Circular-53

Subject: Temporary revision in time schedule for giving 3- phase power availability to Ag Load Management (Ag LM) scheme.

Reference: 1) Circular No. 51 ED (Comm)/LM/24225 Dt. 04.10.2017
2) Dir(Comm)/LM/20799 Dt. 29.08.2018.

Presently, 3-phase power availability of 8 hours during day time or 10 hours during night time to Ag LM scheme is being provided on rotational basis as per letter Dir(Comm)/LM/20799 Dated 29.08.2018. MSEDCL is facing difficulty in managing the load generation balance due to drop in generation availability because of shortage of coal and increase in demand. In view of the above, to mitigate the shortfall, it is necessary to change the present timings of 3-phase availability given to AG LM schemes feeders in night slot from 10 hours to 8 hours.

Accordingly time schedule for 3-phase availability to AGLM scheme feeders is revised and enclosed herewith as **Annexure-A**.

It is requested to implement the revised time table from **00:00 hrs of 10.10.2018** to till further instructions.

The above time schedule is temporary and it will be reviewed after increase in generation availability and necessary instructions will be conveyed accordingly.

Instructions given above should be followed scrupulously.

Satish Chavan
Director (Commercial)

Encl : As Above
