REDRESSAL - DECISION.

Complainant Shri Sunil Gajajan Pungle at post Rajur Tq. Bhokardan Dist. Jalna Consumer No. 514400553134 is running a small hotel and is having single phase commercial connection, was receiving a electric bill RNA / INACCE / or NORMAZ status. He was paying the bills regularly upto March 2013 But during March 2013 complainant received the bill of Rs. 222817=74 for 20680 reading.

Complainant asked for a correct bill and to be bifurcated month wise and paid amount to be deducted from the bill amount.

Respondent says that the bill of consumer Shri Sunil Gajajan Pungle . At post Rajur Consumer No., 514400553134 was issued as per reading on the meter and it was issued by flying squad , Jalna on spot inspection carried out on 20.3.2013. The reading at the time was 23065 and bill of Rs. 222881/- was issued . Then as per consumer request this bill was bifurcated in 58 months and the paid amount was deducted and after the slab benefit the revised bill was issued. Here the credit was given of Rs. 79113/- and was less though the original bill of Rs. 222881/-.

The meter was tested at lab and it was found OK. Again as per consumer request the meter was sent to manufacturer at Delhi M/s. Palmahan Electronics Pvt. Ltd. For testing and the testing report is OK with reading as 24763.

OBSERVATIONS

It is observed that the respondent has given the slab benefit and bill bifurcation as per consumer's request and also the meter was tested at manufacturer laboratory Delhi which says meter is OK. Hence the application is disposed off at no cost.

ORDER

The case is disposed off at no cost
