1. This Consumer Grievance Redressal Forum has been established under "Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Ombudsman) Regulation 2006" to redress the grievances of consumers. The regulation has been made by the Maharashtra Electricity Regulatory Commission vide powers conferred on it by Section 181 read with sub-section 5 to 7 of section 42 of the Electricity Act, 2003. (36 of 2003).

2. Customer registered grievance with the Forum on 4/2/2013 towards allowing new connection illegally.
3. As the tenability was found not clear giving identification number Applicant is only called. Applicant Shri Gharat attended. We heard him. Applicant is not the Consumer, he had a grievance about mobile tower built up by one consumer to whom supply was given by the Licensee. It is contended that said connection is illegal. It is causing nuisance and affecting health of all residents in the building and nearby school. He stated about illegal tower. He has approached Civil Court. It is also seen the connection of Consumer was disconnected but in the complaint filed by such Consumer with IGRC it is directed to be restored.
4. In the above disclosed facts, it is clear Applicant is not the Consumer. He complains against Consumer and Licensee. He is made aware of the jurisdiction of this Forum which is limited to the grievance amongst the Consumer and Licensee. For his grievance remedy is not before this Forum. Already he has approached Court about illegal tower, we find this matter cannot be dealt for want of jurisdiction. It is to be disposed off.
