No. PR-3/General/ No - 9525 **Date:** 30 MAR 2010

CIRCULAR No. 120

Sub: Installation of Energy meters to account the auxiliary consumption of EHV & MSEDCL Sub Stations.

MSETCL delivers energy from its EHV sub stations through distribution feeders to MSEDCL and total energy is billed to MSEDCL. However EHV sub stations utilize a part of energy delivered to MSEDCL for their auxiliary consumption. Same is to be accounted by installing energy meters and the recorded energy should be billed to the concerned.

Similarly at some places there is un-metered auxiliary consumption used for sub stations and colonies at MSEDCL Sub Stations. Same is also required to be billed, separately.

Hence all the field officers are requested to install energy meters at EHV Sub Stations and at MSEDCL Sub Stations to record the auxiliary consumptions. The recorded consumptions should be accounted and reflect through IT System for energy accounting & billing purpose.

Chief Engineer (Commercial)
