".....However, the Commission directs MSEDCL as follows:

- a) MSEDCL must submit an action plan for 100% completion of DTC metering and to submit sample (circle wise) DTC wise energy audit reports within thirty (30) days from the date of this Order;*
- b) MSEDCL must take up massive programme of metering of all the unmetered agricultural consumers and submit an action plan for the same within thirty (30) days from the date of this Order;*

c) During Public Hearing MSEDCL indicated that in FY 2010-11 over one lakh new unmetered agricultural connections were released due to shortage of meters. MSEDCL must complete metering of these unmetered connections on priority within six (6) months from the date of this Order

and report compliance of the same; and

d) Under any circumstances no new agricultural connection shall be released under unmetered category.....”
