ORDER PASSED ON 6.12.2014.

1. The applicant filed present grievance application before this Forum on 17.10.2014 under Regulation 6.4 of the Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Electricity Ombudsman) Regulations, 2006 (hereinafter referred to as Regulations).

2. The applicant's case in brief is that applicant received excessive bill of June 2014. Therefore it is necessary to revise the bill.

Being aggrieved by the order of I.G.R.C., the applicant approached to this Forum.

3. Non applicant denied applicant's case by filing reply Dt. 27.10.2014. It is submitted that meter is tested in meter testing laboratory and it is found O.K. Therefore bills can not be revised.

4. Forum heard arguments of both the sides and perused the record.

5. We have carefully perused CPL of the applicant. It is true that in June 2014, reading is 735 units. However, it is summer season and therefore it is but natural to have excess utilization of electrical energy. There is sufficient connected load shown in spot inspection report.

6. Meter of the applicant is tested in meter testing laboratory on 9.8.2014 in presence of applicant and it is found O.K. This meter testing report is signed by the applicant in English. Therefore consumption utilised by the applicant is recorded by the meter and hence bill can not be revised. We find no substance in grievance application and application deserves to be dismissed. Hence following order :-
