful bidder for reading through Mobile App and specially IR / RF meter reading through HHU before start of Tender work.

6) **Job of Meter reading Agency.**

The successful bidder / agency will follow the following sequence of operations while taking the meter Reading:

- 6.1.1 SDO/AA/UDC of concerned Subdivision will create necessary username for the agency Supervisor to login to the Mobile App & portal. Supervisor of Agency will assign the daily meter reading jobs to meter readers through MSEDCL web console as per scheduled reading date of Centralized Billing system for taking reading through Mobile App / HHU.

No Job can be assigned to Agency and their meter reader until their Aadhaar number and Mobile Number is provided in Mobile App Web console.

- 6.1.2 Meter reader will carry their own Mobile or mobile provided by Agency as per specifications with Mahavitaran Mobile App installed, Internet data service and GPS enabled for reading the meters at the consumer premises .
- 6.1.3 In Mobile App reading method, Meter reader will visit consumer premises, where Mobile App will capture location data to ensure meter reader has physically visited consumer premises. The meter reader will locate the consumer premises as per the DTC number, Meter route sequence and consumer billing address meter given in reading job list through Mobile App Web console.

Agency is allowed to paste pre-printed sticker containing 12 digit consumer no. on each meter or meter board or meter box. The sticker should be of suitable small size that will not conceal meter details.

- 6.1.4 **At consumer premises, Meter reader will confirm whether meter is Normal or Faulty. If meter is showing reading, Meter reader selects “0-Normal” status and captures photograph of the meter through Mobile App with mobile camera lens exactly facing the meter from electrically safe distance. The Photo taken in Mobile App should be so clear that the Meter KWH Reading (while KWH is shown on meter display), Meter Manufacture’s serial No., and Consumer No’s sticker is visible and readable. Photo of meter taken through Mobile App to be clear and non-visibility of meter reading due to flash-light is to be strictly avoided. Care to be taken while taking clear photo of meter placed inside meter box. After capturing photo of meter, Meter reader should immediately punch the meter KWH reading in mobile App.**

If meter display is OFF, then meter reader will first press battery pushbutton. If meter reading is available then meter reading should be taken, otherwise meter is faulty.

- 6.1.5 In Mobile App reading where meter reading is possible then Meter reader will select. Meter status code – **0 i.e. Normal** & When meter reading cannot be taken, Meter reader will select the proper meter status as per reason – **1. Faulty, 2. Lock, 5. Inaccessible by taking proper photo of meter or premises.**

- 6.1.6 For Normal status meter reading, reading displayed in photo of meter must tally with reading punched in Mobile App. For Normal status meter reading, reading displayed in photo of meter must tally with reading punched in Mobile App.

In future, taking of Photo through Mobile App reading method may be discontinued

- 6.1.7 Meter reader will select “**Faulty**” status of meter reading and take photo of meter for Confirmation when meter reading cannot be taken due to reasons as follows:-

- (a) Meter burnt.
- (b) Display damaged.
- (c) No display in spite of pressing Battery button for more than 3 second.
- (d) Meter appears to be failed or not recording consumption.

- 6.1.8 Meter reader will select “**Lock**” status and take photo of premises for confirmation when meter is installed inside the premises and the premises is found locked at the time of reading.

In cases where complete meter room of housing society is found locked then meter reader has to contact concerned society representative or subdivision officer immediately to avoid Average billing due to lock status.

- 6.1.9 The meter reader will select “Inaccessible status” of Meter Reading and take photo of premises or meter for confirmation and select the following appropriate reasons:

- a) Owner not permitted.
- b) No meter.
- c) Consumer not traceable.
- d) Opaque meter box.
- e) Natural calamities.
- f) Inconvenient height.

And From time to time there may be any new procedure, technological/system changes, for capturing Meter Reading as well as consumer data.

- 6.2.0 Meter reader will upload the readings to Server immediately on real time basis after reading through Mobile App for which reader will keep data service and GPS of mobile enabled and set Mahavitaran Mobile App in online reading mode and take care to keep mobile battery sufficiently charged to carry out the reading work.

Bulk uploading (batch uploading) of Mobile App reading at one go in the evening will not be permitted. The uploading of readings taken in Offline mode upon availability of network on same day will be allowed only for exceptional poor network areas. The Penalty for not uploading the reading immediately or bulk uploading of reading data later during same day or on next day of reading will be applicable as per **Section V**.

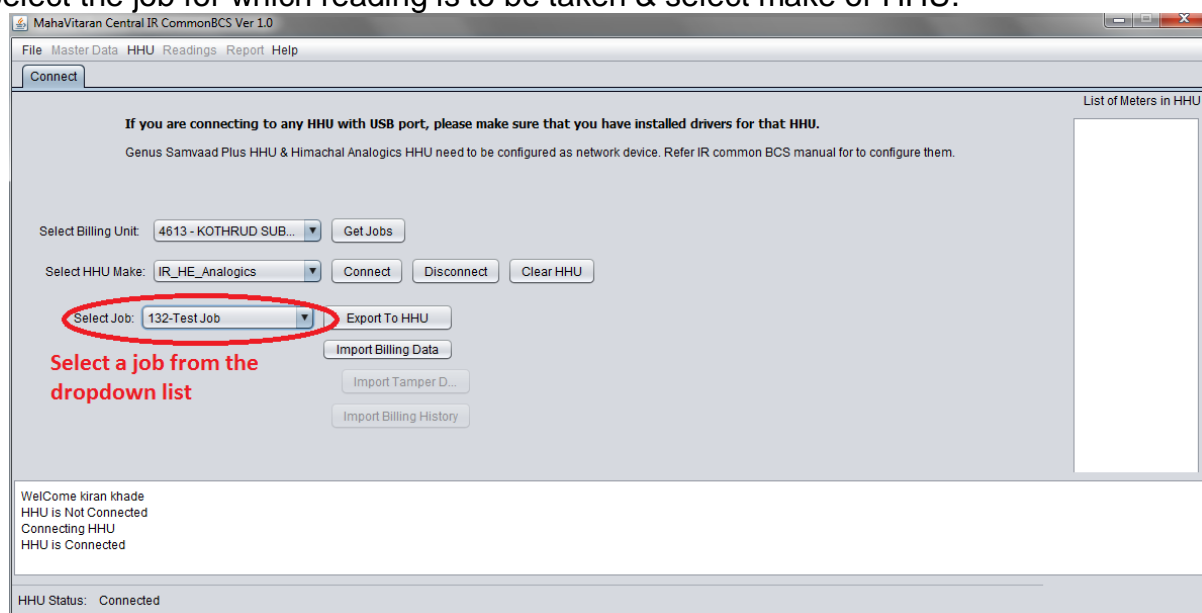

- 6.2.1 Agency is allowed to carry out Validation of Readings on second day of reading for 6 hrs (6.00am to 12.00 PM) so as to rectify the Wrong Reading or wrong meter status and also read the Reading not taken & Lock status consumers in Mobile App if possible. By this provision Agency can avoid penalty caused by any inadvertent error or due to reading not taken.

- 7) For Reading the IR & RF meters, meter reader will carry the Handheld Unit (HHU) in proper condition, full charge and reading job loaded before starting the meter reading for the day.

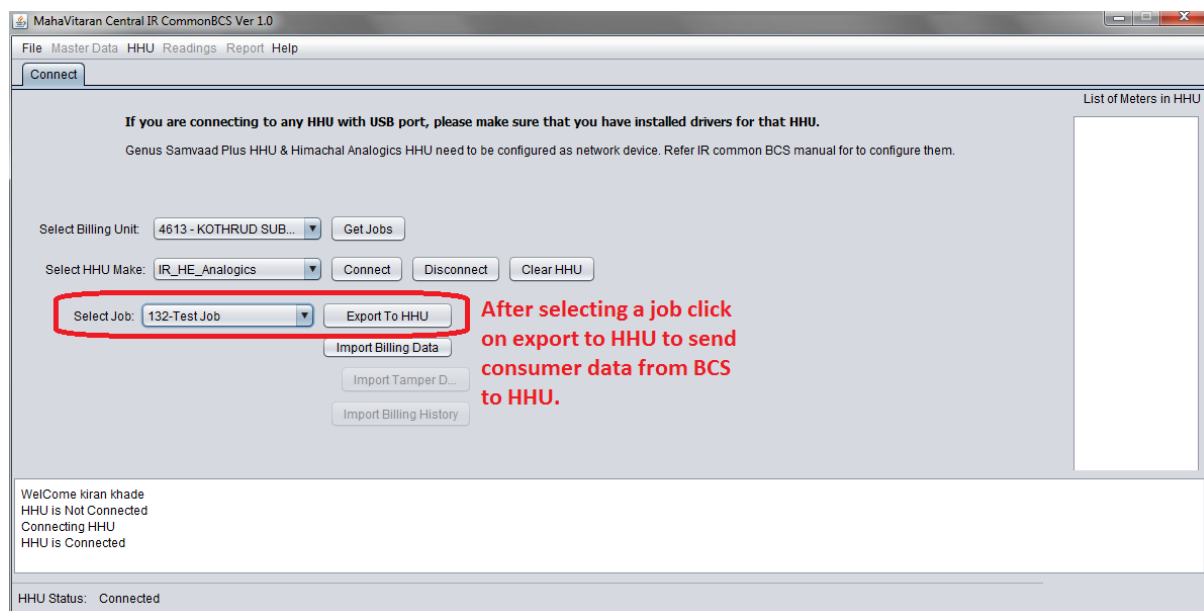

The reading of IR/R.F. meter shall be taken with Hand Held Unit Device provided by MSEDCL as per specification of IR and RF meter. Agency will make entry of receipt and return of HHU mentioning the HHU details in register maintained at Subdivision. If HHU is damaged then Agency will report to subdivision and if HHU is lost or stolen from custody of Agency, then Agency will lodge FIR at police station and intimate to subdivision.

7.1.0 The HHU reading job for IR meter reading is uploaded in HHU as follows:-

- (i) Meter reader will connect HHU to computer on which internet facility is available & MSEDCL centralized IR common BCS is installed. The pre-requisites for IR common BCS are Java.
- (ii) Run program “IRCOMMONBCS.jar”
- (iii) Login with user name and password given for Agency.
- (iv) After successful login, billing units allotted for that agency will be displayed on screen.
- (v) Select the billing unit and click on button ‘Get Jobs’.
- (vi) Now the list of jobs available for meter reading will be displayed on screen. Select the job for which reading is to be taken & select make of HHU.

- (vii) Click on button ‘connect’.
- (viii) Click on button ‘Export to HHU to send the reading job details from BCS to HHU.

- (ix) Success message is displayed on screen which indicates successful transfer of consumer records (reading job) to HHU.

7.1.1 For IR meter reading, the Meter reader will visit the consumer premises, stand in front of meter and hold the IR port of HHU facing the IR port of meter with maximum distance of 1 metre. The steps for downloading the readings from IR meters using IR hand held unit is as follows:-

- a) Power on Hand Held Terminal (HHU) by pressing red colour 'power on' button.
- b) Enter password for IR HHU you are using. Password is different for every model of HHT. After successful entry of password, HHU will enter into main menu.
- c) Now stand in front of meter with IR Hand Held Terminal (HHU) with maximum distance of 1 meter.
- d) IR port of HHU is on back side of screen of HHU. IR port of meter is on right hand side of meter. Hold IR port on HHU in front of IR port of meter.
- e) Press button '1' on keypad of HHU. This will select option 'Billing Data' to download billing data. Now HHU will download billing data. Hold HHU in same position until download completes.
- f) After successful downloading billing data, HHU will give two sound beeps to indicate successful downloading of data and long sound beep to indicate download failure.
- g) To download tamper data, press button '2' which will select option 'Download Other Data'. The sub menu will be displayed on HHU screen.
- h) Now press button '2' on HHU keypad. Now HHU will start downloading tamper data. After completion of download, HHU will give two sound beeps to indicate successful downloading of tamper data.
- i) At the end of job completion, verify the statistics displayed under menu 'Statistics' wherein following meter count is displayed.
 - I) Total Meters present in job.
 - II) Total Meters downloaded.
 - III) Total Meters not downloaded.
 - IV) Total Meters downloaded out of job.

7.1.2 For uploading the IR HHU readings to server, the HHU will be connected to Computer having IR BCS programme and internet connectivity.

- (i) Login with user name and password.
- (ii) Select appropriate Billing Unit.
- (iii) Click on get Jobs.
- (iv) Select job from dropdown list.
- (v) Click on import Billing data.
- (vi) HHU data will be automatically uploaded to server.

- (vii) Success message is displayed on screen which indicates successful Upload of meter reading data.

7.2.0 For RF meter reading, the meter reader will visit the area of consumer premises within range of maximum 30 metres. Meter reader will identify the meter type which is “6 Low PAN root” or “Zigbee co-ordinator” and download the billing data from RF meter as follows :-

- a) Power on Hand Held Terminal (HHU) by pressing red colour ‘power on’ button.
- b) Enter password for RF HHU you are using. Password is different for every model of HHU. After successful entry of password, HHU will enter into main menu.
- c) Before downloading meter data, identify the meter which is ‘6LoWPAN root’ or ‘Zigbee coordinator’.
- d) Now stand near to RF meter which is ‘root’ or ‘co-ordinator’.
- e) Press button ‘1’ on keypad of HHU if you want to download Zigbee RF meters. Press button ‘2’ on keypad of HHU if you want to download 6LoWPAN RF meters. Then HHT will enter into main menu.
- f) Now press button ‘2’. Then HHU will move to next screen.
- g) Thereafter press button ‘1’ to select option ‘Manual Download’.
- h) Press button ‘2’ again. Now list of ‘root’ meters or ‘co-ordinator’ meters will be displayed.
- i) Select the ‘root’ meter for which data to be downloaded.
- j) Now HHU will download billing data from all RF meters available in the RF network, one by one.
- k) After successful downloading billing data, message will be displayed on HHU screen.
- l) To download tamper data, press button ‘2’ on main screen.

- m) On next screen, press button '3'.
- n) Now enter meter serial number for which tamper data to be downloaded.
- o) HHU will download tamper data from that meter. After successful download of meter, message will be displayed on HHU screen.

7.3.0 The HHU reading of IR/R.F. meters should be uploaded on Web console as per instructed procedure. After completion of 1000 consumers or less readings in Single HHU, Meter reader will upload HHU data of IR & RF meter through web console login after reading batch of 500 to 1000 consumers per HHU immediately and then take up next batch or next area of reading with intimation to Billing officers of Division/Subdivisions i.e. (UDC/AA/AE/DyEE/Add.EE) who will monitor the progress of reading jobs for the day in Web console.

If Meter reader cannot upload reading data taken in HHU of IR & RF meters after completing 500 to 1000 readings as per determined limit of consumer batch size then it will be allowed till end of the second (2nd) day up to 5.30 p.m.

7.4.0 The reading of IR and RF meter will have to be carried out through HHU only otherwise if reading is taken in Mobile App then reading data will be flagged and penalty applicable as per Service Level Agreement (SLA) in **Section V** will be automatically deducted from the Agency's payment amount. The consumers whose readings are not obtained through HHU on first day will be allotted as Mobile App reading job on 2nd day. In future, IR/RF meter reading through Mobile App will be disabled.

7.5.0 Agency will take Mobile App photo meter reading of IR/RF meters which are not communicating with HHU and doing all the works as prescribed above under intimation & permission of concerned subdivision

8) The Agency through their Meter reader or Bill Distributor will carry out Additional incentive based activities at following schedule of Incentive rates:

Sr. No	Activity	Work instructed by	Work to be carried out	Incentive in Rs. (Per consumer)
1	Name & Address correction excluding ownership transfer	Existing consumer request	Capture photo of identity and address documents.	Rs. 0.50
2	New Mobile No. registration	Subdivision or IT	Obtain Mobile No.	Rs. 0.20
3	E-mail address	Subdivision or IT	Obtain Email address.	Rs. 0.20
4	Updation of consumer activity	Subdivision or IT	Capture photo of activity or use of electricity.	Rs. 0.50
5	Meter of live consumer found which is not available in Job of meter reader due to cluster mismatch. (Wrong Cluster)	Subdivision or Found during reading.	Capture photo of meter / site and upload the location address with geo Co-ordinates leading to Billing/Recovery/Assessment. As found during reading. (First one time only).	Rs. 2/-
6	Replacement meter of live consumer is found that is not fed in IT. (Replacement not fed)	As found during reading at first time only		Rs. 5/-
7	Meter no. of New consumer not fed in IT	As found during	Capture photo of meter / site and upload the location address	Rs. 20/-

	(consumer appears in Paid pending list) (NSC Pending)	reading.	with geo Co-ordinates leading to Billing/Recovery/Assessment. As found during reading. (First one time only).	
8	Meter found at site/premises but neither billed nor found in paid pending list. (Illegal Connection)	As found during reading.		Rs. 250/-
9	Meter found connected at site of PD consumer but consumer is unbilled. (need PD to live)	As found during reading.		Rs. 100/-
	Information of Electricity Theft where there is No Meter at site (excluding Ag) Or Theft of Electricity carried out through or outside Meter.	As found during reading.	Applicable after action taken by MSEDCL as per EA - 2003	Ind - Rs. 1000/- Comm - Rs. 500/- Others – Rs. 250/-

The cases of Additional incentive based activities carried out by Agency will be verified at the end of every month by Division office and the approved Indent of Incentive payment will be submitted to Billing and Revenue section, Corporate office, Prakashgad for further approval.

- 8.1.1 Meter of every consumer to be read on scheduled date of Centralized Billing or Billing program (+1 day tolerable) for scheduled billing cycle. In case of Quarterly billed consumers the meter reading will be carried out every quarter once in 3 months as per meter reading schedule given. It is probable that billing cycle of Quarterly may be changed to bimonthly or monthly any time during the contract period for which Agency will be informed for meter reading.
- 8.1.2 Visitor entry should be made in Visitor's Register of Society/premises wherever maintained. Meter reader will display Identity card bearing sign and seal of Agency authority at the time of visit of consumer premises.
- 8.1.3 Web console reading Job status report will be considered only for making payments. Agency should carry out timely meter readings of the entire consumers allotted for meter reading work as per reading schedule of Billing during the contract as per conditions of work order awarded.
- 8.1.4 The Agency will carry out the reading work during day time 8:00 to 17:30 Hours in Urban and Rural areas. Agency must ensure that the work of Meter reading shall be scheduled in such a way that the period of load shedding in the particular area is avoided.
- 8.1.5 While taking meter reading if any illegal connection or unbilled consumer is found which is not found in the allotted Job list. The details of meter, location & reading of that meter will be informed through Web console or Mobile App. This will be a one time job. Photos of address locations of Non Traceable consumers with location should be submitted and informed to Sub-Division as well as Division Office.
- 8.1.6 In case Agency finds incorrect Day group or mismatched BU of consumers, then after due verification, he should submit correct Day group, address of consumer to concerned Subdivision Officer (SDO). Subsequently SDO should correct the same before next billing cycle.

9) Reading Not taken by Meter reader –The Reading job is to be completed in totality by the Agency on scheduled day. e.g. A job containing 50 consumers

should be submitted with 50 readings only. If less than Total readings are submitted by meter reader in the job then the remaining will be treated as without reading –“Reading not taken.” for which no charges will be paid and penalty will also be deducted from monthly payment bill as per **section V**.

- 10) The scope of meter reading work shall cover the consumers existing as on the date of award of the contract and in further period of contract shall also cover the new consumer's added and other category of consumers in MSEDCL. The Count of RF meter will increase progressively, in future it is expected that RF reading will be read through RF-DCU due to which work of RF meter reading will correspondingly decrease.
- 11) Agency has to deploy manpower considering prescribed norms for meter reading per day per meter reader in urban /rural areas +5% contingency considering the Total number of Subdivision consumers allotted to Agency for reading on the day as per Centralized Billing reading schedule.
- 12) The Agency shall not entrust the work on sub contract, transfer or assign the contract or any part thereof to any other party without consent / permission of MSEDCL competent Authority . In case if it is not followed it will be treated as breach of contract and contract will be terminated at contractor's risk and cost.
- 13) The Agency must arrange their own Transport for manpower and Staff engaged in meter reading, collection of pre-printed stationary, delivery of printed Bills to Subdivisions, collection of printed bills for Distribution, Bill distribution to consumer along with the required material, equipment, mobile, etc. including HHU provided by MSEDCL. Hence Agency must consider all such costs at the time of quoting the rates in Tender.
- 14) If it is noticed that the bogus readings are shown without visiting the consumer's premises & such bills are issued to consumers, FIR will be lodged against meter reader or Agency as found in the case. The Penalty of entering Bogus/Wrong reading will be recovered as per **Section-V** of Tender.
- 15) If Agency or its staff i.e. (individual meter reader /bill distributor) if found involved in any fraudulent practice being carried out by them , then Agency as well as individual will be liable for action on both fronts, i.e. civil (financial losses) & criminal (forgery, involvement/abetment in theft etc.).
- 16) If any malpractice , fraud, bogus reading , intentional wrong reading is found , then the case will be examined, the say of the Agency shall be considered before proceeding for FIR and prior approval in writing of Corporate Office (Billing & Revenue) will be taken before lodging FIR against Agency.
- 17) Agency shall indemnify MSEDCL against any liability or damages from any wrong, fraudulent acts, crime committed by persons employed in Agency during execution of the contract work .Serious action shall be initiated against the Agency if any of the official & staff engaged by it misbehaves with consumers/ MSEDCL officials or gets into any act which may hamper the image of MSEDCL and causes any financial loss to MSEDCL.

18) Scope of work for Printing of LT bills:

- 18.1 After the Bill generation, MSEDCL-IT will upload the Bill printing files on Web-console. MSEDCL will provide Bill file in PDF format only. Agency will have to use suitable bandwidth to download the same. After printing of bill file, Agency should intimate to Distributor and AA/SDO of concerned Subdivision about completion of printing of Bills and handover/Delivery printed Bills through Web console for respective PDF file.
- 18.2 **After Bill printing PDF file is made available on Web console, Printing Agency will print and deliver the Bills to AA/SDO of concerned Subdivision within 24 Hrs.** Meter reading, Bill Distribution & Bill Printing work will have to be carried daily including Sundays except 26th January, 1st May, 15th August, Holi festival and if required some Important public holidays as intimated in advance by MSEDCL.
- 18.3 Agency will be required to carry out Printing of Bills that is variable billing data on both sides (front & back) of the pre-printed LT Bill stationary provided by MSEDCL in first year. From second year, scope of Bill printing work may be discontinued for which one month prior intimation will be given.
- 18.4 The Agency will install /own/hire or lease Laser printers at one or more printing locations in concerned Sub-division or Division Area so as to ensure prompt timely delivery of bills to consumers.
- 18.5 The Printing sites will be established and managed by the Agency by arranging on their own all the machinery, printers, Standby printers, material, manpower, Electricity, standby power supply, Internet and Information Technology, etc. MSEDCL reserves the right to carry out inspection of printing set-up before placement of order and during the execution of contract at any time as deemed fit. The work of Printing Bills has to be executed by the Agency itself and no work or part shall be sublet to subcontractor.
- 18.6 The Agency shall obtain from MSEDCL O & M Sub-Division sufficient pre-printed LT Bill stationary required for Monthly Bill printing and inform shortage well in advance during the contract period. The Agency shall arrange to collect the pre-printed stationary from concerned Sub Division /Division office as per requirement.
- 18.7 The Agency shall make use of Laser Printers for Bill printing. (Details of Printers specifications and daily capacity to be submitted by the Bidder in the Tender).The Agency will require setting up printing machinery considering the daily total work received for printing of Bills in month for entire Subdivision consumers billed.
- 18.8 The Agency shall print the variable Bill data with fonts in English & Marathi language, Bar code, QR code, MSEDCL messages to consumers as per the MSEDCL format and design approved at the start of contract. During further period of contract when Bill format, design and colour are revised by MSEDCL, Agency will have to make necessary changes on same rate terms and conditions of the contract.
- 18.9 The Agency should be capable of handling increased print load without affecting the Distribution time specified.
- 18.10 The Quality of print should be clear, visible, no ink spread and with 100% readability of bar code, QR code, etc. In case need arises, MSEDCL will depute a person to monitor the printing of bills. The Printing of variable Bill data should be properly aligned. For any misalignment by which the numeric figures of bill data are printed outside respective field or bill data figures are not legible due to over-printing. One

Sample each of proper and improper printing alignment is enclosed in Tender at **Section X**.

- 18.11 After Bill printing PDF file is made available on Web console, Agency will print and deliver the Bills to AA/SDO of concerned Subdivision within 24 Hrs.

Agency will **immediately** update in Web console the status “Printed” upon printing for respective Bill printing file and status “Delivered” upon delivery or handover to sub division or Bill distribution for respective Bill printing file. Further Agency will maintain record of stationary consumed for Bill printing work.

19) Scope of work for Bill Distribution Activity.

- 19.1 Upon receipt of Bill Distribution job in Web console, Agency has to arrange to **immediately** collect the Printed bills from concerned Subdivision and start distribution of bills to consumers or consumer premises immediately so as to complete Distribution of bills **within two days/48 Hours for Urban area and within three days/72 hours for Rural from receipt of printed Bills**. After Bill Distribution to consumer/consumer premises, Bill Distributor will **immediately** update status in Web console “Distributed” for respective Bill group.
- 19.2 If any complaint is received from consumers on MSEDCL customer care / website/portal that they had received the bills after prompt payment date or they have not received the bills for the month, then penalty as per Service level Agreement (SLA) in **Section-V** will be deducted from the Agency’s bill.
- 19.3 Agency has to deploy manpower considering prescribed norms to ensure 100% Bill Distribution is completed within allowed 2 days for Urban area and allowed 3 days for Rural area +5% contingency considering the Total number of consumers allotted to Agency for Distribution on the day.

Bill Distribution time up to within four days/96 hours from receipt of printed Bills will be allowed only for remote tribal and hilly locations in rural areas notified by respective Subdivision offices and Subdivision office will tag such consumers in IT system.

20) Monitoring of Agency by Subdivision/ Division for Meter Reading, Bill Printing and Bill Distribution.

- 20.1 Concerned B&R Staff of Sub-division and Division will sort out all the problems arising to Meter reading Agency regarding Mobile App /IR/RF reading.
- 20.2 Agency shall inform Sub-division wise details of Supervisor & Co-ordinator details of Meter Readers and Bill Distributors i.e. Name, Mobile No, address, Aadhar No. for co-ordination with Sub Division and Division. Agency will inform the contact details of co-ordinators /supervisors assigned/appointed at printing sites.
- 20.3 MSEDCL B&R Staff of Sub-division and Division will carry out independent checks like 5% check reading on the work allocated to successful bidder and any action in contradiction to the work order will be dealt strictly as per law, liable for termination of contract.
- 20.4 The work of Bill printing carried out at printing sites of Agency will be inspected at random for print quality and delay time by sub-division or Division B&R officer. Bill printing will be tracked and monitored through web console for follow-up and to avoid delay.

20.5 For monitoring of delay in Bill Distribution and Non Distribution of Bills, system generated SMS will be sent to random sample of monthly rotated different consumers. If it is found that Bill Distribution is carried out beyond time frame (48 /72 Hrs.) or there is complaint registered regarding Bill not received or Delay in Bill receipt submitted by consumer through Mobile App, Web self-service of MSEDCL website or MSEDCL Help line no / Customer care no will be counted.

21. The quantity of consumers may increase due to addition of new consumers or decrease due to permanent disconnections. The quantity may also vary on account of on-going contracts of meter reading, billing etc. in the respective Sub-Division. In such case, only after the completion of the on-going contracts, the quantity may be allotted to the successful bidder. Successful bidder must take into account such possible variations for bills. The scope of work in Tender may be affected by advancement in Technologies implemented in MSEDCL like RF meter reading through DCU and Go-Green Bill facility as availed by consumers.

22. Contractor's Staff Details and Consumer Billing Data required for Tender work:

22.1 The Agency has to submit the list of Meter Readers, Bill Distributors and supervisory staff indicating their Name, Identity card no, Aadhar no. And their mobile nos. upon issue of LOA in Tender to concerned Sub-division and Division Office in detail.

22.2 Provision of Aadhar number and Mobile Number is mandatory for Meter reader and Bill Distributor as no job can be assigned to agency user until Aadhar number and Mobile number is provided in Mobile App / Web console.

22.3 All manpower deployed by the Agency should be suitably qualified minimum SSC pass or ITI or Maharashtra State Certificate in Information Technology (MSCIT) and trained for the allotted job i.e. Meter reading, Bill distribution and bill printing intended to be performed by them.

22.4 The manpower should be conversant with local languages, i.e. to working knowledge of English, Hindi & Marathi so as to interact with consumers.

22.5 The deputed manpower should be extremely polite with consumers/MSEDCL Staff and should be able to address consumer grievances about Energy bills.

22.6 It will be mandatory for Meter reading/Bill distribution employees of Agency to display the Identity Card issued by Agency having following details:-

- I. Identity card no.
- II. Logo, Name, Address contact of Meter reader & Bill Distribution Agency.
- III. Meter reader Name and photo.
- IV. Date of Issue.
- V. MSEDCL Tender No. , Division & Subdivision name.
- VI. Contract period.
- VII. Sign and seal of Agency Authority.

22.7 Sufficient number of coordinators will have to be employed by Agency to ensure smooth working with different MSEDCL offices.

22.8 If the MSEDCL asks the Agency to remove a person who is a member of Agency's staff or work force for any type of misbehavior or repeated defaults observed in meter reading and other contractual work of Tender, the Agency will ensure that within three days such person will have no further connection in future with the MSEDCL meter reading, printing and Bill distribution work of Tender contract.

22.9 The information about any staff (Meter reader or Bill Distributor) leaving the Agency

or newly added to the Agency should be informed to concerned Sub-division/Division by Agency.

- 22.10 The Consumers Data for Meter reading, Bill printing and Bill Distribution will be provided to agency through Web Console. The Agency will have to carry out preliminary geographical survey of the Area covered in Tender to avoid delay in carrying out work of Tender.
- 22.11 Agency will have to make own arrangement for their Meter readers and Bill distributors of Transport, Mobile and Computer with Internet connection, which is required for logging on MSEDCL web-console for assigning daily sub division meter reading jobs to meter readers. Also other required instruments, machines, computers printers along with necessary consumable will have to be arranged by Agency except for HHU.

23) Safety Provisions:

- 23.1 Adequate precautions shall be taken to prevent danger from electrical HT/LT installation. The Agency shall provide necessary personal safety equipment maintained in proper condition to protect his staff from accidents during working at site. Agency shall be bound to bear expenses for defence of every suit, action, other proceedings by law that may be claimed by any person for injury sustained owing to neglect of the above precautions and to pay any damages and costs which will be imposed in any such suit, action or proceedings to any such person or which may with the consent of the contractor be paid to compromise any claim by any such person.
- 23.2 When work is done near any place where there is risk of drowning, all necessary equipment shall be provided and kept ready for use and all necessary steps taken for prompt rescue of any person in danger and adequate provision made for prompt first aid, treatment of all injuries likely to be sustained during the course of the work.
- 23.3 Persons responsible for ensuring compliance with the safety provisions shall be named therein by the contractor.
- 23.4 To ensure effective reinforcement of the rules and regulations relating to safety precautions, arrangements made by Contractor shall be open to inspection by MSEDCL Representative.
- 23.5 Should any accidents, fatal or otherwise occur, a detailed report about the same shall be made promptly by the contractor to the Sub Division Engineer. The contractor should at all time during the work keep the M.S.E.D.C.L. fully indemnified against all risks, claims, litigations and financial burdens arising out of all incidental operations on work and accidents.

The process flow chart for sequential scope of work activities–Meter Reading, Bill Printing and Bill Distribution to be carried out is detailed in following **Annexure-1**.

Annexure- 1: Process Flow chart for Scope of work Activity Process Flow for Meter Reading By Meter Reader of Agency

Day-0

Subdivision AA/UDC creates Agency on portal.
Subdivision creates Meter reader on portal with details of Mobile no and Aadhar number.

Agency Supervisor allots reading Job to Meter reader through web console as per Centralized Billing schedule for meter reading. Agency supervisor loads reading job in HHU for IR&RF meter reading.

System generated SMS is sent to consumer informing about Meter reading date and time.

Day-1

Before visiting consumers, Meter reader logs in to Mahavitaran Mobile App with user name & password to check reading job /carries HHU loaded with reading job through Web console & locates the consumer premises as per DTC No and billing address on their scheduled reading date and time.

Reading of Static & Electromagnetic meters by Mobile App

If Meter shows reading, meter reader reads as follows:-

- (i) select '0-Normal' as status,
- (ii) captures photo of meter with KWH reading in display with meter sr. no and 12 digit consumer no. clearly visible
- (iii) Enter KWH reading in Mobile App and

If Meter is Faulty, damaged or display is not showing reading then meter reader selects Faulty status, captures photo in Mobile App and uploads it on server immediately.

If premises is Locked or Meter is Inaccessible due to which meter reading is not possible, then Meter reader selects respective Status 'Lock' or 'Inaccessible', captures photo and uploads it on server.

Reading of Infra-Red (IR) / Radio frequency (RF) communication meters by HHU.

- Meter reader will arrive in range of meter (face IR meter within 1 metre and within 30 metres for RF meter), press HHU buttons and downloads meter reading data in Hand held unit as per instructed procedure.
- Meter reader will upload HHU reading data (up to 1000 Consumers on) ON Web console.

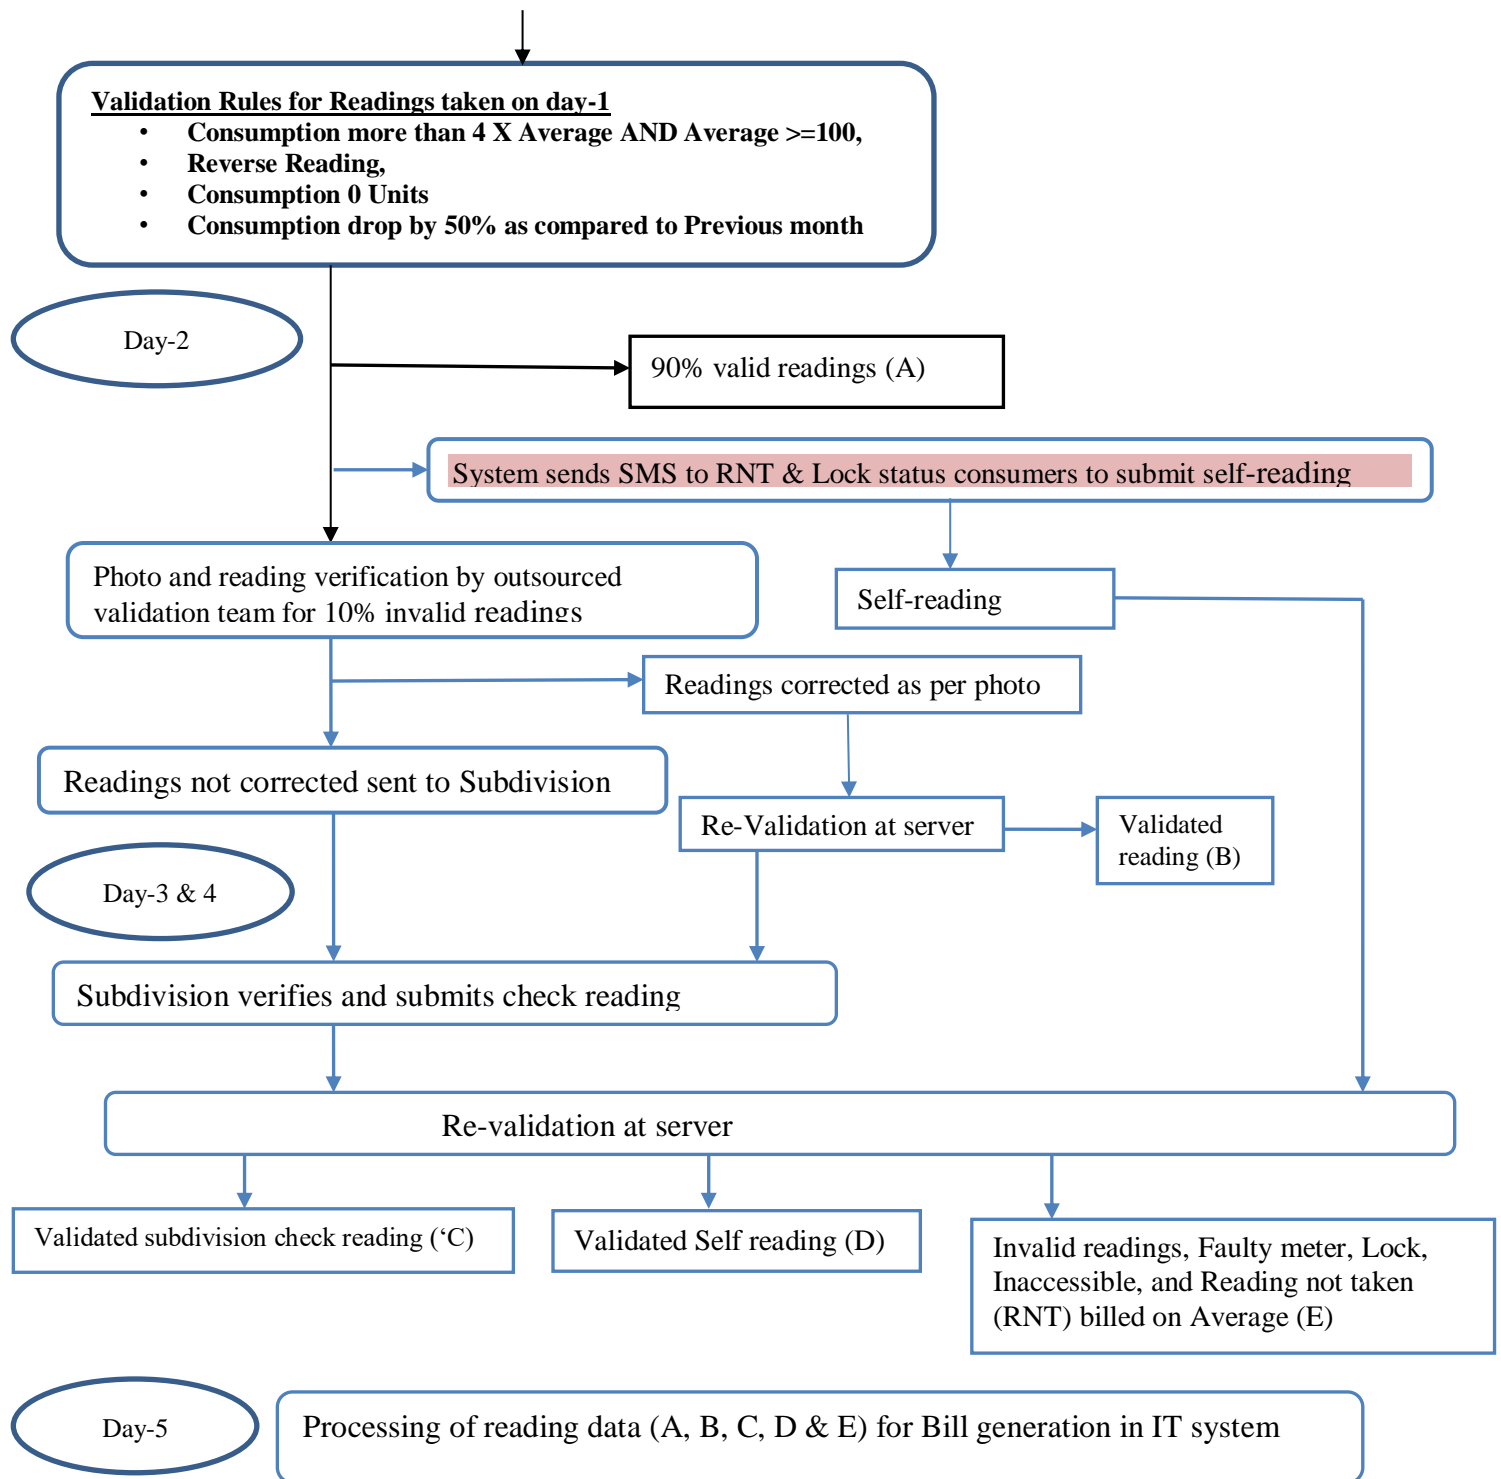

If IR/RF Meter reading is not obtained in HHU on 1st day, then web console will reassign HHU reading job in Mobile App for reading on 2nd day, if meter reading is taken, then meter has communication port problem, otherwise if reading cannot be taken then meter is faulty.

After Meter reading, System sends SMS to consumer about reading, reading date, time & consumption
For Reading Not taken, Faulty, Lock, Inaccessible consumers, system sends SMS for self-reading on Day-2

Process Flow for Reading Validation and Bill Generation at MSEDCL end

Day-1(Night)

Reading taken on day1 as per Reading job list

Process Flow for Bill Printing and Bill Distribution

1. System generated SMS is sent to consumers informing Bill date, Bill amount & Due date.
2. System sends SMS to Printing Agency to print the Bill files and as per unique Bill PDF file

Agency prints the Bills (variable bill data) on both front & back side of pre-printed LT Bill stationary at their printing sites. Pre-printed stationary will provided by MSFDCL.

Printing Agency updates status of respective Bill PDF file as “Printed” in Web console upon printing.

Printing Agency updates status of respective Bill PDF file as “Delivered” in Web console upon Delivery”
System generates SMS to Concerned SDO regarding readiness of Printed Bills for Distribution.

Monitoring of Bill Printing Quality as found in random check of Subdivision, noticed by Bill Distribution Agency & consumer complaint and feedback from Bill collection Agencies.

End of Day-6

SDO acknowledges receipt of printed Bills of respective Bill PDF file on web console.
System sends SMS regarding Bill Distribution Job created for Distribution Agency through Web console.

Day-7, 8 & 9

Bill Distribution Agency distributes printed bills in urban areas on 7th & 8th day and in rural areas on 7th, 8th and 9th day and in notified remote ,tribal and hilly area upto 10th day from day-1 of reading.

Bill Distributor updates status “Distributed” upon Distribution for respective Bill group on web console.
System generates SMS to Concerned SDO regarding completion of Bill Distribution Job.

Day-16 PPD
& 27 Due date

System generated SMS to monthly random consumer sample enquiring receipt of bill before prompt payment date and before due date

Monitoring of consumer’s complaints regarding delay or Non receipt of Bill on customer care no. Mobile App. Email and Mahadiscom Web self-service.

Consumer Data Sheet of Subdivision and Daily Reading schedule of LT consumers up to 20kW (Excluding quarterly billed AG consumers).

The Quantum of Meter reading work, Bill Printing and Bill Distribution work in Tender is as follows:

Consumer Category below 20KW	Total live Consumers of Subdivision as on date 31/12/2019	Breakup of consumers as per type of meter and Urban/Rural Area					
		IR meter to read by HHU		RF meter to read by HHU *		EM+Static to read by Mobile App	
		Urban	Rural	Urban	Rural	Urban	Rural
RCI (Division office will not to consider the count of below 20kW consumers of subdivision which are currently read through MRI.)	52749	0	0	0	0	52749	0
Other Non Ag (includes PWW, Streetlight, Public services, Others, etc.	372	0	0	0	0	372	0
Ag Urban consumers coming under jurisdiction of Municipal corporation, Municipal Council, Nagar Parishad and Nagar Panchayat where monthly meter reading is carried out	45	0	N.A.	0	N.A.	45	N.A.
Total	53166	0	0	0	0	53166	0

*** The Count of RF meter will increase progressively, in future it is expected that RF reading will be read through RF-DCU due to which work of RF meter reading will correspondingly decrease.**

The number of consumers above is as on 31/12/2019 is tentative and may vary (increase or decrease).

Tentative day wise reading Programmed for the Sub Division

Day of month	No of readings on the day	Day of month	No of readings on the day	Day of month	No of readings on the day
Day-1		Day-11		Day-21	
Day-2		Day-12		Day-22	
Day-3		Day-13		Day-23	
Day-4		Day-14		Day-24	
Day-5		Day-15		Day-25	
Day-6		Day-16		Total	
Day-7		Day-17			
Day-8		Day-18			
Day-9		Day-19			
Day-10		Day-20			

*- Subdivision will allot day wise reading job to Agency.

SECTION-IV

Terms and Conditions of Tender and Contract

1. EFFECT OF CONTRACT.

The Contract shall be considered as having come into force from the date of issue of Letter of Award to the successful bidder. The successful bidder shall start work from the stipulated date intimated by MSEDCL. All work shall be executed in accordance with the prevailing laws in India, relating to the work and rules & regulations there under, wherever applicable. Any liability arising out of contravention of any of the laws shall be the sole responsibility of the Agency and MSEDCL shall not be responsible in any manner whatsoever.

2. CONTRACT PERIOD AND TIME THE ESSENCE OF CONTRACT.

The Agency will have to execute the Contract for the work awarded for the **Contract period of 36 months or 3 years and 12 months or 1 Year (RF DCU Town Subdivision where more than 60% consumer will be read through RF-DCU)** from date of Commencement as Notified in the Award of Contract.

The decision of the Employer (Tendering Authority of MSEDCL) in connection with operating schedule and instruction will be final and binding to the Agency. After completion of every year, review of year's performance will be taken and subject to satisfactory performance, contract will extended for next year.

For Subdivisions where RF-DCU installation for Meter reading is under progress, Subdivisions will float One year Tender where number of consumers that will be covered by RF-DCU is more than 60% of Subdivision Tender consumers. In these Subdivisions , Agency will be awarded work for contract period of 12 months or 1 year only.

3. PERFORMANCE SECURITY DEPOSIT.

The Agency (successful bidder whose bid is accepted by the Company for issue of award for the Tender work) shall have to furnish Performance Security Deposit **@ 5% of average one year value of contract** in Indian Rupees in the form of Bank guarantee in the Tender prescribed format from any Indian Public sector / Private Sector, Scheduled Bank in favour of "Maharashtra State Electricity Distribution Company Limited", payable at Nagpur office of MSEDCL within 15 (Fifteen) days from the date of Letter of Award. The Unconditional Bank Guarantee towards Performance Security Deposit shall be valid for entire Contract period of 3 years plus 6 months claim period.

Agency will have to pay additional Performance Security deposit if additional work order is issued later. Agency shall agree to extend the Bank guarantee if required in future. If Contractor firm fails to make payment of Performance Security Deposit within 15 days as above then the contract awarded shall be liable to be terminated at the risk and cost of the Agency and Agency shall be solely responsible for the consequences arising out of such termination.

The Performance Security Deposit is for the due performance of the Contract and MSEDCL shall forfeit the Performance Security deposit in the event of

- (i) Failure to execute this contract **Or**
- (ii) Any other contract ,
- (iii) Poor performance and
- (iv) Non-fulfilment of the terms and conditions of the Contract.

The Performance Security Deposit shall be returned to the Agency after due performance of the contract as per terms and conditions and expiry of the Contract period provided there are no claims outstanding to be recovered against the Agency. No Interest shall be paid by MSEDCL on Performance security deposit furnished by the Agency.

4. PERFORMANCE OF CONTRACT.

The Execution of Contract in adherence to Scope of work and the Terms & Conditions detailed in Tender document and Contract will constitute Performance of the Contract.

5. INSURANCE / RISK COVER.

The Agency shall as per the Government of Maharashtra Resolution, contractors' all risk (CAR) insurance policy or Transit cum Erection (TCE) or Erection all risk (EAR) insurance in respect of contract works awarded by MSEDCL as principle to the contract work and workman's compensation insurance in respect of workmen engaged and deployed by the Agency to complete contract work, is required to be obtained from the Director of Insurance, the Govt. of Maharashtra as per the Letter from H.O. vide No. IR/Insurance/9623 dtd.13/04/2012. The same should be submitted by agency to concerned Division in charge within one month after placing detailed work order to agency.

The Agency shall be responsible for taking insurance and risk coverage that may be required at its own cost for successful execution of Contract if applicable.

6. TERMS OF PAYMENT.

After satisfactory completion of the works on monthly basis, Agency shall submit monthly invoices online for the Tender work done of Meter reading, Bill printing, Bill Distribution taken in a month. System generated report shall be confirmed by MSEDCL office.

Before release of payment through Centralized payment system, the penalty will be evaluated on the basis of System generated IT reports.

- I. Exceptional readings found in IT validation
- II. IR/RF meter reading not taken by HHU
- III. Photo of meter is not taken in Mobile App
- IV. Consumer meter reading not taken (RNT)

- V. Delay in uploading of reading
- VI. Delay in Bill printing & etc as per tender document

For poor printing quality, wastage of pre-printed stationary and complaint of non-distribution of Bills, concerned Sub-Division will provide the month wise-information for deduction of penalty.

If Wrong status or wrong reading is detected in subsequent meter readings, bill revision or consumer complaints, then such penalty will be deducted from further month bills or performance security deposit.

100% payment will be made **through Centralized Payment system** within 45 days after the monthly work is executed subject to it is found that all contractual formalities are complete and Bills are submitted along with requisite documents.

No interest or penalty will be payable by MSEDCL on account of non-payment of bills or delay in releasing the payment. No advance payment / mobilization advance shall be paid. The Taxes and TDS applicable as per statutory rate shall be deducted from the payment amount.

Work is to be measured as per standard procedure. The Agency shall be directly responsible for payment of wages to their workmen. Payment shall be done as per the actual meter reading through mobile apps/HHU uploaded in server along with photo, quality bill printing & bill distribution within time frame.

The amount of payment of agency's bill will be considered only for readings of consumer taken under 4 status – Normal, Faulty, Locked and Inaccessible as per Scope of work in Tender & system generated reports. Necessary penalty for non-compliance to conditions of Tender will be applicable for bill printing & distribution also.

7. LIQUIDATED DAMAGES: (Other than PENALTY in Section V)

The essence of this contract is that the successful bidder carries out Tender work in time so that bills absolutely correct in all respects are issued to the consumers in stipulated time period. Thus it will be mandatory on part of the successful bidder to carry out the work of allotted quantity as per the scope (in totality) and as per the billing group of the respective sub-division within the specified time.

If the Agency fails to execute the work in time, the same will be got executed through other agency at Agency's risk and cost will be recovered from Agency. If Tender work is delayed, not satisfactory or not executed then Agency will be liable to penalty up to 25% of bill amount of monthly meter reading work

In case Hon. Regulatory Commission penalizes MSEDCL , levies fine/penalty on account of non-compliance of standard of performance with respect to bills issued under this contract (delay or wrong bill or other billing reason) where Agency is responsible, the same penalty /fine will be on Agency's account & it will be deducted from Agency's bill.

If performance of Agency is found not satisfactory then contract will be terminated with levy of Liquidated damages in addition to forfeit of Performance Security Deposit.

8. Defect Liability Period:- Defect liability period should be (36+6)= 42 months for 3 Year Contract and (12+6)= 18 months for 1 Year Contract date of LOA.

9. OTHER IMPORTANT GENERAL TERMS AND CONDITIONS.

- a) **Patent Rights and Royalties:** Royalties and fees for patents covering materials, articles, apparatus, devices, equipment's, software and processes used in the works shall be deemed to have been included in the contract price. The Contractor shall satisfy all demands that may be made at any time for such Royalties of fees and they alone shall be liable for any damages or claims for patent infringements and shall keep the Employer indemnified in that regard.
- b) Agency shall be liable to fulfil all the conditions/ provisions of Employees State Insurance Act 1948, Payment of wages Act, 1936, Minimum Wages Act 1948, Employees Liability Act 1938, Workmen's compensation Act 1923, Industrial Disputes Act 1947, Indian Factories Act 1948, Maternity Benefit Act 1961, Employees Provident Fund & Miscellaneous Provisions Act 1952, Shop & Establishment Act 1948, Payment of Gratuity Act 1972, Payment of Bonus Act 1965, Maharashtra Workmen's Minimum House Rent Allowance Act, 1983, Contract Labour Regulation and Abolition Act 1970 ,etc. or any modification thereto or any other law relating thereto and rules made there under from time to time. This office will not be responsible for any shortcomings & liabilities out of these acts. Any damage, compensation, disputes arising out of this contract will be at Agency's Cost,Risk. Agency shall bear the entire responsibility, liability and risk relating to coverage of work force under different statutory regulations and statutory provisions. Agency shall consider all the provisions of Law at the time of submitting the Tender.
- c) All prevailing Government Resolutions (GR), Acts, Rules, Regulations and statutory provisions as per Law will be applicable to Tender.

10. GUARANTEE.

All services to be provided are to be guaranteed for correctness and conductance as per acceptable norms and in the event of any failure on the part of Agency, MSEDCL will be entitled to terminate the contract at risk and cost of Agency. Further, necessary legal course of action, as deemed fit; will be taken for recovery of MSEDCL dues.

11. Communication and Notices.

All communication or notice to be given to Agency under the terms of the contract shall be served by sending the same in writing by registered post at the Agency's principal place of business (or in the event of Agency being a company at its registered office) or by Email address provided by Agency.

12. CONFIDENTIALITY OF CONTRACT.

The Agency shall treat the contract and everything contained therein as private and confidential. In particular, the Agency shall not publish any information, drawings or photograph concerning the works and shall not use the sites for the purpose of advertising without written consent of MSEDCL and subject to terms and conditions as he may

prescribe. The Agency shall have to maintain the confidentiality of the billing information provided by the company. Leakage of the same is liable to be treated as breach of contract.

13. Indemnity against Liability.

- 1) Agency will indemnify MSEDCL against any liability or damages by way of compensation arising from any accident to person or property of persons in the Agency's employment.
- 2) Agency shall indemnify MSEDCL against any liability or damages by way of compensation arising from any accident to any other person related to or unrelated to Agency or MSEDCL.
- 3) Necessary payment and liabilities shall be the responsibility of Agency irrespective of payment received from MSEDCL or otherwise.
- 4) All taxes and dues (present or future) payable to government and or local authorities in respect of these works shall be the responsibility of Agency and the Agency will have to indemnify MSEDCL against liabilities on account of such levies or taxes.

14A. TERMINATION OF CONTRACT

If repeated mistakes are observed against the same agency, this shall be treated as utter failure of it and FIR will be filed/contract shall be terminated with black listing of the same. In case the Agency fails to deliver the work within the specified time during the contract period or in case the services are found not in accordance with the prescribed norms, the MSEDCL shall exercise its discretionary power to avail from elsewhere, after giving due notice to the Agency, at the risk of Agency, such services and to cancel the contract reserving MSEDCL's right to recover damages, notwithstanding that the powers referred above are in addition to the rights and remedy available to the MSEDCL under the General Law of India relating to contract. If Normal billing goes down below 90% for continuous three months, and then Competent Authority can take a decision for termination of contract.

If performance of Agency is not satisfactory or for any breach of contract terms and conditions, then contract will be terminated with levy of damages and Performance Security Deposit will be forfeited.

In the event of risk purchase of services of similar description, the option of MSEDCL will be final. In the event of such action taken, agency will be liable for any loss which the MSEDCL may sustain on that account, and agency will not be entitled to any saving on such purchases made against default

- (i) MSEDCL may, upon written notice of default, terminate contract in the circumstances detailed hereunder : -
 - a) If in the opinion of MSEDCL, the Agency fails to execute the Contract within the time specified or during the period for which extension has been granted by MSEDCL.

- b) If in the opinion of MSEDCL, the Agency fails to comply with any of the other provisions of this contract and found to be not in accordance with prescribed specifications, and / or the approved samples.
- (ii) In the event of such termination, MSEDCL shall exercise the discretionary powers as:
- a) To recover from the Agency, Liquidated damages and Penalty as mentioned in the **Section V** for Penalty, **AND / OR**
 - b) To cancel the contract reserving MSEDCL's rights to recover damages.
- (iii) Powers under sub-clause (ii) referred to above, are in addition to the rights and remedies available to the Company under the law of India relating to contract.
- (iv) In the event, MSEDCL does not terminate the Contract as provided above, the Agency shall continue execution of this order, in which case he shall be liable to MSEDCL for liquidated damages & penalty as per **Section V** of Tender documents.
- (v) Due to advance Technology and if adopted by MSEDCL and if it affects the scope of work or even discontinue the Tender work by serving 1 month notice, the Agreement will come to an end and in that case no damages will be claimed by the Agency.

14B. Right to cancel the contract .

The Employer (MSEDCL) shall have the right to cancel the contract wholly or in part in the event it is obliged to do so, on account of any decline, diminution, curtailment or stoppage of work (s) by giving **2 months' notice and MSEDCL will not provide any compensation to the Agency.** This is in addition to the Right towards termination of Contract upon written notice of breach of contract terms or Non-satisfactory performance of Agency.

14C. Willful unconditional exit of contract to Agency.

If Agency requests to terminate the contract then Agency will be allowed to exit the contract **upon expiry of 6 months' notice period** due to any reason, then the Employer (MSEDCL) may terminate the contract without compensation to the Agency reserving right to recovery of penalty /damages incurred if any from the Performance security deposit and balance Performance SD will be released.

15. DEBAR POLICY AND PROCEDURE OF MSEDCL

If Agency either repeatedly fails to complete the allotted work as per schedule or fails to rectify major defects notified and to maintain quality of work or continues repeating the same defects and further again in any subsequent orders / work contracts issued, either partly or completely or found to have committed deception, fraud or misconduct or any other act which is not in the interest of MSEDCL thereby violating the provisions of tender/contract conditions; then in such event the MSEDCL reserves every right to take penal actions which may, inter alia, include termination of the contract and / or debarring the tenderer from

participating in future tender/ tenders for maximum up to 5 years and in exceptional cases the cumulative period for debarring may be extended up to 10 years and area of debarment is for entire MSEDCL along with any penal action as deemed fit for recovery for liabilities as stated in the tender document. In case of failure on part of successful bidder at any stage of tendering and execution, the bidder/ contractor may be debarred as per MSEDCL debar policy provided on MSEDCL website link.
(Refer Policy and Procedure for debarring of Agencies from business dealings with MSEDCL as per Circular vide ED(Infra)/Tech/Debar policy/no. 14238 dated 11.06.2018.)

16. Legal.

Notwithstanding anything contained in clause No.14 under Section IV of this tender document, in case agency breach any terms or conditions of this contract by which monetary loss occurs or agency deceives to MSEDCL then MSEDCL may initiate legal action by filing of FIR or recovery suit in court of Law or both against such agency.

If Meter reader or Agency personnel is found to indulge in fraudulent practices, then civil or criminal proceedings will be carried out against Agency to claim the damages incurred /deemed to incur to MSEDCL by filing of recovery suit.

17. Force Majeure:

MSEDCL will not be in any way liable for non-performance either in whole or in part of any contract or for any delay in performance thereof in consequence of strikes, shortage, non-availability of raw materials, combination of labour or workmen or lockout, breakdown or accident to machinery or accidents of whatever nature, delay in arranging the transportation of any instrument / system, subject to the provision and stipulation made in condition as stated above for Liquidated damages.

However, due consideration may be given in the levy of liquidated damages for reasons absolutely beyond the control of the Agency, for which documentary evidence shall be produced to the satisfaction of the Competent Authority of MSEDCL.

18. DISPUTE RESOLUTION BEFORE ARBITRATION.

Settlement of Disputes:

All disputes and differences of any kind whatsoever arising out of or in connection with the contract, whether during the progress of the work or after its completion and whether before or after the determination of the contract, shall be referred by the contractor to the Executive Engineer.

a) Dispute Resolution Committee:

A three Member Dispute Resolution Committee shall be constituted with one member representing the bidder & the two members of MSEDCL (including one member from Account Department). The Committee shall (within 120 days) after receipt of the contractor's representation make and notify decisions of all matters referred to by the contractor in writing. In case the Dispute resolution committee fails

to resolve the dispute, the matter shall be resolved by arbitration as stipulated under the Arbitration Act 1996.

b) Notices:

Any notice given by one party to the other pursuant to this contract shall be sent to other party in writing or by E-mail and confirmed in writing to the other party's address specified. A notice shall be effective when delivered or date on the notice, whichever is later.

For the purpose of all notice, the following shall be the address of the MSEDCL.

Executive Engineer Maharashtra State Electricity Distribution Co. Ltd. Gandhibag Division, Dist.- Nagpur, Pin- 440008, Telephone: 9607926436 Extn. : _____ Email: eegandhibag@gmail.com
--

Contractor: Name & Postal Address, contact nos., fax no. etc. (To be filled in at the time of contract signature)

c) Need for Arbitration: MSEDCL and the Contractor shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them.

- i. If, after thirty (30) days, the parties have failed to resolve their dispute by such mutual consultation, then either MSEDCL or the Contractor may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given.
- ii. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration. Arbitration may be commenced at any time during the validity of rate contract.
- iii. Arbitration proceeding shall be conducted in accordance with the rules of procedure specified.

d) Arbitration Procedure:

In case the Dispute resolution committee fails to resolve the dispute, the matter shall be resolved by arbitration in the manner provided herein below:

The arbitration shall be conducted by three arbitrators, one each to be nominated by the Contractor and MSEDCL and the third to be appointed by both the arbitrators in accordance with the Indian Arbitration Act. If either of the parties fails to appoint its arbitrator within sixty (60) days after receipt of a notice from

the other party invoking the Arbitration clause, the arbitrator appointed by the party invoking the arbitration clause shall become the sole arbitrator to conduct the arbitration.

The language of the arbitration proceedings and that of the documents and communications between the parties shall be English. The arbitration shall be conducted in accordance with the provisions of the Indian Arbitration and Conciliation Act, 1996 or any statutory modification thereof.

The decision of the majority of the arbitrators shall be final and binding upon the parties. In the event of any of the aforesaid arbitrators dying, neglecting, resigning or being unable to act for any reason, it will be lawful for the party concerned to nominate another arbitrator in place of the outgoing arbitrator.

During settlement of disputes and arbitration proceedings, both parties shall be obliged to carry out their respective obligations under the Contract.

Any disputes or differences arising under, out of or in connection with this tender or contract if not concluded shall be subject to jurisdiction of courts in respective MSEDCL O&M Division area. The Indian Law shall govern the contract.

19. CORRESPONDENCE.

Copies of all important correspondence regarding the order shall be endorsed to the Concerned Division office of MSEDCL with copy to respective Subdivision.

SECTION – V

Penalty applicable for Non-compliance of Tender conditions

Agency shall provide services as defined in Scope of Work, in accordance to the definitions and conditions as defined in this Tender.

1. Service level Agreement (SLA): This SLA is between Agency and MSEDCL. The purpose of this SLA is to clearly define the levels of service to be provided by Agency to Employer (MSEDCL) for the duration of this contract or until this SLA has been amended and to makes explicit the performance related expectations on performance required by the MSEDCL .This SLA will assist MSEDCL to control levels and performance of services provided by Agency.

2. Penalty in Tender:

Tenderers shall note that the following penalty is part of Service level Agreement (SLA) that reflects the measurements to be used to track and report systems performance on a regular basis. The Penalty shall be applicable to the Contract against this Tender.

2.1 Penalty For Meter reading work:

Sr. No.	Details of Default or work not carried out as per Tender forming part of Service level agreement.	Penalty to be applicable
1	<p>If Meter reader takes reading of IR/RF meter in Mahavitaran Mobile App without MSEDCL permission.</p> <p>It is allowed to take RF reading through Mobile App till the said RF meter is read through RF-DCU .</p>	40% monthly rate of Mobile App reading per consumer.
2	<p>If Meter reader does not take photo of meter or the KWh reading in photo of meter is not visible in Meter reading by Mahavitaran Mobile App.</p> <p>If meter in field are on height or on place below stair case, in corner, on the well, etc, in such cases the photo of the meter is not clear, the reading is visible to the meter reader and to maintain normal billing efficiency the reader punches the reading.</p> <p>Penalty will not be applicable till such meters are made accessible / visible by concerned Subdivision. Concerned subdivision / Division office will tag such consumers and scope will be given to Empanelled maintenance Agency for shifting of meter location.*</p>	50% of monthly rate of Mobile App reading per consumer.

3	If Meter reader enters Wrong reading in Mahavitaran Mobile App and it is found in Validation. And Or If Meter reader enters wrong meter status in Mahavitaran Mobile App and it is found in Validation or at the time of subsequent bills.	<p>Penalty :</p> <table><tr><td>Total Percentage of Wrong reading and Wrong meter status work in the billing month of reading taken</td><td>Penalty applicable @monthly rate of Mobile App reading per consumer.</td></tr><tr><td>Up to 0.25%</td><td>No Penalty</td></tr><tr><td>0.25% to 0.50%</td><td>5 times</td></tr><tr><td>0.50% to 1%</td><td>10 times</td></tr><tr><td>Above 1%</td><td>50 times</td></tr></table> <p>The percentage of Wrong reading will be reviewed every month and if trend of wrong reading is found to be increasing with no improvement , then show cause notice will be issued to Agency on the basis of monthly/quarterly report .</p>	Total Percentage of Wrong reading and Wrong meter status work in the billing month of reading taken	Penalty applicable @monthly rate of Mobile App reading per consumer.	Up to 0.25%	No Penalty	0.25% to 0.50%	5 times	0.50% to 1%	10 times	Above 1%	50 times
Total Percentage of Wrong reading and Wrong meter status work in the billing month of reading taken	Penalty applicable @monthly rate of Mobile App reading per consumer.											
Up to 0.25%	No Penalty											
0.25% to 0.50%	5 times											
0.50% to 1%	10 times											
Above 1%	50 times											
4	If Meter reader enters wrong reading in Mahavitaran Mobile App and it is found in Check reading.	If in Check reading it is found that Reading entered by Meter reader is wrong then Penalty of 1% Monthly Bill will be charged if error percentage is more than 5%. Further If error percentage is found more than 10% then notice for contract termination to be issued.										
5	If Meter reader does not take Reading (RNT) of consumers after initial 2 month of contract	Agency will receive Nil payment for reading not taken and in addition from 3 rd month, penalty will be deducted from payment bill amount at 50% rate of Mobile App reading per RNT. [e.g. 50% of Rs 5.50 = Rs 2.75 per RNT will be deducted from bill].										
6	<p>If Meter reader does not upload reading taken in Mobile App immediately or carries out bulk/batch uploading of reading data on same day.</p> <p>Meter reader does not upload reading data taken in HHU of IR & RF meters after completing 500 to 1000 readings as per determined limit of consumer batch size <u>then it will be allowed till end of the second (2nd) day up to 5.30 p.m.</u></p> <p>* Subdivision officer will certify areas having network connectivity problems and tag such consumers in IT system for relaxation of penalty to Meter readers facing difficulties in immediate uploading of meter readings.*</p>	Rs. 1.00 per consumer reading.										

7	Uploading of Mobile App reading data on next day of reading. <u>Uploading HHU reading of IR & RF meters after second day of reading date.</u>	Rs. 1.50 per consumer reading.
---	---	--------------------------------

2.2 Meter Reading Quality will be monitored by way of Exceptional readings after Validation process, 5% check reading, count of Reading not taken (RNT) and consumer complaints. Reading of IR & RF meters not taken by HHU without specific reason and permission will be monitored through IT system.

Agency is allowed to carry out Validation of Readings on second day of reading for 6 hrs (6.00am to 12.00 PM) so as to rectify the Wrong Reading or wrong meter status and also read the Reading not taken & Lock status consumers in Mobile App if possible. By this provision Agency can avoid penalty caused by any inadvertent error or due to reading not taken. (provision is also mentioned at Section –III ,clause 6.2.1)

3.1 Penalty for Bill Printing work.

Sr.No.	Details of Default or work not carried out as per Tender forming part of Service level agreement.	Proposed Penalty to be applicable
1	After Bill printing PDF file is made available on Web console, Agency will print and deliver the Bills to AA/SDO of concerned Subdivision within 24 Hrs.	Rs. 0.10 per Bill per day
2	The Printing of variable Bill data should be properly aligned. For any misalignment by which the numeric figures of bill data are printed outside respective field or bill data figures are not legible due to over-printing.	Rs. 0.05 per Bill
3	If printing of Bill is not clear, faintly visible, having ink spread, bar code /QR code is not readable and figures of reading data and various Energy charges and Bill amounts in Rs. is slightly legible.	Rs. 0.05 per Bill
4	If Agency wastes Pre-printed stationary supplied by MSEDCL by more than 2%.	Rs 0.47 per wasted bill (MSEDCL procurement cost including GST) after accounting the excess stationary demanded by Agency.

3.2 Bill Printing will be tracked and monitored through web console report for counting the delay in printing delay and Print quality observed by MSEDCL staff and consumer complaints. Bill printing quality and wastage of stationary will be inspected by Sub Division at printing and Distribution centre.

4.1 Penalty for Bill Distribution up to consumer /consumer premises.

Sr. No.	Details of Default or work not carried out as per Tender forming part of Service level agreement.	Proposed Penalty to be applicable
1	<u>If Bill is not distributed to consumer within Two days/48 hrs (Urban area) and Three days/72 Hrs</u>	Rs. 0.10 per Bill per day

	(Rural area) from receipt of printed bills. Bill Distribution on up to within four days /96 Hours from receipt of printed bills will be allowed only for remote tribal and hilly locations in rural areas notified by respective Subdivision offices and Subdivision office will tag such consumers in IT system.	
2	Non Distribution of Bill to consumer/consumer premises.	Rs. 2.00 per Bill

4.2 The Complaints of Bill Distribution delay or Non Distribution will be monitored through consumer complaint vide Email, Mobile App, Web self-service and consumer phone call received on customer care /help line number in reply to system generated sample SMS sent to different consumers in rotation every month.

4.3 The penalty for any default in work as per section V of the tender contract for Meter reading, Bill printing and Bill Distribution will be calculated for Performance monitoring but will not be imposed to Agency till completion of first 2 months only and will be applicable from start of 3rd Month from the date of issue of LOA for both 3 year and 1 year (Sub-Division where RF-DCU work is in progress) Tender contract.

4.4 In case of major natural disaster/calamities occurs in tender area beyond control of agency decision for exemption in penalty will be taken by Billing & revenue section Corporate Office.

5.0 Breach of SLA.

In case the Agency does not meet the service levels mentioned above for three (3) continuous time-periods as specified in the relevant clause, the MSEDCL will treat it as a case of breach of Service Level Agreement.

The following steps will be taken in such a case:-

1. MSEDCL issues a show cause notice to the Agency.
2. Agency should reply to the notice within three working days.
3. If the MSEDCL authorities are not satisfied with the reply, the MSEDCL will Initiate termination process as per Tender.

Section – VI

Consent to Optional Activity of Meter replacement And/Or Meter Shifting.

The Activity of 1. Meter Replacement & 2. Shifting of meter to accessible location is already covered in scope of contractors empaneled for maintenance work. So it is proposed that this scope of work is optional.

The agency that gives option to carry out these activities will be treated as empanelled agency for that sub-Division with following conditions-

- The Agency will have to carry out Meter Replacement and Meter shifting activity as per the schedule of rates circulated or empanelment tender rates finalized by concerned Division for concerned Division/Sub-division.
- The Agency opting to carry out these activities should possess valid electrical contractor License.
- Agency giving mere consent does not entitle for right to carry out these activity against this tender. Concerned division may issue separate work orders in line with empaneled agencies for these activities against O&M Budget of the division for particular financial year.
- Agency not opting to carry out Meter Replacement and Meter shifting will not affect the Eligibility of the Agency to qualify in the Tender.
- The consent format for above conditions is incorporated in the tender document at **Annexure- M.**

CONTRACT AGREEMENT

(To be executed on Rs. 200/-non-judicial stamp paper as per Maharashtra Stamp Act and Stamp fee as per value of Contract Awarded and other expenses of execution of agreement to be borne by Agency)

THIS AGREEMENT is made on the _____ day of _____ Between the Executive Engineer, MAHARASHTRA STATE ELECTRICITY DISTRIBUTION COMPANY LIMITED, Division, ----- of (Maharashtra State, India) (hereinafter “the Employer”) shall unless repugnant to the context include their successors, heirs, assigns of the one part and M/s _____ (name of Contractor) of (city and Country of Contractor) (hereinafter “the Agency”) shall unless repugnant to the context include their successors, heirs, assigns of the other part.

WHEREAS the Employer has invited bids in Tender no _____ for the work of **“Monthly Meter Reading of LT consumers up to 20KW (Excluding AG consumers other than Ag Urban consumers coming under jurisdiction of Municipal corporation, Municipal Council, Nagar Parishad and Nagar Panchayat) under Subdivision vide Mahavitaran Mobile App, IR/RF HHUs, Bill Printing and Bill distribution up to consumer /consumer premises”** as defined in the bid document and Employer has accepted the bid by the Agency in Tender and Employer is desirous that the Contract for above Tender work should be executed by the Agency for the sum of Rs. _____ in words (Rs. _____ only in figures) (Hereinafter “the Contract Price”)

NOW THIS AGREEMENT WITNESSETH AS FOLLOWS:

- i. In this agreement words and expressions shall have the same meanings as are respectively assigned to them in the Conditions of Contract referred to. The tender document shall be deemed to form and be read and construed as part of this Agreement, viz.

Section no	Section Title
I	Letters to Tenderers & Instructions for E-Tender submission.
II	Instructions to Tenderers and General Terms and Conditions of Tender.
III	Scope of Work in detail and Technical Specifications in Tender, Process flow chart of Tender & Consumer data sheet of Division.
IV	Terms and Conditions of Tender & Contract including Debar policy & procedure.
V	Penalty Applicable for non-compliance of Tender conditions.
VI	Consent for Optional Activity of Meter replacement And/Or Meter Shifting
VII	Pro forma of Annexures of Tender Technical Bid Submission.
VIII	Abbreviations, Terms and Definitions of Tender.

2. In consideration of the payments to be made by the Employer to the Agency as hereinafter mentioned, the Agency hereby covenants with the Employer to execute the Contract and to remedy defects therein in conformity in all respects with the provisions of the Contract.

3. The Employer hereby covenants to pay the Agency in consideration of the execution of the Contract and the remedying of defects therein, the Contract Price of such other sum as may become payable under the provisions of the Contract at the times in the manner prescribed by the Contract.

4. Priority of documents: - The documents forming the Contract are to be taken mutually

explanatory of one another. If there is ambiguity or discrepancy in the documents, MSEDCL shall issue any necessary clarification or instruction to the Agency and the priority of documents shall be as follows:

- i. The Contract Agreement.
 - ii. Letter of Award & Detailed Award of Tender.
 - iii. The Bid offered in Tender including Accepted Price.
 - iv. Terms and Conditions of Contract.
 - v. MSEDCL Requirements and specifications.
 - vi. Agency's Technical Proposal.
5. Period of Contract – The Contract shall come into force from _____ and remain in force till _____ for three years covering Financial year 2019-20, 2020-21 & 2021-22. The defect liability period shall cover the contract period plus additional 6 months from the expiry date of contract.
6. Scope of work: As defined in Detailed Award of Tender.
7. Quantity variation: As defined in Detailed Award of Tender.
8. Prices: The rates for contractual work carried out payable to the Agency shall be as per Accepted in Tender brought out in Detailed Award of Tender. Taxes will be applicable as prevailing statutory rates.
9. Terms of payment: As defined in Detailed Award of Tender and clause 6 of Section IV Terms and Conditions of Tender and Contract.
10. Performance Security Deposit: As defined in Detailed Award of Tender and clause 3 of Section IV Terms and Conditions of Tender and Contract.
11. Penalty: The Penalty shall be as per Service level agreement brought out in Detailed Award of Tender and **Section V** – Penalty applicable for Non-compliance of Tender conditions.
12. Termination of Contract – MSEDCL may upon written notice of default terminate the Contract as per **clause 14A & 14B** of Section IV Terms and Conditions of Tender and Contract. After completion of every year, review of year's performance will be taken and subject to satisfactory performance, contract will continued for next year.

IN WITNESS whereof the parties hereto have caused this Agreement to be executed in accordance with their respective laws the day and year first above written.

ANNEXURE- M

Proforma of Consent to option of carrying Meter Replacement and Meter shifting as per schedule of rates or empanelment tender rates .

Consent to Optional Activity of Meter replacement And/Or Meter Shifting.

Sr no.	Activity	Consent Option
1	Meter Replacement	Yes / No
2	Shifting of meter to accessible location	

The agency that gives option to carry out these activities will be treated as empaneled agency for that sub-Division with following conditions-

- The Agency will have to carry out Meter Replacement and Meter shifting activity as per the schedule of rates circulated or empanelment tender rates finalized by concerned Division for concerned Division/Sub-division.
- The Agency opting to carry out these activities should possess valid electrical contractor License.
- Agency giving mere consent does not entitle for right to carry out these activity against this tender. Concerned division may issue separate work orders in line with empaneled agencies for these activities against O&M Budget of the division for particular financial year.
- Agency not opting to carry out Meter Replacement and Meter shifting will not affect the Eligibility of the Agency to qualify in the Tender.
