1. The applicant filed present grievance application before this Forum on 13.10.2015 under Regulation 6.4 of the Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Electricity Ombudsman) Regulations, 2006 (hereinafter referred to as said Regulations).

2. Applicant's case in brief is that he is not satisfied with the order passed by learned IGRC. Applicant's claims that in order to come to the right full assessment, C.T. replacement report should be given to the applicant and quash assessment for Rs.3,67,230/-.

3. Non applicant, denied applicant's case by filing reply dated 17.11.2015. It is submitted that C.T.'s. of the applicant never been replaced and no such record is available with the office. Therefore replacement report can not be given.

4. Forum heard arguments of both the sides and perused record.

5. We have carefully perused spot inspection report of Flying Squad dated 08-05-2015. C.T. was never replaced. C.T. is available since beginning, it is one and the same existing C.T., hence C.T.'s replacement report can not be given.

6. As per order of IGRC direction is given to Sub Divisional officer, Mohda to assess and issue the bills to consumer as per the Section 56(2) of Electricity Act 2003.
