2. Methodology for Re Policy- 2020 vide GoM GR No. Apau-2020/Prs.Kr.137(A)/Urja-7, dtd.11/05/2022.

- Government of Maharashtra has declared the Renewable Energy Generation Policy - 2020 vide Govt. Resolution No. Apau/Pro.No.137/Energy-7, Dated 31/12/2020. The target of setting up 17360 MW capacity renewable energy projects has been fixed under this policy. - In order to speed up the entire process and bring transparency in the process, in coordination with all the relevant Government Departments, the process timeline is minimized at each step/stage to the extent possible.
- It is expected that, this Single Window Portal will streamline the entire process, minimize time line to the stake holders in their approval process and ultimately result in promotion of RE projects in Maharashtra State.
- The said Single Window Portal will be live from **1<sup>st</sup> December, 2022**. The Project Developer/Holder will apply through online to obtain approvals/ permissions from various departments viz. MEDA, MSEDCL, MSETCL, Chief Electrical Inspector, SLDC etc. under the MEDA Single Window Portal and the entire process of approvals / permissions will be done through online system only.
