ORDER PASSED ON 13.8.2015.

1. The applicant filed present grievance application before this Forum on 15.7.2015 under Regulation 6.4 of the Maharashtra

Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Electricity Ombudsman) Regulations, 2006 (hereinafter referred to as said Regulations).

2. Applicant's case in brief is that in the month of September 2014, consumption is shown 860 units and bill be revised.

3. Non applicant denied applicant's case by filing reply Dated 27.7.2015. It is submitted that this bill of September 2014 is in fact for 3 months and slab benefit of Rs. 2819/- is given. Grievance application deserves to be dismissed.

4. Forum heard arguments of non applicant's side and perused record.

5. CPL shows that in July 2014 there was RNT status and average billing is shown 152 units. In August 2014 reading is shown 114 units for 2 months but it appears that it is also not actual reading and hence actual reading is taken in September 2014 for 860 units and it is for three months. Reading of August 2014 appears to be erroneous which was rectified in September 2014. In October 2014 all these irregularities were corrected. Bill is revised and credit of Rs. 2819/- is given to the applicant.

6. Therefore we find no force in grievance application and it deserves to be dismissed. Hence following order :-
