ORDER PASSED ON 05.02.2016.

1. The applicant filed present grievance application before this Forum on 18.12.2015 under Regulation 6.4 of the Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Electricity Ombudsman) Regulations, 2006 (hereinafter referred to as said Regulations).
2. Non applicant, denied applicant's case by filing reply dated 02.01.2016.

3. Forum heard arguments of both the sides and perused record.
4. Applicant argued that only Watchman remain on this spot. Record shows that applicant filed application dated 10-11-2015 before IGRC that somebody is committing theft of electricity from her meter consumer No.410010434223. Therefore it is clear that somebody is committing theft of electricity from meter of the applicant. It is duty of the applicant to protect her own meter and did not allow any other person to commit theft. If watchman remain absent somebody may commit theft. Therefore it is but natural to have excessive consumption. Therefore bills can not be revised.
5. Hence the following order.
