House Sub-Divison

[Coram- Dr. Santoshkumar Jaiswal- Chairperson, Shri. R.S.Avhad -Member Secretary and  
Sharmila Ranade - Member (CPO)].

Maharashtra Electricity Regulatory Commission, is, constituted u/s. 82 of Electricity Act 2003 (36/2003). Hereinafter for the sake of brevity referred as 'MERC'. This Consumer Grievance Redressal Forum has been established as per the notification issued by MERC i.e. "Maharashtra Electricity Regulatory Commission (Consumer Grievance Redressal Forum & Ombudsman) Regulation 2006" to redress the grievances of consumers vide powers conferred on it by Section 181 read with subsection 5 to 7 of section 42 of the Electricity Act, (36/2003). Hereinafter it is referred as 'Regulation'. Further the regulation has been made by MERC i.e. Maharashtra Electricity Regulatory Commission. [Electricity Supply Code and other conditions of supply Regulations 2005] Here in after referred as 'Supply Code' for the sake of brevity. Even, regulation has been made by MERC i.e. 'Maharashtra Electricity Regulatory Commission (Standards of Performance of Distribution Licensees, Period for Giving Supply & Determination of Compensation) Regulations, 2014.' Hereinafter referred 'SOP' for the sake of convenience

This application is filed by the consumer for grievances against the Respondent company MSEDCL to correct the tariff and category and refund of the amount. The Applicant Consumer above named is LT (Low Tension) having following connection of MSEDCL and drawing Electric supply from consumer No. 400000171148, BU; 4727 Power House S/Divn Sanction Load 21KW and consumer No. 40000171172 connected load 50 KW. Applicant is providing health care facilities and has secured the power supply from MSEDCL for the purpose of providing health care facilities. The power supply is connected on 07-06-2001 and since then the Applicant is receiving regular energy bills without any error in meter or any complaint from the representatives of the respondent company (MSEDCL), who use to visit, inspect and record the reading of the energy consumption of the electricity, for raising energy bills and the Applicant were paying towards the energy bills raised by the respondent company (MSEDCL) from time to time without any default.

The Tariff is made applicable as per Tariff order issued by the commission from time to time. As per section 62(3) Electricity Act, 2003, tariff is based on purpose of use. Section 2(15) of the electricity act provides that the consumer means any person who is supplied with electricity for his own use. Similarly section 43 of the act also provides that distribution licensee shall give supply to the occupier of the premises, It is also duty to correct by taking survey through Field Engineer and staff but respondent failed to correct tariff as per MERC order .

Therefore, applicant claims that the Respondent be directed to change the tariff according to MERC orders which is applicable from August 2012. There the billing cycle of a consumer is different with respect to the date of applicability of revised tariffs , they should be made applicable for the consumption on a pro rata basis .The bills for the respective periods as per existing and revised Tariffs shall be calculate on the pro rata consumption ( Units consumed during respective period arrived at on the basis of average unit consumption per day multiplied by number of days in respective period falling under the billing cycle).

In this application applicant prayed for redressal of the grievances in respect to the non compliance of the tariff order issued by the commission for health care services and its refund From August 2012 which is eligible and entitle to the consumer along with interest and cost.

The applicant has submitted that it is duty of respondent to award interest on security deposit paid by consumer from time to time but interest on deposited amount has not credited in our energy bills. There is also violation of income tax act 1961 in force since

Executive Engineer Thane fails to issue T.D.S certificate year together. The applicant prayed for interest on security deposit amount and instruction to issue T.D.S. Certificate.

The Respondent appeared and filed their point wise reply that the consumer is billed in LTII tariff and the supply date is 07-06-2001. After receipt of the application for change of tariff on dated 10.01.2018 the was carried out for confirmation of activities the tariff is changed to LT X(B) with effect from Feb 2017.

It is further say that after verification of the activities, suitable change of tariff is applied form the date of application and as the activities prior to the application can't be ascertained, As per Reg.4.13 (b) of MERC Sop Regulation the change of tariff shall be effected within second billing cycle on receipt of application from consumer and the tariff shall be changed with prospective effect from the date of application. The applicant had applied for commercial supply and same was released on 13.01.2014. The applicant has not submitted any application or made grievance before first application for change of tariff on date 10.01.2018. The premises was inspected after receipt of application and observed the hospital activity, prior to the inspection, we cannot change the tariff for the period prior to the application and as per proof of registration of hospital does not ensure that hospital started on that same day in existing premises. The consumer's pray for refund by considering retrospective effect may be disallowed

I have gone through the contented of the grievances application and also gone through the point wise reply submitted by the Respondent. It appears admittedly that there is commercial circular no 243 of MSEDCL that as per MERC tariff order dated 26.06.2015 in the case no 121 of 2014 that the date of revised tariff is applicable from 1st June 2015 and will continue till further orders. In this circular serial No.3 the separate category for Gov. school and hospitals are come under LT X ( A) and private and other category LT X( B) is made for other public services the applicability for this tariff shall be applicable to educational institutions such as schools and colleges, and Hospitals, Dispensaries, primary

Health Care Centers and Pathology Laboratories and Libraries and Public reading rooms other than those of State or Central Government, Municipal Bodies, Zilla Parishads, Panchayat Samities or Gram Panchyat; all offices of Government/Municipal Bodies, Local Authority, local self Government, Zilla Parishad, and Gram Panchayat; Police Stations, Police Chowkies, Post offices, Defence establishments (army, navy and air-force), Spiritual Organizations which are service oriented, Railway/Monorail/Metro except traction, State transport establishments; and State Transport Workshops, Transport Workshops operated by Local Authority, Fire Services Stations, Jails, Prisons, Courts, Airports (only activity related to aeronautical operations), Ports, Sports Club/Health Club/Gymnasium/Swimming Pool attached to the Educational Institution Hospital provided said Sports Club/Health Club/Gymnasium/Swimming Pool is situated in the same premises and is primary meant for the students/faculty/employees/patients of such educational Institutions and Hospitals.

For the implementation of this circular as per serial no 4 the field officers are directed to ensure that where ever the tariff category is redefined or newly created by the commission, the existing / prospective consumer should be properly categorized by the actual field inspection immediately and the data to be immediately update in the IT data base.

All the field officer shall sensitize staff about various aspect of the tariff order and give proper guidance to all the officers and the staff members working under them. These are only important guidelines and for the actual implementation, the filed officers are requested to refer the detail order of MERC of 26.06.2015 in case of 121/2014.

I have gone through the application filed by the consumer regarding grievances and also gone through the point wise reply of the Respondent. It appears admittedly that the connection of the electric supply of the consumer is covered under the Hospital,

Dispensary and Public Health Care Centre that is in the category of LT X(B). The consumer has produce Passing certificate of University of Mumbai and Certificate of registration issued by Maharashtra Medical Council Mumbai, Thane to show that he has been running hospital but certificates is not shown any address of the premises. The certificate merely shown Amit Karkhanis Vijay has been duly registered under the Maharashtra Medical Council Act, 1965( Mah.XLVI of 1965, In part I of the register. and passed the Bachelor of Medicine and Bachelor of Surgery From Dr. D.Y. Patil Medical College that does not ispo facto prove that Hospital have been actually run since then. The applicant had applied for commercial connection and same was released on date 13-01-2014 .Even if it is presume that hospital activity running since 05.06.2015 that alone is not sufficient. There is nothing on record to indicate that applicant had running Hospital in the above premises. The Respondent has already changed tariff as per 4.13(b) Sop on the receipt of consumer application. The Respondent already fed B-80 revision for the interest on security deposit after due verification from IT record for the period for which it is not given and IGRC in its order already directed to issue TDS certificate to consumer. Hence I proceed to pass following order

### **ORDER**

This application here by dismissed.

No order as to the cost.

**I Agree/Disagree**

**I Agree/Disagree**

**MRS. SHARMILA RANADE,  
MEMBER  
CGRF, BHANDUP**

**Dr. SANTOSHKUMAR JAISWAL
