REDRESSAL - DECISION.

It is observed that for the correct reading bill the consumer was approached to District Consumer Grievance Forum Jalna on dt. 31.3.2012. The forum has awarded the compensation of Rs. 2500/- towards mental harassment and expenditure on dt. 18.09.2012.

The respondant has credited the Rs. 2500/- through B-80 through the Energy bills of consumers.

Now as the District Consumer disputes and Grievance Redressal Forum Jalna has issued the order in favour of consumer on dt. 18.9.2012 so for the same fact this this case is not maintainable in this forum. as per law for same fact there is no remedy for twice in various courts or forum, hence matter is rejected.

ORDER

- 1) The complaint is rejected.
