Heard both parties also the consumer whose connection is released & it is the theme of the complaint & observed that, Shri. Wamane has applied for new Ag. Connection on separate well as can be seen from the A-1 form submitted by dist. Co. whereas taken connection on common well.

The main complaint of complainant is that Shri. Wamane misguided the distribution Co. staff & availed connection on common well when there was one common connection was already existing on common well. He also said that Shri Wamane applied for new connection on his separate /independent well but availed connection as common well.

The Dist. Co. pointed out that said disputed connection was disconnected as per complaint received from complainant, but same has to be reconnected as per order of CGRF dt. 08/06/2018 against the application filed by Mr. Wamane, in which Shri. Wamane applied to IGRC then CGRF to reconnect the supply of disconnected by Dist. Co. on the basis of complaint filed by Mr. Dholi at local office, hence at that time the Forum confirmed ownership of common well & passed order to reconnect the supply but the question of application made Mr. Wamane on new separate/ independent well was not discussed hence the order passed accordingly. But now complainant is Mr. Dholi & pointed out that Mr. Wamane is misguiding Dist. Co. & getting connection on common well with malafid intension.

So the forum is of the opinion that correction of the application submitted for new connection by Mr. Wamane regarding said connection be verified & necessary action accordingly be taken.

After considering the representation submitted by the consumer, comments and arguments by the Distribution Company , all other records available, the grievance is decided with the observations and directions as elaborated in the preceding paragraphs and the following order is passed by the Forum for implementation:

ORDER

1. After due verification of application for new connection submitted by Mr. Wamane for the Ag connection in quotation necessary action be taken as per Dist. Company Rules & Regulation.
