CIRCULAR

Date : 5 SEP 2011

Sub: Renewal of Agreement with India Post for L.T. Energy Bill Collection Work.

Ref: T.O. Ltr. No. MSEDCL/GM(CF)/India Post/4144 dtd. 28/07/2011

The energy bill collection work by India Post was terminated w.e.f 01/08/2011 due to non submission of proper MIS and delay in transfer of funds to MSEDCL's Account by India Post. Necessary instructions were issued to all the field offices vide letter referred above.

Now India Post has again approached MSEDCL to restart the energy bill collection work with the assurance that necessary MIS as required by MSEDCL will be provided by India Post and the delay in transfer of funds will be minimized in future. Accordingly, it is decided to restart the LT energy bill collection work by India Post initially in Rural parts of all the District in Maharashtra for a period of 1 year. The decision to allocate the urban areas to India Post will be taken after review of performance for a period of 3 months.

It may be noted that since India Post has agreed to resolve all the issues regarding the collection process, field offices shall take necessary steps to ensure proper reconciliation and timely transfer of funds by India Post. Further, the terms of the agreement will be similar to the old agreement and copies of the agreement will be circulated to all the field offices subsequently.

All the field offices are therefore directed to restart the LT energy bill collection work through India Post with immediate effect. Necessary stationery required may be handed over to concerned post offices.

A compliance report in the matter may be forwarded to H.O.
