“.....Rule is made partly absolute by setting aside the impugned Judgment and Order dated 17th August, 2011 passed by the Electricity Ombudsman in Representation No.82 of 2011 and the matter is remanded back to the Electricity Ombudsman for a de novo hearing of the issue as to whether the activity of Gas Bottling Plant is a manufacturing activity or not. In the light of the observation made in paragraphs 17 and 20, the Ombudsman shall apply his mind to the provisions of the definition of the word “manufacture” under the Explosives Act, 1884 and the term “manufacture of Gas” under the Gas Cylinder Rules, 2004 as also the various Judgments of the different High Courts who have occasion to decide the similar issues.
