1. The consumer (No. : 14280001272) Shri Ragho Shankar Pawar in whose name the connection stands in Residential Category with Date of connection as 18th Sept. 1990 is dead , was billed in July 2012 for 6108 units & Rs. 61657/- this was due to stock reading as the meter was inside the house and approach to it was restricted.
2. The said consumer representative objected to it and MSEDCL had given credit adjustment of Rs. 27620/- in the month of Nov.2012 and the consumer sibling staying in the house were asked to pay the arrears bill which was Rs. 45745/- by they failed to do since July 2012.
3. The connection was permanently disconnected in Jan 2013 whose meter no. at the time of disconnection was 65-10404861 and reading 8812 KWH. Subsequently on the request of the application received in the Name of Shri. R. R. Pawar that he has paid Rs. 10,000/- on dt. 23/07/2013 and that the dues will be cleared in terms of instalment he was reconnected in Aug. 2013 with meter No. 50-01659045 and IR-01 KWH. But the occupants of the property did not pay MSEDCL dues and was again PD in Feb. 2014 with FR as 864 KWH.

4. The same procedure was adopted again and then the Executive Engineer, MSEDCL Sangamner on Mobile directed the then SDO to reconnect the supply as per request application and in July 2014 was reconnected with meter No. 98-02122338 and reading 001 KWH but once again the occupants failed to pay the arrears and was finally PD in Sept. 2014 with FR 67 KWH and PD arrears Rs. 50515/- for which Legal Notice Dt 19th May 2016 has been issued to the occupants.
5. From the C.P.L. Enclosed and the above facts it is seen that the occupants are repeated defaulters and hence it is requested to please ask the occupants to pay the final PD arrears in full and then as per prevailing guidelines of MERC rules and regulation new service connection can be processed.
