**ORDER PASSED ON 17.12.2015.**

1. The applicant filed present grievance application before this Forum on 19.10.2015 under Regulation 6.5 of the Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Electricity Ombudsman) Regulations, 2006 (hereinafter referred to as said Regulations).

2. Applicant's case in brief is that his bills are excessive therefore bills can not be paid.

2. Non applicant, denied applicant's case by filing reply dated 23.11.2015.
3. Forum heard arguments of both the sides and perused record.
4. Spot inspection report dated 19-11-2015 shows that there is sufficient load. There are 10 CFLs, 3 Fans, 2 TVs, 1 Water Pump, 1 Computer, 1 A.C., 1 Bulb and 1 Mixer therefore there is sufficient load. Due to utilization of A.C in the Summer days it is but natural to have more consumption. In our opinion bills can not be revised and grievance application deserves to be dismissed. Hence the following order.
