Maharashtra State Electricity Regulatory Commission Consumer Grievance Redressal Forum and Ombudsman Regulation 2003 Vide Clause No.8.2

Consumer Dr. Gajanan Dattatrya Velhal having Residential connection At/Po-Devrukh, holding Consumer No.223030025457 and other Six filed format 'A' on 10.10.2011 in respect of his grievances along with the relevant particulars and compensation is sought in terms of the Rules & Regulation of Regulatory Commission. The said consumer subsequently filed one more application confirming that there are total seven connections and meters for which separate independent seven application are filed and relief is sought accordingly. In view of this consumer prayed that the grievances filed on 10.10.2011 having Case No.99/2011 needs to be cancelled and case is to be heard separately for each connection.

Upon verifying the respective applications of Form 'A' it is noticed that technically considering the separate consumer no. the grievances are to be heard separately, which cannot be merged under one case. The separate application are accepted and the grievances vide case no.99/2011 are disposed off by the passing the following order.

ORDER

1. In view of the facts and circumstances of the case, the case no.99/2011, dt.10.10.2011 stands rejected and the same is disposed off accordingly.
2. No order as to the cost/expenses.
3. In case consumer desires to appeal against this order he should file his appeal to the following addresses.
