ORDER PASSED ON 18.04.2016.

1. The applicant filed present grievance application before this Forum on 29.02.2016 under Regulation 6.4 of the Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Electricity Ombudsman) Regulations, 2006 (hereinafter referred to as said Regulations).

2. Non applicant, denied applicant's case by filing reply dated 10.03.2016.

3. Forum heard arguments of both the sides and perused record.

4. In this matter there are 2 different orders of IGRC. First order was passed in case No.578/2015 dated 27-07-2015 and directed to test the meter but it was not complied. Again IGRC passed another order in case No.125 dated 15-02-2016 and directed to revise the bill from April-2015 to July-2015, considering monthly average 180 units and to give credit balance in the issuing of the applicant. Credit of Rs.3947.49 p.s. is given in September-2014. Credit of Rs.2894.95 p.s. is given in August-2014. Now as per order of IGRC dated 15-02-2016 credit will be given in next billing month. Therefore bill of the applicant is revised and grievance is redressed. Order passed by IGRC is legal and proper and needs no interference. Grievance application is dismissed.
