ORDER PASSED ON 29.05.2018

The applicant presented this grievance application feeling aggrieved by the order passed by the IGRC – SNDL Nagpur is case No. 125/2018 on 30.04.2018.

The respondent submitted reply. Both the parties were present on 28.04.18. They were heard.

The applicant applied for new electric connection for residential purpose. However there is already one connection in the same house for residential purpose only. So the SNDI rejected the application on the ground that two connections can not be given in one premises for the same purpose. The applicant said that connection is necessary as she wanted to lease out some portion to a tenant.

The above position was explained to the applicant. She was advised to apply for connection in the name of the tenant. She agreed. So the grievance application is disposed of.
