Member, Secretary

---

**ORDER PASSED ON 05.02.2016.**

1. The applicant filed present grievance application before this Forum on 30.12.2015 under Regulation 6.4 of the Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Electricity Ombudsman) Regulations, 2006 (hereinafter referred to as said Regulations).
2. Non applicant, denied applicant's case by filing reply dated 11.01.2016.

3. Forum heard arguments of both the sides and perused record.
4. It is common meter of the apartment. Spot inspection report shows heavy load i.e. 1 Wall fan, 10 CFL lights, 4 Tube lights, 3 Water pumps of 3 HP, 20 LED lights & 2 Lifts. Needless to see in a apartment excessive use of the lift and water pump is possible. Therefore it is but natural to have more consumption.
5. Meter is tested in the laboratory of MSEDCL and it is found O.K. therefore bills can not be revised.
6. Hence the following order.

**ORDER**

- 1) Grievance application is dismissed.
