**Instructions for filling the form:**

- Kindly fill complete and correct information in relevant column.
- Applicant will be solely responsible for incomplete or incorrect information
- Applicant is requested to note the request id for future tracking of the application.
- Please provide the correct nearest consumer number, so that your request can be assigned to proper MSEDCL field office.
- The applicant will be contacted by MSEDCL officer /Call Center Representative on email/mobile provided by you for verification.
- Please download New Connection Form and keep ready duly filled in and signed with required documents (which are mentioned on A1 Form).

9 ek- fo|r ykdi ky ; kpdMs d'kh oht i i kl kBh >ky; k foyckl kBh Hkji kbps i dj. k Representation No. 43 of 2011 : in the matter of delay in giving supply to agricultural pump : Shri. Bapuso Dadaso Sawant V/s. MSEDCL nk[ ky dj. ; kr vkys gkr s ; k i dj. kojhy vknk fn- 01@04@2011 e/; s ifjPNn 6 e/; s vl s uen dsys vkgs dh]

*“6. In a number of similar cases, the Respondent has pleaded that there is a huge backlog of pending applications for giving supply to agricultural pumps. The works of line extension / augmentation of network required is carried out by seeking assistance from financial institutions, under various schemes like REC / SPA etc. and as per the guidelines and targets fixed the State Government and connections are given as per seniority list / chronological order, depending upon availability of funds, materials etc. SOP Regulations, 2005, mandate that the Respondent is liable to give supply within stipulated time or pay compensation, in the event of delay in giving supply beyond the stipulated period. It is beyond the purview of the Forum or this Electricity Ombudsman to give any direction, in this behalf, to the Respondent and interfere in the chronological order / seniority list and targets fixed, as per the guidelines of the state government. Appellant’s prayer for giving direction to the Respondent to give supply is therefore, liable to be and is hereby rejected.”*

*“7. It is clear and undisputed from the above that Appellant’s application was complete on submission of test report on 13th April, 2010. He was, therefore, entitled to get supply within 3 months i.e. by 13th July, 2010, as stipulated in the SOP Regulations, 2005. Supply is not yet given to him for the reasons given by the Respondent as above. His application for compensation for the delay in giving supply at this stage is however, premature for the purpose of determination of period of delay, determination of the amount of compensation, eligibility, etc., in terms of the said Regulations. Appellant’s prayer for compensation for the delay in giving supply, at this stage is therefore liable to be and is hereby rejected.”*
