Ref: EE/CGRF/PZ/Case No.45 of 2016

Dt. 30.12.2016

**Order below application dtd.28.12.16 filed by M/s. Indus Towers
Limited, Vimannagar, Pune-14.**

Perused the application and the documents. Consumer is seeking interim relief against the Licensee to restore the supply of 13 nos. of various consumers, which was already disconnected under St. Marry Sub-division & it is also mentioned that the prior notice was not served as per section 56 (1) of Electricity Act 2003 before disconnection.

As per Regulation No.6.2 of MERC (CGRF & E.O.) Regulations, 2006 the consumer with a grievance may intimate the IGRC of such grievance in the form and manner and within the time frame as stipulated by the Distribution Licensee in its Rules & procedures for Redressal of the grievance.

Therefore the consumer should firstly submit his grievance for redressal to the IGR Cell vide Regulation No.6.2 as mentioned above.

It is also seen that, consumer has not produced any documentary evidence regarding disconnection without notice made on 27.12.2016 by MSEDCL, bill details etc. nor produced any record as to whether the said consumer has paid any amount of arrears of energy bills. The consumer has not made out prima facie case.

Hence, application stands rejected with cost.
