

REPLIES TO BIDDERS QUERIES FOR TENDER FOR PROCUREMENT OF POWER ON LONG TERM BASIS THROUGH COMPETITIVE BIDDING PROCESS (FOLLOWED BY REVERSE E-AUCTION) FROM 1350 MW SOLAR POWER FROM PROJECTS TO BE CONNECTED AT DISTRIBUTION NETWORK (11/22 KV) IN 30 DISTRICT/CIRCLES UNDER “MUKHYAMANTRI SOUR KRISHI VAHINI YOJANA”

<u>Sr. No.</u>	<u>Clause No. (RfS/PPA)</u>	<u>Existing Clause</u>	<u>Bidders Query</u>	<u>MSEDCL's Response</u>
1	Clause No. 3.7.2 of RfS	The responsibility of getting the grid connectivity with MSEDCL shall entirely be of the successful bidder.	It is requested to MSEDCL for enlisting the Substations with available capacities. .	The tentative list of substations will be uploaded at M/s ISN Electronic Tender Services website i.e. https://www.bharat-electronictender.com
2	Clause No. 3.7.5 of RfS	The successful bidder shall not be entitled to deemed generation in case of any delay in grant of connectivity.	Request to modify the said clause as below: “The successful bidder shall not be entitled to deemed generation in case of any delay in grant of connectivity. However, the successful bidder will be entitled for deemed generation during reduction in declared CUF due to back-down by MSEDCL for reasons beyond control of bidder.	No Change. The existing provision of the RfS document shall prevail.
3	Clause No. 3.12.4 of RfS	Repowering: Solar Power Generator shall be allowed for the repowering once for a maximum cumulative period of six (6) months during the entire PPA term of 25 years.	We request MSEDCL to allow Solar Power Generator will be free to reconfigure and repower the project from time to time during PPA term	The request is not accepted. The existing provision of the RfS document shall prevail.

4	Clause No. 5.7 of PPA	Generation compensation due to backed down	As the delivery of the power for most of the projects could be at lower voltages, it is important to note that there shall be technical down time (due to grid down time or due backing down) in the line even during the day time. Therefore, we want you to consider inclusion of deemed generation and associated clauses for such downtime in the off-take agreements and consider it for payment and the applicable tariff and not just at 50%.	The request is not accepted. The existing provision of the RfS document shall prevail.
