

Tender No: MSEDCL/CE/RE/SOLAR RFID/2021/38 Dated: 09.09.2021

Sr. No.	Clause No.	Existing Clause	Bidders Query / Suggestion	MSEDCL's Reply
1	2.6.1: EMD	Each Tender shall be accompanied with earnest money of Rs. 50,000/- (considering Rs. 10000/- per project) that shall be submitted through Demand Draft in favour of Maharashtra State Electricity Distribution Co. Ltd.	EMD of Rs. 50000/- seems to be high, which amounts to 10% of the estimated cost, whereas EMD is generally 1% and therefore Rs. 5000/- is the correct amount.	The clause is revised as under: <i>"Each Tender shall be accompanied with earnest money of Rs. 6,000/(Considering Rs.1000/per project) that shall be submitted through Demand Draft in favour of Maharashtra State Electricity Distribution Co. Ltd.</i>
2	General	EMD	EMD of Rs. 50000/- is mentioned in tender document but as per portal it is mentioned as Rs. 5000/- and online payment option is also available on portal.	Demand draft is to be submitted towards EMD.
