1. The applicant filed present grievance application before this Forum on 13.8.2014 under Regulation 6.4 of the Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Electricity Ombudsman) Regulations, 2006 (hereinafter referred to as Regulations).

2. The applicant's case in brief is that her meter is fast, bill is excessive and it may be revised.

3. Non applicant denied applicant's case by filing reply dated 23.8.2014. It is submitted that bills are correct and no revision is necessary. Grievance application may be dismissed.

4. Forum heard arguments of both the sides and perused record.

5. Record shows that grievance is only for the bill of July 2014 regarding 469 units. Credit is already given to the applicant. In our opinion, 469 units are cumulative actual consumption of 4 months and credit is already given to the applicant. Therefore no further relief can be granted and grievance application deserves to be dismissed. Hence following order: -
