**ORDER PASSED ON 11.07.2016.**

1. The applicant filed present grievance application before this Forum on 21.06.2016 under Regulation 6.4 of the Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Electricity Ombudsman) Regulations, 2006 (hereinafter referred to as said Regulations).

2. Non applicant, denied applicant's case by filing reply dated 08.07.2016.

3. Forum heard arguments of both the sides and perused record.
4. "According to applicant his bill for May-2016 for 506 units is excessive & requested to revise the same".
5. However meter of the applicant was replaced & new meter was installed in April-2016. Therefore in April-2016 status was shown as "INACCESSABLE" & there was average billing of 100 units. In May-2016 actual reading was taken.
6. Consumption was 506 units but for 2 months, it means per month consumption was 253 units. Furthermore credit of Rs.479.17 was given in May-2016. Therefore it is not excessive consumption. Spot inspection report shows that there are 5 rooms & 2 families are residing. There is common meter. Considering the connected load it is but natural to have consumption of 253 units per month. Consumption in April-2016 to May-2016 is most justified. It was a summer season.
7. Therefore we find no force in the grievance application. Order passed by IGRC is legal & proper. Grievance application deserves to be dismissed.
8. Hence the following order.
