Office of the  
Chief Engineer (Distribution)  
Plot No. G-9, 'Prakashgad'  
Prof. Anant Kanekar Marg,  
Bandra (E), Mumbai-400051

No. CE (Dist.)/RE-III/Tenders/ 22784

Date:- 21 MAY 2015

To,  
All Superintending Engineers in the field.  
MSEDCL, O&M Circle.

**Sub:-**Modification in guidelines in common tender documents for Ag. Pump energization.

**Ref:-**CE (Dist.)/RE-III/Tenders/20016 Dated:-16-04-2015.

This office vide letter under reference has forwarded sample common tender documents for Ag. Pump energization alongwith guidelines, wherein it was informed to do concreting to each HT and LT line pole.

Now, in view of technical feasibility and considering the financial implications involved, it is now decided to implement this activity of concreting to HT and LT line pole on pilot basis in selected Sub-Dns. only where there is black cotton soil. In view of above, the Competent Authority has accorded approval and directed as under-

1. To withdraw the Activity of concreting to HT and LT line pole from all the tenders.
2. To select on pilot basis only one Sub-Dn. each from following zones, where there is Black Cotton soil. Zonal CE should inform the names of selected Sub-Dn. for pilot.
  - 1) Amravati Zone
  - 2) Nagpur ® Zone
  - 3) Nanded Zone and
  - 4) Aurangabad Zone.

After reviewing the results, further decision will be communicated. These instructions should be followed scrupulously with immediate effect.

Chief Engineer (Distribution)
