Chairman.  
2) Mrs. Vandana Parihar,  
Member/Secretary

---

**ORDER PASSED ON 10.07.2018**

The applicants approached this Forum under the provisions of Regulation 8.3 of the MERC (CGRF & EO) Regulation 2006. The applicants are residing in small hutments/servent quarters. As per the applicants they or their ancestors were rendering service to Hislop College. So the college allotted these small houses to the applicants. The college also gave no objection to take domestic electricity connection from erstwhile MSEB.

Till now they are enjoying the supply peacefully. They are paying the electricity bills regularly.

Now the SNDL – Distribution Franchisee of MSEDCL issued them the notices under no. MAR 18/DF/713 dt. 13.03.2018 and JUN 18/Govt./1421 dt. 13.06.2018. The non applicant directed the applicants to produce documents about the title and ownership of the plots/hutments. The non applicants also stated that they may disconnect the power supply. So they requested for interim relief.

All the applicants were present. They were heard.

In our opinion the non applicants needs to be restrained from disconnecting the power supply of the applicants till the case is disposed of by the IGRC and then by this Forum. In the mean time the applicants may approach the IGRC-SNDL Nagpur.

So we pass the following order.

### **ORDER**

The non applicants should not disconnect the electricity supply of the applicants till the case is finally decided by the IGRC and the CGRF.
