1. The applicant filed present grievance application before this Forum on 30.7.2013 under Regulation 6.4 of the Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Electricity Ombudsman) Regulations, 2006 (hereinafter referred to as Regulations).

2. The applicants' case in brief is that meter of the applicant is fast and therefore excessive bills are issued to the applicant. Therefore applicant claimed to revise the bills.

3. Non applicant M/s. SPANCO denied applicant's case by filing detail reply. It is submitted that meter of the applicant is tested by SPANCO and it is found O.K. Grievance application may be dismissed.

4. Forum heard arguments of both the sides and perused the record.

5. We have carefully perused consumption trend of the applicant. It appears that bills charged by the non applicant are correct and proper. Meter is tested by SPANCO and it is found O.K. Therefore there is no need to revise the bills. In our opinion, there is no force in grievance applicant and application deserves to be dismissed. Hence following order :-
