**ORDER PASSED ON 03.10.2016.**

1. The applicant filed present grievance application before this Forum on 17.09.2016 under Regulation 6.4 of the Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Electricity Ombudsman) Regulations, 2006 (hereinafter referred to as said Regulations).
2. Non applicant, denied applicant's case by filing reply dated 28.09.2016.
3. Forum heard arguments of both the sides and perused record.

4. According to the applicant his bills are excessive. We enquired to the applicant about connected load. Applicant told that there are 4 rooms, 4 fans, 4 LAD lights, 1 TV, 1 Fridge, 1 AC & 1 Cooler. Therefore it appears that there is heavy connected load. We have perused CPL of the applicant. There is same trend of the consumption. After all consumption is depend on the use of electricity. April-2016 is a month of summer and if there is continuous user of AC and cooler there is but natural to have more consumption.
5. Record shows that meter was tested by SNDL by Accu-checked but as per order of learned IGRC in case no.391/2016 i.e.31-05-2016 meter is tested in laboratory of SNDL on 27-06-2015 and meter is O.K. Therefore there is no scope for revision of the bill.
6. We find no substance in the grievance application and application deserves to be dismiss.
7. Hence the following order.

#### ORDER

Grievance application is dismissed.
