Consumer No.028512605585

1. Above named consumer already filed this complaint against respondent utility in which Forum heard both the parties 06.09.2016 and pass Interim order on 07.09.2016 giving direction to respondent utility to reconnect the supply of consumer within 24 hours. After passing this Interim order notice issued to respondent utility for giving reply about the complaint of this consumer on dated 06.09.2016. Respondent utility appeared and filed reply informing to the Forum that consumer paid firm quotation on 05.04.2016 for new connection earlier on 17.06.2016 the supply was given to the premises of consumer for running

Najakat Bekari premises. However, original owner of this premises representative Adv .Sajid Usman Kachhi and Shaikh Mohd. Haji Mulla not taken NOC from land owner and he submitted the false document. The respondent utility submitted that they applicant executed leave and licenses on 28.10.2001. There as the said document was registered much after the date of executed Usman kachhi who died on 10.10.2001 however the document registered on 31.12.2001. Respondent utility submitted that Shri. More, Section Engineer written letter by registered post to the applicant which is not excepted as there is objection from Municipal Corporation informing that their said premises is deliberated condition & electric supply is required to be disconnected therefore the earlier supply given to the consumer was disconnected. Thereafter in this matter Adv Sajid Usman Kachhi also appear suo-motto showing his interest in property matter and inform to the Forum. He filed all relevant document executed by applicant. Thereafter the matter was kept for passing further order on interim application.

2. On next date consumer appeared with representative and submitted the application informing to the Forum that applicant wanted permission for video recording of the proceeding on 22.09.2016 alternately consumer inform to the Forum that he do not want to proceed with this compliant. He is willing to withdraw the said complaint without passing any further order the intimations is not exhibit a on 21.09.2016 thereafter opportunity again was given to the parties.
3. Today the matter is put up before forum for passing final order. It appears form the dispute that the consumer Mohammad Umer Hajumulla Shaikh earlier obtained connection form respondent utility and he challenged the disconnection was made by respondent utility was unauthorized and illegally. After hearing the reply of utility and objection raised by owner Adv. Salman Usban Kacchi and after perusal of document I came to final opinion at that consumer obtained order without disclosing true facts and therefore earlier

interim order pass by this Forum stands cancel . So far as main complaint filed by this consumer in view pursuits informing to the Forum that he are willing to withdraw the said complaint as on 21.09.2016 considered by this Forum. Hence consumer complaint 93/2016 stands dismiss as withdrawn.
