

Maharashtra State Electricity Distribution Company Ltd.

Addendum IX

Date. 17-06-2025

Tender No. CE/PP/Mid-Term/04 Dated 20.03.2025

MSEDCL has floated Medium term power purchase tender vide CE/PP/Mid-Term/04 Dated 20.03.2025 on BHARAT ELECTRONIC E-bidding Portal. In this regard, it is to inform all that, replies of MSEDCL to the queries raised by the prospective bidders post demo session on BHARAT ELECTRONIC E-bidding Portal is as follows:

Sr. No.	Query	MSEDCL's Reply
1	While submitting Technical bid, it is found that portal is not as per the framework shown during the demo session conducted by Bharat Electronics Tender portal.	Functionally, there is no difference between the Demo/Training Portal, which was used for Demo Purposes, and the Commercial Portal on which the MSEDCL tender has been floated. However, there may be some difference in fields of Electronic Form in Demo and Commercial Portal. Demo was done to familiarize bidders with Portal's functionalities.
2	During the demo session, it was shown that bidders are allowed to quote the bid rate and bid quantum directly on the portal. However, we noticed that currently there is no such provision present in the portal, and we have been asked to upload the bid rate and bid quantum in PDF format.	This has already been addressed by making necessary changes in Electronic Forms vide Addendum-VIII dated 12.06.2025.
3	If the total quoted capacity received at IPO stage is greater than twice the capacity required by the utility, then H1 bidder will be eliminated. However, in the present scenario bidders have to upload the bid rate and bid quantum in PDF format, then how will the system be able to do the elimination?	Bidders will be quoting their Quantity and Tariff in Electronic Form of Financial Bid Part on the Portal as per Addendum-VIII dated 12.06.2025.

4	During the e-RA, what shall be visible to the bidders and how will it be carried out? Also, please preprovide prior demo of e-RA so that bidders can customised themselves.	Reverse Auction demo will be arranged for bidders. Date and time schedule will be communicated by MSEDCL in advance.
