**ORDER PASSED ON 07.01.2016.**

1. The applicant filed present grievance application before this Forum on 19.11.2015 under Regulation 6.4 of the Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Electricity Ombudsman) Regulations, 2006 (hereinafter referred to as said Regulations).

2. Non applicant, denied applicant's case by filing reply dated 14.12.2015.

3. Forum heard arguments of both the sides and perused record.
4. Record shows that in April 2015 consumption is shown 489 units, May 2015 642 units, June 2015 630 units & July 2015 654 units. In 2013 and 2014 there was less consumption. Consumption trend on the documents shows that it is about 100 units per month. Therefore in our opinion bills of April 2015 to July 2015 are excessive and said bills be revise by considering 12 months proceeding consumption.
5. Hence the following order.

### ORDER

- 1) Grievance application is partly allowed.
- 2) Non applicant is directed to revise the bills of applicant for the month of April 2015, May 2015, June 2015 & July 2015 considering 12 months proceeding consumption and revise the said bills.
- 3) Non applicant is directed to submit compliance report within 30 days from the date of this order.
