

Ref. RE/LIS Solarization/

008800

Date:

20 MAR 2025

RENEWABLE ENERGY CIRCULAR No. 11

Sub: Authorization for signing Development and Sub-Development Agreement under LIS Solarization Scheme.

MSEDCL has floated tender on 15 March 2024 for procurement of Solar Power from projects to be set up on lands of WRD of Maharashtra for LIS and it is envisaged that development agreement will be executed between WRD and MSEDCL and sub-development agreement will be executed between successful bidder (solar project developer) and MSEDCL.

The competent authority has accorded approval to authorize Executive Engineer (Civil) for the following activities:

1. To execute / sign the Development land agreement (s) with WRD.
2. To execute / sign the Sub-Development land agreement (s) with solar developers.
3. To sign all other necessary and related document (s) and to get the same registered, if required.
4. To do all such acts, matters and things necessary in connection with the said development and sub-development agreement (s)
5. To appear before the office of sub-registrar or any authority (ies) in connection with registration of development and sub-development agreements, documents, papers, etc, if may be required from time to time.

The Chief Engineer (Civil) in coordination with the respective SE (O&M) Circle are jointly responsible in executing these development and sub-development agreements on top priority and Chief Engineer (O&M) has to ensure that development and sub-development agreements process is executed within time.

All the field officers are requested to take note of the above directives and take necessary action accordingly.

Chief Engineer (Renewable Energy)
