Sub: - Task force for Inspection of Ag Energisation works, under special package & Backlog scheme.

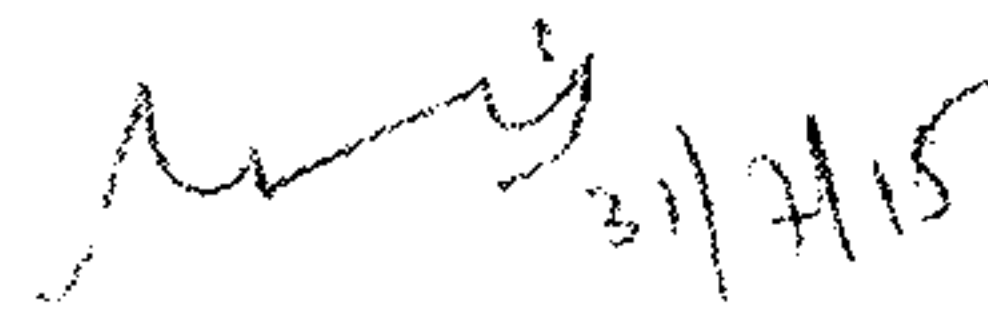

The GoM has made outlay of Rs.1039 Crs. For AG Pump Energisation for FY-2015-16. In this provision of Rs.1039 Crs., GoM has considered Fund requirement Rs.819 Crs. for AG Pump Energisation in Vidharbha and Marathwada as a special package and Rs.220 Crs. for AG backlog scheme (Out of which Rs.158 Crs for Vidarbha).

The Competent Authority has accorded permission to float tender at Circle Level sub division/sectionwise. Accordingly tender has been floated by field offices, LOA issued and work started for release of Ag pump connection.

Government of Maharashtra has decided to set up task force for inspection and audit of work done under these scheme. These inspections will be done in the field office to counter check the quantity and quality of the works, office records will also be verified and confirmed by the task force.

In view of the above, field officers are directed to maintain the separate record of the Ag pump energisation under backlog scheme and under special package scheme for Vidarbha and Marathwada. Chief Engineers are therefore directed to ensure that the work is done as per the standard method of construction and as per the rules of MSEDCL.

Periodic review of all such work will be taken by Supdtg. Engineers and Chief Engineers without fail.
