16-05-2023	31-05-2023	00:00 to 24:00 (uniformly)		8%	

**Note:**

- Minimum Bid quantum should be 100 MW.
- Minimum return percentage to be quoted should be 105%.
- The return quantum should be strictly as per mentioned % quantum in Table-B to be returned over the return period.
- The bid should be for entire block as mentioned in Annexure II only.
- To avoid sudden change in schedule of power stepping up/down in two or three time blocks may be considered in return schedule.
- The only criterion for deciding the tender would be the return percentage against banked energy. The decision of MSEDCL in this regard shall be final and binding on the bidders.

- vii. To ensure competitiveness, minimum number of Bidders should be at least two for each requisition. In case of less than two bidders responding to the RFP and MSEDCL still wants to continue with the selection process, it may only be done with the sole discretion of MSEDCL.

**2. Quantum of Power**

The quantum of power for banking indicated in this tender Enquiry is tentative, which may increase or decrease as per the requirement of MSEDCL. Offers for less than 100 MW shall not be considered. MSEDCL may reject any or all offers or accept any offer in part or full as considered advantageous to MSEDCL. The decision of MSEDCL in this regard shall be final and binding on the bidders.

**3. Return of power**

Trader/utilities are requested to clearly indicate the premium, in percentage, offered by them on the quantum of banked power returnable in the manner indicated as per the above arrangement, considering time segment of export and import of Power. The month wise break up of returnable energy should be uniform during the return period and it should be strictly as per above mentioned % quantum to be returned over the return period; however MSEDCL may accept any mutually agreed break-up/part of returnable power and return period.

In case of any corridor constraints during normal returning period the balance quantity shall be returned in successive months during the return contract period with the mutual consent of both the parties. In case of curtailment during supply period the return schedule shall be revised based on actual energy supplied with the mutual consent of both the parties.

**4. Conditional Offer**

The conditional offer shall not be considered and the same shall be summarily rejected.

**5. Submission of BID**

The bidder shall submit bids by post or personally duly signed by authorized signatory on each page of Bid Document in sealed envelopes in the following two parts:-

- (I) **“Bid Part-I”** : comprising of “Acceptance of General Terms and Conditions for Banking of power” as set out in Annexure-I to this document along with Bid Security (EMD) as per prescribed format (Annexure VI) in this RFP document.

Apart from above, Bid Part-I shall contain:

- i) Annexure III “No Deviation Certificate”.
- ii) Annexure IV “Description of Bidder”.
- iii) Annexure V “Anti-collusion Affidavit” (To be executed on the non-judicial stamp paper).
- iv) A copy of license in respect to the bidder being “Electricity Traders Licensees” (if applicable) duly signed and sealed by authorized

representative.

**NOTE:** In case of any deviation in the Technical Bid, MSEDCL reserves the right to reject the offer.

- (II) **“Bid Part-II”:** comprising of “Offered quantum of return power with percentage on banked power to be returned by MSEDCL, in the prescribed format enclosed as **Annex-II** to this document. The Bidder shall also enclose a separate sheet indicating complete details, like source of supply and the shortest route from the source of supply to the delivery point for which Open Access approval is to be taken by the bidder.
- (III) Both Parts **I and II** shall be put together in one envelope marked “Bid for Banking of Power with MSEDCL, Tender Enquiry Number and Date” and shall be sent /submitted to:

**The Chief Engineer (Power Purchase)**  
**5<sup>th</sup> Floor, Prakashgad, Plot No. G-9,**  
**Prof. Anant Kanekar Marg,**  
**Bandra (East), Mumbai 400051**  
**Email [ceppmsedcl@gmail.com](mailto:ceppmsedcl@gmail.com).**  
**Tel No. 022- 26470662/26474211**

The bid will be submitted on or before **10.06.2022** up to **12:00 hrs**. Bid Part-I will be opened publically on the same day at **13:00 hrs**. After scrutiny of Bid Part-I, the Bid Part-II of technically eligible bidders will be opened on **10.06.2022 at 15:00 hrs**. The representative of bidders may remain present at the time of opening of the bids if they so desire.

**6. Contract Documents:**

MSEDCL shall intimate the award of power swap (banking) arrangement to the successful Bidder(s) through a Letter of Award (LoA) to be dispatched by e-mail/Fax. Successful Bidder shall convey his acceptance for Letter of Award within 2 days of issue of Letter of Intent. Acceptance of Letter of Intent shall be construed as a binding contract. The terms and conditions of LoA shall be deemed as having entered into an agreement for transaction of contracted power for the duration/period as mentioned in the LoA and in the event of any commercial / operation dispute, the said LoA shall be treated as a legal document in the Court of Law for all intents and purposes. As such no separate agreement shall be executed.

**7. Compliance to the terms and conditions:**

The Bidders are advised to ensure that the bid is fully compliant with the requirements specified, terms and conditions contained in the Bid Document. No deviation from these conditions is permissible and MSEDCL reserves right to reject or accept any such bid with any deviations.

**8. Earnest Money Deposit:**

The Bidder shall be required to submit EMD for the maximum capacity offered @ Rs. 30,000 per MW per month on RTC (30 days, 24 hrs.) basis and same shall be reduced on pro-rata basis in case bids are invited on hourly basis of offered capacity in the form of Bank Guarantee/e-bank guarantee issued by any Nationalized/Scheduled Bank. For Example: For a requirement of 1 MW for 15 days for 4 hours, the EMD shall be Rs 30,000 x (15 days/30days) x (4 hours/24hours) = Rs 2,500/-. The validity of the BG shall be up to 45 days beyond the overall contract period.

EMD of unsuccessful bidders shall be returned after 15 days from the date of finalization of tender. The EMD may be forfeited if bidder withdraws or modifies bid during bid validity period.

**9. MSEDCL's right to accept/reject the bid:**

MSEDCL reserves the right to reject any or all bids or to accept any bid in full or part at its sole discretion without assigning any reasons whatsoever thereof. For the avoidance of doubt, it is clarified that MSEDCL also reserves the right to alter the quantities of power/split the quantities of power, amongst more than one selected bidder for the same month. The decision of MSEDCL shall be final and binding on the bidders in this respect and no further correspondence shall be entertained by MSEDCL in this regard.

**10. Modification of the Bid Documents:**

MSEDCL reserves the right to modify terms and conditions of the Bid Documents prior to the submission of the bid by the bidder by issuing amendment(s) and such amendment(s) shall form part of the bid documents.

MSEDCL reserves the right to reject any or all bids or to accept any bid in full or part at its sole discretion without assigning any reasons whatsoever there off. For the avoidance of doubt, it is clarified that MSEDCL also reserves the right to alter the quantities of power/split the quantities of power, amongst more than one selected bidder for the same month. The decision of MSEDCL shall be final and binding on the bidders in this respect and no further correspondence shall be entertained by MSEDCL in this regard.

**6. Open Access, Transmission Charges & Losses:**

All Open Access charges, transmission charges (i.e., PoC injection charges) and transmission losses (i.e., PoC injection losses) up to the delivery point shall be to the

account of exporting utility and all Open Access charges, transmission charges (i.e., PoC withdrawal charges) and transmission losses (i.e., PoC withdrawal losses) beyond the delivery point shall be to the account of Importing utility. Operational charges of intervening region, on account of rerouting due to non-availability of open access approval through direct route, shall be borne by importing utility, if any.

#### **7. Corridor Surrender/Revision**

Without prejudice to the provisions of force majeure both MSEDCL and trader/utility shall make efforts to schedule full quantum of contracted power equivalent to the monthly (calendar month) energy, for which Open Access is granted at the time of supply of power by MSEDCL and return of power by trader/utility, respectively.

It shall be endeavor of both the parties to supply/receive power as per approved open access corridor. Any surrender/revision of open access corridor/schedule shall be done by the either parties only with the consent of other party. The party seeking revision/surrender of open access shall bear the entire cost on its account due to such revision/surrender of open access.

#### **8. Payment & Refund of Open Access Charges:**

- i) Reimbursement Bills for open access charges applicable to MSEDCL & shall be raised to "The Chief Engineer (Power Purchase) 5<sup>th</sup> Floor, Prakashgad, Plot No G-9, Prof. Anant Kanekar Marg, Bandra (East), Mumbai-400051 **Email ceppmsedcl@gmail.com.**" by trader/ utility after the open access is approved by Nodal RLDC.
- ii) All payments against Open Access bills shall be made through RTGS/electronic mode within 10 working days from the date of receipt of bills. In the event of the due date of payment being a Bank/MSEDCL holiday, the next working day shall be considered as the due date of payment.
- iii) No rebate shall be applicable on Open Access bills.
- iv) In case of refund of Open Access charges due to curtailment/ surrender, the trader/utility shall refund due amount to MSEDCL within 10 days of receipt of such amount from Nodal RLDC.

#### **9. Earnest Money Deposit:**

The Bidder shall be required to submit EMD for the maximum capacity offered @ Rs. 30,000 per MW per month on RTC (30 days, 24 hrs.) basis and same shall be reduced on pro-rata basis in case bids are invited on hourly basis of offered capacity in the form of Bank Guarantee/e-bank guarantee issued by any Nationalized/Scheduled Bank. For Example: For a requirement of 1 MW for 15 days for 4 hours, the EMD shall be Rs 30,000 x (15 days/30days) x (4 hours/24hours) = Rs 2,500/-. The validity of BG shall be up to 45 days beyond the overall contract period.

EMD of unsuccessful bidders shall be returned after 15 days from the date of finalization of tender. The EMD may be forfeited if bidder withdraws or modifies bid during bid validity period.

**10. Contract Performance Guarantee (CPG) :**

- i) The successful bidder shall submit the CPG amounting to Rs. 1.00 (one) lakhs per MW per month on pro rata basis within 7 days from the date of issue of LOI in the form of Bank Guarantee/e-bank guarantee issued by any Nationalized/Scheduled Bank.

AND

written consent for supply of power to MSEDCL during the supply period from utility/SLDC in format I and format II of the open access application duly signed by authorized signatory before commencement of transaction based on open access granted.

- ii) In the event of non-compliance of (i) above, within the stipulated period, the EMD submitted against the notification shall be forfeited.
- iii) The CPG provided by the successful bidder shall be forfeited for non-performance of the contractual obligations.
- iv) If the trader/utility fails to schedule energy, the CPG will be forfeited.

**11. Back to Back Arrangement:**

In case the bidder is Trading Licensee, back to back LoI/ Agreement/Authorization with the exporting utility shall be attached with the bid. Bids received without LoI /Agreement/Authorization with the importing utility shall be liable for rejection.

**12. Settlement of Energy:**

Energy will be exchanged in energy term only. No monetary transaction will take place, if the complete energy is transacted between MSEDCL and trader/utility in the desired proportion. If trader/utility, fails to return the returnable energy during a mentioned period/month, owing to transmission constraints & other force majeure conditions, the remaining energy for that period/month shall be returned to MSEDCL

within 10 days of immediate succeeding period/month of the contracted return period or the return period as desired by MSEDCL.

Further, in case trader/utility fails to return the returnable energy to MSEDCL within 10 days or default by trader/utility, shortfall in the returnable energy shall be settled by the exporting utility/trader at the rate of Rs. 6.25/kWh or 120% of IEX rate during shortfall period whichever higher. The bill for balance energy will be raised within 10 days from the end of contract period and the same shall be paid by trader/utility within 10 days from the date of receipt of bill. If the trader/utility fails to pay the bill for balance energy, MSEDCL will forfeit the CPG. Further for the delay in payment beyond 10 days from receipt of bill, surcharge will be applicable at 1.25% per month

### **13. Scheduling:**

Scheduling of power shall be as per CERC/MERC Open Access Regulations, CTUs/STUs Open Access procedure and IEGC/SGC in vogue and shall include the following:-

- i) Both importing and exporting utility shall schedule power in full, except in case of transmission constraints. The scheduling and dispatch of the power shall be coordinating with the respective RLDCs as per the relevant provisions of IEGC and the other decisions of RLDC and RPCs.
- ii) The importing utility shall apply for Open Access and also explore all possibilities to schedule and obtain Open Access approval for full quantum by means of Advance submission of application for booking of corridor at all three stages, Advanced, First Come First Serve and Day ahead basis.
- iii) Scheduling of power should be uniform throughout the mentioned time block period (with ramp up and ramp down) filled in the tender document subject to Open Access approval received from nodal RLDC.

### **14. Energy Accounting:**

- i) For the power supplied by MSEDCL to the trader/utility during the entire month, the trader/utility shall acknowledge through certified energy statement to MSEDCL based on the REA issued by RPC.
- ii) For the return of banked power by trader/utility to MSEDCL during the entire month, the trader/utility shall issue a certified energy statement based on the REA issued by Nodal RPC.
- iii) Once all the transactions are completed, trader/utility and MSEDCL shall prepare a final energy account showing the supply and return of power in energy terms (MUs).
- iv) Accounting of energy will be carried out by trader/utility on the basis of implemented schedule/final revision by respective Regional Load Dispatch Centre/SLDC subject to final reconciliation on the basis of Regional Energy Accounts issued by RPC/SPC and respective Regional Power Committee/SPC at the end of contract period.

**15. Trading Margin:**

No trading margin will be allowed on the quantum exported and imported by MSEDCL.

**16. Payment Surcharge on Late Payment.**

All the payment against open access bills and balance energy bills shall be made within 10 days from the date of receipt of bill by the respective trader/utility. However for the delay in payment beyond 10 days after receipt of bill, surcharge will be applicable at 1.25% per month.

**17. Trading License/Authorization:**

The trader/utility must have valid license/ authorization from the appropriate Commission under the applicable laws for supply of electrical power at the time of submission of offer. Copies of latest partnership deed/ ownership deed, Memorandum of Articles of Association of the firm and latest audited financial accounts have to be furnished along with the offer.

**18. Force majeure and technical constraints/transmission constraints:**

The parties shall ensure due compliance with the terms of the agreement. However, no party shall be liable for any claim for any loss or damage whatsoever arising out of the failure to carry out the terms of the agreement to the extent that such a failure is due to force majeure events, like rebellion, mutiny, civil commotion, riot, strike, lock-out, natural calamity, inadequate rain fall in Maharashtra, act of God and technical constraints/transmission constraints imposed by RLDC/RPC. The contracted power will be treated as deemed reduced for the period of transmission constraint. The non/part availability of transmission corridor should be certified by the concerned RLDC. But any party claiming the benefit of this clause shall fully satisfy the other party of the existence of such an event and give written information to the other party within 24 hours of occurrence of such force majeure. Supply/drawl of power shall be resumed immediately by the parties concerned after such eventuality has come to an end or ceased to exist.

**19. Termination Clause :**

MSEDCL reserves the full right to terminate the bi-lateral contract if the trader /utility fails to abide by the terms and condition as stipulated for banking of the power. In such case the security amount i.e. EMD/CPG deposited with MSEDCL shall be forfeited.

**20. Dispute Resolution:**

All differences or disputes between the parties arising out of or in connection with this matter shall be referred to Maharashtra State Electricity Regulatory Commission (MERC) under Electricity Act, 2003.

**21. In case of change in law or restriction imposed by Regulator (Central or State) or Government (Central or state) or Appellate tribunal or Courts on any aspect of sale or**

purchase of power or banking of power, the same shall be binding on both the parties.

- 22. Court Jurisdiction:** Dispute of any nature that may arise in connection with this Enquiry, which fall beyond the appropriate Commission under Electricity Act'2003, shall be governed by the law of India and subject to the jurisdiction of Courts situated in Mumbai only.
