1. As per CPL Attached herewith the consumer bearing consumer No. 049013100542 is being on normal status since April 2017 to June 2018 & as the electricity bills is as per reading on the meter it is correct and legitimated.
 2. As per CPL attached herewith the bearing consumer No. 049013100593 is being billed on normal status since April 2017 to Feb.2018 & made PD in Mar 18 after following the due procedure as per EA 2003 (D/C notice U/s 56(1) of EA 2003 and the electricity bill of Rs. 78,030/- outstanding with consumer now in the form of PD arrears was as per reading/ consumption & was correct and legitimated & hence added vide BR ID No. 8434653 dtd. 16.04.18 to the consumer No. 049013100542.
 - 3- The HPL- socomec make meter bearing Sr. No. 10209602 for PD consumer 049013100592 is tested by the meter testing unit and meter found OK as per the meter testing report vide letter No. 171 dtd. 02. 04.18.
 4. After issuing the monthly bill by MSEDCL the consumer (Consumer NO. 049013100542) had made payment for only three times from April 2017 till today on dated 13/04/17, 22/09/17 & 19/01/18. Due to irregularity in payment the consumer is being charged with DPC and interest as per prevailing tariff awarded by Hon'ble MERC.
 5. As per clause No. 17.8 of condition of supply based on MERC (Electric supply code and other conditions of supply regulation 2005)
- A consumer whose power supply has been disconnected by the MSEDCL for breach of any of the conditions of the MSEDCL's conditions of supply or breach of the any of the conditions of the agreement of power supply or for neglecting to pay to the MSEDCL any charges for the electricity supplied by the MSEDCL or on account of failure of deposit with the MSEDCL amount of security Deposit in accordance with the provision of the Act. And the clause No. 10.5 of MERC supply code regulation, dies or transfers, assigns or otherwise dispenses with the undertaking or the premises to which electricity was being supplied by the MSEDCL, any person claiming to the heir, legal representative, transferee, assignee or successor of the defaulting consumer, with or without the consideration in any manner, shall be deemed to be liable to pay the entire up to date arrears of charges for the electricity supplied by the MSEDCL. Including the arrears of security deposit or compensation if any, and it shall be lawful for the MSEDCL to refuse to release the power supply or to restore the power supply or to give new electric connection to such person claiming to be the heir, legal representative, transferee, assignee or successor of the defaulting consumer.

In the lien of this provision 17.8 the legitimated PD arrears of the consumer (consumer No.049013100593) are transferred to the another live consumer (Consumer No. 049013100542) in the same premises and in the same name.

As the PD consumer (Consumer No. 049013100593) was being billed on Normal status and as per reading on the energy meter, the testing report of energy meter from meter testing unit is found OK and as the consumer was very irregular regarding the payment of electricity bill in his live tenure the consumer has paid the electricity bill for once on dtd. 30/11/17 from the period April 2017 till the date of PD, the electricity bill issued by MSEDCL upto Feb.18 i.e. Upto date of PD & addition of this PD arrears to another live consumer is correct as per prevailing rules and regulations of MSEDCL and hence it is legitimated and according to the law.

Hence it is our humble request to submersible reject the application of the consumer as per prevailing rules, regulation of MSEDCL and of MERC & it is humble request to Hon. Forum to award the judgement regarding the payment of electricity bill by the complainant and in favour of MSEDCL.
