ORDER PASSED ON 04.05.2018

Shri Imteyaz Ahmad Mohd. Basir, the applicant presented this application feeling aggrieved by the order passed by the IGRC – SNDL Nagpur in case no. 63/2018 on 26-02-2018.

The respondent submitted parawise reply under no. SNDL/Comm/CGRF/979 dated 23-04-2018. The case was fixed for personal hearing on 26-4-2018. Both the parties were present. They were heard.

The applicant repeated the same facts submitted before the IGRC. According to the applicant meter installed at his residence was changed in September 2017. However the bills he got thereafter were improper and excessive. He requested for revision of those bills.

The respondent stated that after receipt of the complaint from the applicant the meter was immediately changed. The disputed meter was tested and it was found to be O.K.

We have perused the record. The respondent submitted the meter testing report. As per report the meter is running properly.

However to get the accuracy of the meter confirmed once again the parties were directed to get the meter tested. The respondent may take proper action as per the testing report. The application is partly allowed.
