

Pre-Bid Queries (Tender No. - HO/IT/Computer Peripherals/2021-22/1)

Tender Name: tender for "procurement of IT infrastructure equipment for various offices of MSEDCCL

Sr no.	RFP Section	Pg. No.	RFP Clause	Query	MSEDCCL Response	Corrigendum (Yes/no)
1	Delivery Period :Section II Point 6: Page no. 20	20	Bidders shall supply, install & commission the entire material within 60 days from Date of letter of award or Dispatch instructions.	Considering the present situation of shortage of IC chips and Panels, we request you to change the delivery period to 120 days from the date of letter of award or dispatch instruction.	No change. Will be as per tender	No
2	Annexure D Page no 28 Technical Specification Item 1: (i3) Laptop with bag	28	Processor:Min. Intel Core i3 8th or higher Generation	As per the current technology available, we request you to change it to Intel Core i3 11th Generation processor. If 8thGeneration or above is mentioned the Department may get older generation processors which may affect the warranty also.	Accepted,refer corrigendum/revise tender for changes done	Yes
3			Processor Base Frequency: Min. 2.1 GHz turbo frequency upto 3.9 Ghz	We request you to change it to 3.0 GHz and 4.1 GHz as per the 11th Generation processor	Partially accepted. refer corrigendum/revise tender for changes done.	Yes
4			Processor Cache: Min. 4 MB	We request you to change it to 6 MB cache	Accepted,refer corrigendum/revise tender for changes done	No
5			RAM Min. 8 GB DDR 4 (expandable up to 16 GB) with Min. 2 DIMM slots	We request you to removed DIMM slots as latest technology laptops may not come with DIMM	RAM Slots other than DIMM also allowed. refer corrigendum/revise tender for changes done	Yes
6			HDD Capacity Min. 1 TB @ min. 7200 rpm	We request you to change it to 512 SSD as per the latest technology/ mention as 1 TB HDD @ 5400 rpm/ 512 SSD	Partially Accepted,refer corrigendum/revise tender for changes done	Yes
7			Display Type: Min HD Display (Antiglare) IPS	We request you to change it to FHD IPS display for better viewing	Accepted,refer corrigendum/revise tender for changes done	Yes
8			SB Ports: Min. 3 No. (2 nos. -3.0 USB and 1 no. - USB port)	We request you to change it to Min 3 USB Ports as each OEM's will have different combinations of USB Ports	Partially accepted. refer corrigendum/revise tender for changes done.	Yes
9			Technical Specification Item 2: (i5) Laptop with bag	29	Processor: Min Core i8 th or higher generation	As per the current technology available, we request you to change it to Intel Core i5 11th Generation processor. If 8thGeneration or above is mentioned the Department may get older generation processors which may affect the warranty also.
10	Processor Base frequency Min. 2.1 GHz with turbo frequency upto 4 Ghz	We request you to change it to 2.4 Ghz to 4.2 Ghz as per 11th Generation processor			Partially accepted. refer corrigendum/revise tender for changes done.	Yes
11	Processor Cache: 6 MB	We request you to change it to 8 MB cache			Accepted,refer corrigendum/revise tender for changes done	No
12	RAM: Min. 16 GB DDR 4 (expandable up to 32 GB) with Min. 2 DIMM slots.	We request you to removed DIMM slots as latest technology laptops may not come with DIMM			RAM Slots other than DIMM also allowed. refer corrigendum/revise tender for changes done	Yes
13	SSD: Min 128 GB	We request you to remove SSD and consider only HDD/SSD			Accepted,refer corrigendum/revise tender for changes done	Yes
14	HDD Capacity: Min. 1 TB @ min. 7200 rpm	We request you to change it to 512 SSD as per the latest technology/ mention as 1 TB HDD @ 5400 rpm/ 512 SSD			Partially Accepted,refer corrigendum/revise tender for changes done	Yes
15	Display Type Min. HD Display (Anti-glare) IPS	We request you to change it to FHD IPS display for better viewing			Accepted,refer corrigendum/revise tender for changes done	Yes
16	USB Port: Min. 3 No. (2 nos. -3.0 USB and 1 no. - USB port)	We request you to change it to Min 3 USB Ports as each OEM's will have different combinations of USB Ports			Partially accepted. refer corrigendum/revise tender for changes done.	Yes
17	1Page #28, Point #4 of Technical Specification Item 1: (i3) Laptop with bag	28	Processor Type- Min. Intel Core i3 8th or higher Generation 5 Processor Base frequency Min. 2.1 GHz turbo frequency upto 3.9 A	query/Suggested Changes:Processor Type- Min. Intel Core i3 11th or higher Generation Processor Base Frequency Min. @3.0 GHZ. turbo frequency upto@4.1 Ghz Justification: Intel 8th Generation Processor consume more Battery life, less Performance V/s. the latest 11th Generation Processor.	Accepted,refer corrigendum/revise tender for changes done	Yes
18			HDD Capacity Min. 1 TB @ min. 7200 rpm	query/Suggested Changes:HDD Capacity Min. 1 TB @ min. 5400 rpm or 512GB SSD HDD. Justification : with 7200RPM Laptop Battery backup time can't be 5Hrs. Which is your ask. Hence either youreduce the HDD. Speed as 5400 RPM or make it 512GB SSD HDD.	Accepted,refer corrigendum/revise tender for changes done	Yes
19			Display Resolution Min. 1366 x 768 pixels & Display Type Min. HD Display (Anti-glare) IPS	query/Suggested Changes:Display Resolution Min. 1366 x 768 pixels & Display Type Min. HD Display (Anti-glare) with WVA/ IPS/ VA justification : Presently Supply of LCD panel are very constraints So request you to please allow WVA and VA along with IPS. Please note IPS technology which isprimarily manufactured by LG is not used by all the Laptop manufacturer for their LCD offering.So only IPS asked will restrict other OEM to participate in this tender.	Accepted,refer corrigendum/revise tender for changes done	Yes
20			Laptop Keyboard Standard	query/Suggested Changes: Please Incorporate Spill Resistant Laptop Keyboard Standard justification : Incorporate the spill resistant keyboard in place of Standard keyboard because Spill-resistant Keyboard gives users enough time to save their data and shut down their notebook in the event of an accidental spill and helps avoidingdamage to components	No change. Will be as per tender	No
21			Warranty 1 Years Onsite Warranty including battery	query or suggested changes: Please Incorporate 3 Years on Site Warranty including Battery justification: 3Years Laptop Hardware Warranty including Battery will provide you better Return of Investment V/s. AMC after 1Year & also hassle-freewarranty Service experience for a period of 3Years.	No change. Will be as per tender	No
22			Certifications EPEAT Registered, Energy star	query or suggested changes: Please Incorporate Certifications EPEAT Registered India, FCC, U/L, CE, Energy Star 8.0, ROHS, EPEAT India (Silver), Ubuntu Linux 18.04 or above, and BIS for the quoted model not for the series. justification: To avoid the quoting of Consumer series Model in this RFP	No change. Will be as per tender	No

23	Additional Point			query or suggested changes: Please incorporate TPM 2.0 and Integrated hardware Diagnostic tool in BIOS Justification :Integrated / Discrete TPM 2.0 can offer only with commercial series of Laptop from all the OEM's. Integrated / Discrete TPM 2.0 is not available with consumer series of Laptop. asking Integrated / Discrete TPM 2.0 Will qualify only through business class laptop. Also,for HDD encryption purpose, encryption key will store in the motherboard (in the TPM chip) which is better security option.	No change. Will be as per tender	No
24	Page #29, Point #4 of Technical Specification Item 1: (i5) Laptop with bag	29	Processor Type- Min. Intel Core i5 8th or higher Generation 5 Processor Base frequency Min. 2.1 GHz turbo frequency upto 3.9 Ghz	query or suggested changes : Min. Intel Core i5 11th or higher Generation Processor Base Frequency Min.@2.4GHZ. turbo frequency upto @4.2Ghz. Justification: Intel 8th Generation Processor consume more Battery life, less Performance V/s. the latest 11th Generation Processor.	Partially Accepted,refer corrigendum/revise tender for changes done	Yes
25			HDD Capacity Min. 1 TB @ min. 7200 rpm	query or suggested changes :HDD Capacity Min. 1 TB @ min. 5400 rpm or 512GB SSD HDD. Justification : with 7200RPM Laptop Battery backup time can't be 5Hrs. Which is your ask. Hence either you reduce the HDD. Speed as 5400 RPM or make it 512GB SSD HDD.	Optional SSD Accepted,refer corrigendum/revise tender for changes done	Yes
26			Display Resolution Min. 1366 x 768 pixels & Display Type Min. HD Display (Anti -glare) IPS	query or suggested changes :Display Resolution Min. 1366 x 768 pixels & Display Type Min. HD Display (Anti- glare) with WVA/IPS/VA justification :Presently Supply of LCD panel are very constraints So request you to please allow WVA and VA along with IPS. Please note IPS technology which is primarily manufactured by LG is not used by all the laptopmanufacturer for their LCD offering.So only IPS asked will restrict other OEM to participate in this tender	Accepted as per corrigendum/revise tender	Yes
27			Laptop Keyboard Standard	query or suggested changes :Please Incorporate Spill Resistant Laptop Keyboard Standard justification : incorporate the spill resistant keyboard in place of Standard keyboard because Spill-resistant Keyboard gives users enough time to savetheir data and shut down their notebook in the event of an accidental spill and helps avoiding damage to components.	No change. Will be as per tender	No
28			Warranty 1 Years Onsite Warranty including battery	query or suggested changes : Please Incorporate 3Years On Site Warranty including Battery justification : 3Years Laptop Hardware Warranty including Battery will provide you better Return of Investment V/s. AMC after 1Year & also hassle-freewarranty Service experience for a period of 3Years	No change. Will be as per tender	No
29			Certifications EPEAT Registered, Energy star	query or suggested changes :Please Incorporate Certifications EPEAT Registered India, FCC, U/L, CE, Energy Star 8.0, ROHS, EPEAT India (Silver), Ubuntu Linux 18.04 or above, and BIS for the quoted model not for the series. Justification : To avoid the quoting of Consumer series Model in this RFP.	Type of model is now mentioned in specifications. Refer corrigendum for the same.	No
30	Additional Point			query or suggested changes :Please incorporate TPM 2.0 and Integrated hardware Diagnostic tool in BIOS justification : Integrated / Discrete TPM 2.0 can offer only with commercial series of Laptop from all the OEM's. Integrated / Discrete TPM 2.0 is not available with consumer series of Laptop. asking Integrated / Discrete TPM 2.0 Will qualify only through business class laptop. Also,for HDD encryption purpose, encryption key will store in the motherboard (in the TPM chip) which is better security option.	No change. Will be as per tender	No
31	Page #30, Point #12 Technical Specification Item 3: A4 Laser Printer (B/W) Specification Page #30,Point #13 Technical Specification Item 4: Duplex Printer (B/W) Page #30, Point #13 Technical Specification Item 5: A4 Laser Printer (B/W) all in one		Toner cartridge refillable : required	query or suggested changes :Please remove this point . OEM of printers do not allow refilling of toner cartridges and the warranty will be void by the OEM in case we use the refill toner cartridges. Justification : OEM of printers do not allow refillingof toner cartridges and the warranty will be void by the OEMin case we use the refilltoner cartridges	Deleted as per suggestion. Refer corrigendum/revise tender for the same.	Yes
32	Page no 30-31technical Specification Item no 5: A4 Laser Printer (B/W)all in one		add point	query or suggested changes :Please add the points - Memory of 512MB Ram or higher to be added in the MFP segment. The printing will be fast due to memory without any increase in cost. Justification : OEM of printers do not allow refilling of toner cartridges and the warranty will be void by the OEM in case we use the refilltonercartridges	No change. Will be as per tender	no
33	Page #22, Payment Bills		100% payment of the Contract price of equipment's will be paid within 45 days from the date installation and commissioning of equipment's as per dispatch instruction or bidder has supplied more than 400 nos. quantities of quipment's. The material is to be tested / measured by the field Officers / Consignees wherever provided for. Date of issue of cheques or online payment shall be the date of payment. Following documents will have to be forwarded to the Chief General Manager (IT), Maharashtra State Electricity Distribution Co. Ltd. Prakashgad, Station Road,Bandra (East), Mumbai - 400 051 along with bills in triplicate with copy to the consignees, to facilitate payment	query or suggested changes : please provide changes. We request you to process the bill as on when it is submitted user wise and running bill . justification :Due to lockdown and Covid Situation user are not available hence all the installation may take a huge time. Hence to avoid the payment delay kindly process the bill in running mode. Also due to GST billing each consignee and location wise separate bill needs to be prepared along with the EWAY bill, the bills will be generated user wise. Hence, we request you to process the bill as on when it is submitted user wise and running bill. justification :	payment will be done as per corrigendum/revise tender	No
34	(i3) laptops Page #28, Point #8 (i5) laptops Page #29, Point #8		Operating System : licensed Microsoft windows 10professional Preinstalled by laptop OEM	query or suggested changes :Operating system breakdown calls to be attended by the OEM service providers .As the operating system is genuine and provided by the OEM the calls for breakdown need to be attended by OEM. We request an undertaking regarding the same to be taken form OEM. justification : the operating system is genuine and provided by the OEM the calls for breakdownneed to be attended by OEM. We request an undertaking regardingthe sameto be taken form OEM.	No change. Will be as per tender	no
35	clouse 6 delivery period page 20	20	Bidders shall supply, install & commission the entire material within 60 days from Date of letter of award or Dispatch instructions	Due to shortage in supply of components globally request you tohelp and change delivery period to 120 days.	No change. Will be as per tender	no
36	Annexure D Page no 28 Technical Specification Item 1: (i3) Laptop with bag	28	Min. Core i5 8th or higher Generation	Mentioned processor no is very old hence request for change to 11th Gen Corei3 as that is the latest processor available, Corei3:1115G4	Accepted,refer corrigendum/revise tender for changes done	yes
37			Min. 2.1 GHz with turbo frequency upto 4 Ghz	Request for change to 3 Ghz upto 4.1Ghz for better performance.	Partially Accepted,refer corrigendum/revise tender for changes done	Yes

38			Min. 16 GB DDR 4 (expandable up to 32 GB) with Min. 2 DIMM slots.	Request to mention 2 physical DIMM to be present	2 nos. of DIMM/RAM slots are to be provided with min. one empty slot for RAM upgradation. Refer corrigendum.	Yes
39			Min. 1366 x 768 pixels	Request to change 1920x1080 for better display output	Accepted, refer corrigendum/ revised tender for changes done	Yes
40			Min. HD Display (Anti glare) IPS	Request for change to FHD IPS display for best display output	Accepted, refer corrigendum/ revised tender for changes done	Yes
41			wifi: integrated	Request for change to Intel AX201 WIFI 6	Accepted, refer corrigendum/ revised tender for changes done	Yes
42			Integrated microphone and Integrated speakers	Request for change this to Dual Microphone	No change. Will be as per tender	No
43			keyboard: standerd	Request to ask Backlit Keyboard to increase the utility of the laptop at minimal cost	No change. Will be as per tender	No
44			battery: 5 hrs	Battery is one of the key component in Laptop and we request to mention the capacity of the battery and we recommend atleast 48Whr should be asked for	Partially Accepted, refer corrigendum/ revised tender for changes done	No
45			Min. 3 No.(2 nos. -3.0 USB and 1 no. -USB port)	Request for change to 4 USB 3.0 ports including 1 Type C port	Partially Accepted, refer corrigendum/ revised tender for changes done	Yes
46			New addition of clause	We would highly recommend to ask for Hardware TPM 2.0 which would provide the best in class encryption technology which is very important to safe guard the data.	No change. Will be as per tender	No
47	Annexure D Page no 29 Technical Specification Item 1: (i5) Laptop with bag	29	Min. Core i5 8th or higher Generation	Mentioned processor no is very old hence request for change to 11th Gen Corei3 as that is the latest processor available, Corei5:1135G7	Accepted, refer corrigendum/ revised tender for changes done	Yes
48			Min. 2.1 GHz with turbo frequency upto 4 Ghz	Request for change to 2.4 Ghz upto 4.2Ghz for better performance	Partially Accepted, refer corrigendum/ revised tender for changes done	Yes
49			Min. 16 GB DDR 4 (expandable up to 32 GB) with Min. 2 DIMM slots.	Request to mention 2 physical DIMM to be present	2 nos. of DIMM/RAM slots are to be provided with min. one empty slot for RAM upgradation. Refer corrigendum.	Yes
50			Min. 1366 x 768 pixels	Request to change 1920x1080 for better display output	Accepted, refer corrigendum/ revised tender for changes done	Yes
51			Min. HD Display (Anti glare) IPS	Request for change to FHD IPS display for best display output	Accepted, refer corrigendum/ revised tender for changes done	Yes
52			wifi: integrated	Request for change to Intel AX201 WIFI 6	Accepted, refer corrigendum/ revised tender for changes done	No
53			Integrated microphone and Integrated speakers	Request for change this to Dual Microphone	No change. Will be as per tender	No
54			keyboard: standerd	Request to ask Backlit Keyboard to increase the utility of the laptop at minimal cost	No change. Will be as per tender	No
55			battery: 5 hrs	Battery is one of the key component in Laptop and we request to mention the capacity of the battery and we recommend atleast 48Whr should be asked for	Partially Accepted, refer corrigendum/ revised tender for changes done	No
56			Min. 3 No.(2 nos. -3.0 USB and 1 no. -USB port)	Request for change to 4 USB 3.0 ports including 1 Type C port	Partially Accepted, refer corrigendum/ revised tender for changes done	No
57			New addition of clause	We would highly recommend to ask for Hardware TPM 2.0 which would provide the best in class encryption technology which is very important to safe guard the data.	No change. Will be as per tender	No
58	Technical Specification Item 1 : (i3) Laptop with bag	28	Min. Intel Core i3 8th or higher Generation	Request to Change: Min. Intel Core i3 11th or higher Generation Justification: 11 Generation CPU is the latest offering from Intel.	Accepted, refer corrigendum/ revised tender for changes done	Yes
59			Min. 2.1 GHz turbo frequency upto 3.9 Ghz	Request to Change: Turbo Frequency 3.9GHz or above justification: Intel only mentions turbo frequency now. https://ark.intel.com/content/www/us/en/ark/products/208652/intel-core-i3-1115g4-processor-6m-cache-up-to-4-10-ghz.html	Accepted, refer corrigendum/ revised tender for changes done	Yes
60			Min. 8 GB DDR 4 (expandable up to 16 GB) with Min. 2 DIMM slots	Request to Change: Min. 8 GB DDR 4 (expandable up to 32 GB) with Min. 2 DIMM slots justification: 32 GB Memory upgradability is offering against Business class laptop.	Expandable upto min. 16 GB has been allowed. Refer corrigendum/ revised tender for changes done	Yes
61			Min. 1 TB @ min. 7200 rpm	Request to Change: Min. 1 TB @ min. 7200 rpm or 512 GB SSD justification: Asked battery backup time will not available with 7200 RPM SATA Drive because SATA drive will consume more power compare to SSD drive, also SATA drive is OLD technology against SSD Drive . in the SSD technology no mechanical part is used so failure rate is less compare to SATA drive. SATA drives will also have heating issue as copared to SSD. We are also migrating towards SSD option only for our recent Laptop series.	Accepted, refer corrigendum/ revised tender for changes done	Yes
62			Min. HD Display (Anti glare) IPS	Request to Change: Min. HD Display (Anti glare) IPS / WVA justification: Presently Supply of LCD panel are very constraints So request you to please allow WVA along with IPS. Please note IPS technology which is primarily manufactured by LG is not used by all the Laptop manufacturer for their LCD offering .	Accepted, refer corrigendum/ revised tender for changes done	Yes
63			Standard	Request to Change: Spill Resistant Laptop Keyboard justification: incorporate the spill resistant keyboard in place of Standard keyboard because Spill-resistant Keyboard gives users enough time to save their data and shut down their notebook in the event of an accidental spill and helps avoiding damage to components.	No change. Will be as per tender	No
64			Min. 3 No.(2 nos. -3.0 USB and 1 no. – USB port)	Request to Change: Please incorporate – Minimum 1xUSB Type C (capable of Display signal out) and 1xHDMI Port. justification: USB Type C is available with business class laptop only. Also suggested for 2 video output option (HDMI & Type C)	Parially Accepted. Refer corrigendum/ revised tender for changes done for clarity.	No
65			EPEAT Registered, Energy star	Request to Change: For OEM: Minimum ISO 9001 and 14001. For quoted Laptop model: MIL 810G / H, FCC, CE, ROHS , UL , Energy Star 8.0, EPEAT India gold, windows 10 professional , and Linux certification . justification: Suggested certifications will help in getting laptops from business series laptops only. This will help with better OEM warranty coverage as compared to consumer models.	Type of model is now mentioned in specifications. Refer corrigendum for the same.	Yes
66	Technical Specification Item 1 : (i5) Laptop with bag	29	Min. Intel Core i5 8th or higher Generation	Request to Change: Intel Core i5 11th or higher Generation justification: 11 Generation CPU is the latest offering from Intel.	Accepted, refer corrigendum/ revised tender for changes done	Yes
67			Min. 2.1 GHz turbo frequency upto 4 Ghz	Request to Change: Turbo Frequency 4 GHz or above justification: Intel only mentions turbo frequency now. https://ark.intel.com/content/www/us/en/ark/products/208658/intel-core-i5-1135g7-processor-8m-cache-up-to-4-20-ghz.html	Accepted, refer corrigendum/ revised tender for changes done	Yes

68			Min 128GB SSD; Min. 1 TB @ min. 7200 rpm	Request to Change: Min. 1 TB @ min. 7200 rpm or 512 GB SSD justification: Asked battery backup time will not available with 7200 RPM SATA Drive because SATA drive will consume more power compare to SSD drive, also SATA drive is OLD technology against SSD Drive . in the SSD technology no mechanical part is used so failure rate is less compare to SATA drive. SATA drives will also have heating issue as copared to SSD. We are also migrating towards SSD option only for our recent Laptop series.	Optional SSD Accepted, refer corrigendum/ revised tender for changes done	Yes
69			Min. HD Display (Anti glare) IPS	Request to Change: Min. HD Display (Anti glare) IPS / WVA justification: Presently Supply of LCD panel are very constraints So request you to please allow WVA along with IPS. Please note IPS technology which is primarily manufactured by LG is not used by all the Laptop manufacturer for their LCD offering . So only IPS asked will restrict other OEM to participate in this tender. Laptop Keyboard	Partially Accepted, min. FHD, VA, WVA are allowed. refer corrigendum/ revised tender for changes done	Yes
70			Standard	Request to Change: Spill Resistant Laptop Keyboard justification: incorporate the spill resistant keyboard in place of Standard keyboard because Spill-resistant Keyboard gives users enough time to save their data and shut down their notebook in the event of an accidental spill and helps avoiding damage to components.	No change. Will be as per tender	No
71			Min. 3 No.(2 nos. -3.0 USB and 1 no. – USB port)	Request to Change: Please incorporate – Minimum 1xUSB Type C (capable of Display signal out) and 1xHDMI Port. justification: USB Type C is available with business class laptop only. Also suggested for 2 video output option (HDMI & Type C)	Partially Accepted, refer corrigendum/ revised tender for changes done	Yes
72			EPEAT Registered, Energy star	Request to Change: For OEM: Minimum ISO 9001 and 14001. For quoted Laptop model: MIL 810G / H, FCC, CE, ROHS , UL ,Energy Star 8.0, EPEAT India gold, windows 10 professional , and Linux certification . justification: Suggested certifications will help in getting laptops from business series only. This will help with better OEM warranty coverage as compared to consumer models.	Type of model is now mentioned in specifications. Refer corrigendum for the same.	Yes
73	Page 28 of 68; Annexure D; Technical Specification Item 1 : (i3) Laptop with bag; Laptop Specification	28	3. Processor Band : Intel	Query: Request to consider AMD processor i.e. Intel / AMD justification : <u>Only 2 X86 processor vendors in the world Intel & AMD.</u>	No change. Will be as per tender.	No
74			4.Processor : Min. Intel Core i3 8th or higher Generation	Query: Need to mention latest generation, i.e.Min. Intel Core i3 <u>11th</u> or higher Generation <u>OR AMD Ryzen 3 5000 Series</u> justification : <u>AMD Ryzen 3 5000 series processor is higher in performance than Intel Core i3 11th Generation. Please refer to the processor comparison.</u>	Partially accepted. refer corrigendum/ revised tender for changes done to generation of intel processor.	Yes
75			5.Processor Base Frequency:Min. 2.1 GHz turbo frequency up to 3.9 GHz	Query: Base frequency is major concern for applications i.e.Min. <u>2.6 GHz</u> turbo frequency up to <u>3.8 GHz</u> justification : <u>Processor frequencies where both AMD and Intel comparable processor will qualify.</u>	The specifications have been changed. Pl. refer corrigendum/ revised tender for the same.	Yes
76			6.Processor Cache:Min. 4MB	Query: Cache should be more for both the processor i.e. Min. <u>6MB</u> justification : <u>Both AMD Ryzen 3 5000 Series & Intel Core i3 11th Generation have 6MB cache memory.</u>	Accepted, refer corrigendum/ revised tender for changes done	Yes
77			7.RAM: Min. 8 GB DDR 4 (expandable up to 16 GB) with Min. 2 DIMM slots.	Query: Min. 8 GB DDR 4 (expandable up to <u>16 GB</u>) <u>with Min. 2 DIMM slots.</u> justification: <u>Most of the OEM commercial laptops in this category come with one soldered RAM & 1 DIMM slot for memory expansion.</u>	Partially accepted. 1 vacant slot for memory expansion mentioned. Changes done as per corrigendum/ revised tender.	Yes
78	Page 29 of 68; Annexure D; Technical Specification Item 2 : (i5) Laptop with bag; Laptop Specification	29	3.Processor Brand :Intel	Query: Request to consider AMD processor i.e. Intel / AMD justification :	No change. Will be as per tender	No
79			4.Processor: Min. Core i5 8th or higher Generation	Query: Need to mention latest generation, i.e. Min. Core i5 <u>11th</u> or higher Generation <u>OR AMD Ryzen 5 5000 Series</u> justification :	Partially accepted. refer corrigendum/ revised tender for changes done to generation of intel processor.	Yes
80			7.RAM: Min. 16 GB DDR 4 (expandable up to 32 GB) with Min. 2 DIMM slots.	Query: Min. 16 GB DDR 4 (expandable up to <u>16 GB</u>) <u>with Min. 2 DIMM slots.</u> justification: <u>Most of the OEM commercial laptops in this category come with one soldered RAM & 1 DIMM slot for memory expansion.</u>	Partially accepted. 1 vacant slot for memory expansion mentioned. Changes done as per corrigendum/ revised tender.	Yes
81	Annexure D Technical Specification Item 3 : A4 Laser Printer (B/W) Specification		4 Printing Method Laser	Request to ask for Inkjet Inktank / Laser for competitive bidding Inkjet printer consumes only 14 watts while printing vs. laser printer 360 watts while printing Inkjet printer give bundle yield of 6000 pages minimum vs. laser printer 1500 pages only. Running costs in laser printer approx.. Rs. 2 vs. inkjet @12 paise only. Inkjet printer comprehensive warranty including print head. Laser printers does not cover warranty even though refilling cartridge is used.	No change. Will be as per tender	No
82	Annexure D Technical Specification Item 4 : Duplex Printer (B/W)		4 Printing Method Laser	Request to ask for Inkjet Inktank / Laser for competitive bidding Inkjet printer consumes only 14 watts while printing vs. laser printer 360 watts while printing Inkjet printer give bundle yield of 6000 pages minimum vs. laser printer 1500 pages only. Running costs in laser printer approx.. Rs. 2 vs. inkjet @12 paise only. Inkjet printer comprehensive warranty including print head. Laser printers does not cover warranty even though refilling cartridge is used.	No change. Will be as per tender	No
83	Annexure D Technical Specification Item 5 : A4 Laser Printer (B/W) all in one		4 Printing Method Laser	Request to ask for Inkjet Inktank / Laser for competitive bidding Inkjet printer consumes only 14 watts while printing vs. laser printer 360 watts while printing Inkjet printer give bundle yield of 6000 pages minimum vs. laser printer 1500 pages only. Running costs in laser printer approx.. Rs. 2 vs. inkjet @12 paise only. Inkjet printer comprehensive warranty including print head. Laser printers does not cover warranty even though refilling cartridge is used.	No change. Will be as per tender	No
84	Technical Specification Item 3: A4 Laser Printer (B/W) Specification	30	Toner cartridge refillable	Kindly Consider original cartridge for Long life of Printer and high Yield	Noted. Clause deleted.	Yes
85	Technical Specification Item 4 : Duplex Printer (B/W)	30	Toner cartridge refillable	Kindly Consider original cartridge for Long life of Printer and high Yield	Noted. Clause deleted.	Yes
86	Technical Specification Item 5 : A4 Laser Printer (B/W) all in one	30	Toner cartridge refillable	Kindly Consider original cartridge for Long life of Printer and high Yield	Noted. Clause deleted.	Yes
87	A4 Laser Printer (B/W) all-in-One printer's B/W printer.	30	Printing Method : laser	Printing Method : laser to be considered (laser technology has been proven to be the best technology and robust machine with minimal running cost. Laser printers are easily serviceable by on field engineer) Memory parameter to be added for A4 Laser Printer (B/W) all in one for better and efficient printers. Minimum memory of 512MB Ram to be considered for A4 Laser Printer (B/W) All in One as there would be a heavy workload of print ,copy and scan on the All-in-One Printer and a printer with higher memory would easily execute the print volume from the department without breakdown.	No change. Will be as per tender	No
