ORDER PASSED ON 01.07.2016.

1. The applicant filed present grievance application before this Forum on 17.06.2016 under Regulation 6.4 of the Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Electricity Ombudsman) Regulations, 2006 (hereinafter referred to as said Regulations).
2. Non applicant, denied applicant's case by filing reply dated 25.06.2016.

3. Forum heard arguments of both the sides and perused record.
4. According to the applicant his bills since February-2016 are excessive. We have carefully perused previous consumption trend of the applicant. In our opinion bills of February-2016, April-2016 and May-2016 are not excessive. However, only bill of March-2016 for 426 units appears to be excessive. Considering connected load, it appears that in March-2016 meter must have jumped. Therefore it is case of the meter jumping in March-2016 and bill needs to be revised considering 12 months preceding average consumption.
5. Hence the order.

ORDER

- 1) Grievance application is partly allowed.
- 2) Non-applicant is directed to revise the bill of the applicant for March-2016 considering preceding 12 months consumption.
- 3) Other prayers of the applicant are rejected.
- 4) Non-applicant to comply within 30 days from the date of order.
