

Shri Vaidya, Executive Engineer and Shri Hedao, Assistant Engineer, Hinganghat were present for the respondent. It was stated by the respondent that the applicant submitted an application for domestic connection on 30-12-2013. The company employees conducted the survey. The estimate was sanctioned on 17-01-2014. A demand note was issued under no.AE/HGT/R/T/176 dated 18-01-2014. (The copy of the demand note was produced by the applicant.) So there is no delay in giving the demand note. The application may be dismissed.

We have perused the record. According to the applicant the application was submitted on 17-09-2013. However she has not produced any oral or documentary evidence in support of her say. On the contrary the respondent say that the application was received in Hinganghat rural D.C. on 30-12-2013. So we held that the application was received by the respondent on 30-12-2013.

The copy of the demand note dated 18-01-2014 is on record. According to the applicant she received the demand note on 04-03-2014. There is no oral or documentary evidence on record showing that the applicant received the demand note on 04-03-2014. So it is difficult to believe that the demand note which was issued on 18-01-2014, reached the applicant on 04-03-2014. So we came to the conclusion that the respondent received the application on 30-12-2013 and the demand note was issued on 18-01-2014. As such there is no delay.

In view of the aforesaid discussion, we are not inclined to accept any of the contentions submitted by the applicant.

So, we pass the following order,
