CIRCULAR

Subject: Go-Live of Inspection Portal for inspection of material procured by MSEDCL.

Various materials are being procured by MSEDCL as per procurement policy of company. To ensure the quality of material, inspection of said material is required. Accordingly, to conduct timely inspection and maintain consolidated data, an "Inspection portal" is created for managing inspection of various material procured.

Inspection call will be submitted on Inspection Portal by all Vendors and Contractors those are registered with MSEDCL E-tender portal.

After receipt of material readiness intimation call against scheduled contract & PO from registered vendor through Portal, the order placing authority of respective MSEDCL office will assign the inspection call to MSEDCL's Inspecting authority/ Third Party Inspector (ERDA) through Portal. After completion of inspection of material, the respective inspecting authority has to upload the inspection test result through inspection portal at factory site.

The "Inspection Portal" is made Live on 15.07.2020.
