> "6. In a number of similar cases, the Respondent has pleaded that there is a huge backlog of pending applications for giving supply to agricultural pumps. The works of line extension / augmentation of network required is carried out by seeking assistance from financial institutions, under various schemes like REC / SPA etc. and as per the guidelines and targets fixed the State Government and connections are given as per seniority list / chronological order, depending upon availability of funds, materials etc. SOP Regulations, 2005, mandate that the Respondent is liable to give supply within stipulated time or pay compensation, in the event of delay in giving supply beyond the stipulated period. It is beyond the purview of the Forum or this Electricity Ombudsman to give any direction, in this behalf, to the Respondent and interfere in the chronological order / seniority list and targets fixed, as per the guidelines of the state government. Appellant's prayer for giving direction to the Respondent to give supply is therefore, liable to be and is hereby rejected."
