Sub : Anywhere Payment of Electricity Bills by L.T. Consumers.

Ref : T.O. Circular under Ltr. No. Dir(Finance)/MSEDCL/33831 dtd. 03/11/2010

In order to have a constant demand from the L. T. consumers to allow the payments of electricity bills anywhere in Maharashtra across the centers of Private Bill Collection Agencies / Departmental Cash Collection Centers. To serve the consumers in better way, it was decided that to allow the consumers to pay their bills anywhere irrespective of the Billing Unit they belong to.

As per Circular referred above, this system initially will be implemented at the major Urban Areas like Pune, Kolhapur, Solapur, Thane, Washi, Nasik, Aurangabad, Nagpur, Amravati. After assessing the performance, quantum of transactions and operational issues, it will be replicated at remaining areas.

However, it is observed that inspite of this instruction some of the Field offices are not implementing this system.

Therefore, it is once again reiterated that the consumers of L.T. energy bills are allowed to pay their bills anywhere across the Maharashtra.

All the concerned are hereby directed to take immediate necessary steps to scrupulously follow the instructions. Any failure by the concerned officer in this regard, will be viewed seriously and shall be held personally responsible.
